Tempe Arizona Crossroads:

Tempe Peggy Bryant,1990 **Metropolitan Phoenix** Patricia Gober,2013-02-12 Inhabitants of Phoenix tend to think small but live big They feel connected to individual neighborhoods and communities but drive farther to get to work feel the effects of the regional heat island and depend in part for their water on snow packs in Wyoming In Metropolitan Phoenix Patricia Gober explores the efforts to build a sustainable desert city in the face of environmental uncertainty rapid growth and increasing social diversity Metropolitan Phoenix chronicles the burgeoning of this desert community including the audacious decisions that created a metropolis of 3 6 million people in a harsh and demanding physical setting From the prehistoric Hohokam who constructed a thousand miles of irrigation canals to the Euro American farmers who converted the dryland river valley into an agricultural paradise at the end of the nineteenth century Gober stresses the sense of beginning again and building anew that has been deeply embedded in wave after wave of human migration to the region In the early twentieth century the so called health seekers asthmatics arthritis and tuberculosis sufferers arrived with the hope of leading more vigorous lives in the warm desert climate while the postwar period drew veterans and their families to the region to work in emerging electronics and defense industries Most recently a new generation of elderly seeking active retirement has settled into planned retirement communities on the perimeter of the city Metropolitan Phoenix also tackles the future of the city The passage of a recent transportation initiative efforts to create a biotechnology incubator and growing publicity about water shortages and school funding have placed Phoenix at a crossroads forcing its citizens to grapple with the issues of social equity environmental quality and economic security Gober argues that given Phoenix s dramatic population growth and enormous capacity for change it can become a prototype for twenty first century urbanization reconnecting with its desert setting and building a multifaceted sense of identity that encompasses the entire metropolitan community *Arizona Goes to War* Brad Melton,Dean Smith,2003-04-01 It was a cold gray morning in northeast France when Pfc Silvestre Herrera s unit came under heavy fire from a Nazi artillery barrage Armed with only a hand grenade and his M1 rifle Herrera fixed his bayonet and mounted a one man charge single handedly capturing eight German soldiers then killing two more and pinning down the enemy despite having had both feet blown off by a mine A few months later he was back home in Phoenix when the telegram arrived notifying him that he was to be awarded the Congressional Medal of Honor Herrera was just one of Arizona s sons and daughters who answered their country s call in World War II Their exploits and the adventures of those on the home front are now celebrated in a book that brings that era engagingly to life *Arizona Goes to War* takes readers back to a time when military installations sprang up all over the state as thousands of airmen arrived to train in Arizona s clear desert skies and when soldiers destined for North Africa came to get their first taste of desert sands In its pages readers will learn not only of the green recruits who passed through Arizona but also of the state s Native Americans who registered for the draft in record numbers of Japanese Americans unjustly incarcerated in desert detention centers and of ordinary citizens who

did their bit for the war effort Included in the book are some of World War II s most incredible stories such as the testing of tank engines in Arizona dust storms for the North Africa campaign the interrogation of Japanese consular diplomats from Honolulu at the Triangle T Guest Ranch near Dragoon and the escape of 25 German POWs from a detention camp outside of Phoenix called the greatest escape by Axis prisoners from a U S compound during the war A separate chapter pays tribute to Arizona s war heroes not only Silvestre Herrera but also fighter ace Grant Turley Midway hero John C Butler and Pima Indian Ira Hayes who helped raise the flag on Iwo Jima A host of profiles and sidebars bring people and events of the wartime era to life and a useful appendix provides a traveler s guide to Arizona s World War II sites World War II may have transformed Arizona more than it did any other state not only did Arizona s industry blossom its population did as well when servicemen who had been stationed there returned to put down stakes Arizona Goes to War recaptures the glory and spirit of that era and reminds us that the people who lived through those years are well worth commemorating *Desert Dreams* Laura K. Loring White,2005 Ragging It takes the reader on a lively historical journey back to the days of vaudeville fancy women amusement parks lynch mobs saloons and cabarets a time when the upbeat music of ragtime was a craze that permeated our culture Author H Loring White a former history professor focuses on the vastly contrasting biographies of Theodore Roosevelt and Scott Joplin while showcasing the uniqueness of ragtime the first popular syncopated music of the masses In 1900 times began to move more quickly With citizens no longer isolated on farms ragtime was eagerly accepted by the world s first generation of popular culture which also reveled in cakewalks coon songs and animal dances such as the Grizzly Bear Turkey Trot and Bunny Hug White recounts true stories about show business political events the repression of African Americans the world s fairs and the triumphs of technology Although ragtime disappeared abruptly in just a few years with the emergence of jazz White never lets you forget the vital role that ragtime played in the Progressive Era of American culture With its new and vital interpretation of the Roosevelt era he will take you back to a lively time in history when everyone was Ragging It **The Journal of Arizona History** ,1985 Arizona History Magazine ,1986 National Directory of Drug Abuse and Alcoholism Treatment and Prevention Programs ,1992 **Wooden Horses and Iron Men** Dale W. John J. Rhodes J. Brian Smith,2005 The life of John Jacob Rhodes is in part the story of a man thrust from the relative obscurity of the House to the forefront of what became America s most serious constitutional crisis since the Civil War the drive to impeach President Richard M Nixon As House Republican Leader John Rhodes was compelled to balance the interests of his party against his sworn oath to preserve the U S Constitution The anguish he endured and the political and personal courage he displayed qualify John Rhodes as a true American patriot This book documents Rhodes s life journey from his hometown of Council Grove Kansas through his long and illustrious representation of Arizona in the U S House of Representatives to his active post Congressional career which lasted up until his death at age 86 in 2003 His was a full life in

which he was an eyewitness to and participant in major events in our nation's history from the Vietnam and Cold wars to the civil rights movement from the normalization of diplomatic relations with China to Reaganomics and all the domestic and international upheaval that characterized the second half of the twentieth century John J Rhodes Man of the House is the engaging story of a man who is remembered by all who knew him as a quiet effective leader who accomplished extraordinary things for his state stood tall under enormous pressure at a time of grave national peril and left a legacy of statesmanship sadly missing in today's body politic John Rhodes's life reminds us how American politics once was and hopefully may one day be again
