*A Complete Word and Phrase Concordance to the Poems and Songs of Robert Burns* Joseph B. Reid, 1889

**Shakespeare and Religion: Global Tapestry, Dramatic Perspectives** Margie Burns, 2025-01-07 Twelve research articles deal with aspects of religion in the plays of William Shakespeare from early in the dramatist's career to the end. Ordered by chronology two chapters focus on history plays three chapters focus on comedies and three on tragedies one deals with *Troilus and Cressida* and three chapters deal with the late romances. The anthology does not cover all of Shakespeare's plays and collaborations or the lyric poems. The collection is ecumenical and transnational. While the contributors all recognize that Shakespeare wrote in a Renaissance Christian universe Christianity is not the only world religion dealt with. Approaches involve history and philosophy as well as theology and individual perspectives vary. One thing the collection makes clear is that religion in some sense operates in every Shakespearean work and its large spectrum ranges through plot and character from shallow to deep self interested to elevated bloody to harmonious. Religion and religious differences were also part of the fabric and history of the playwright's world manifesting in the plays in situation language and iconography. From various perspectives a common denominator is that the authors approach aspects of religion as one element in an informed analysis of the works.

**On Wings of Air** Jann Rowland, Lelia Eye, Reader Feedback Eye and Rowland are absolute masters at world creation as demonstrated in this first novel of what should become a classic fantasy trilogy. Though very developed characters and distinct worlds it was easy to read and follow. The Book of Celesta is a beautiful gift in the story development. Unexpected twists kept me intrigued. The story is captivating and follows theatrical

structures both familiar and fantastical leading to an ending that is exciting mysterious and unexpected A true tale of high fantasy On Wings of Air maintains many romantic elements exploring real world problems in a fantasy setting which appeals to a wide audience The prince of the Skychildren is exiled from the sky and enslaved by his enemies on the ground In such circumstances how is he to save his kingdom from a madman and the entire world from destruction by a powerful creature created by a goddess And how could love for the princess of the Groundbreathers possibly enter into the picture If you are a fan of Fantasy On Wings of Air is for you Tierra I don t think you quite understand If I found the Fenik there would be nothing you or anyone else here could do to stop me from leaving You said that Fenik was a weapon of sorts In fact the Fenik is the ultimate weapon I should not need to remind you but it appears that I must We are Skychildren We are not barbarians We do not keep slaves and we do not attack defenseless women in the streets We are ruled by honor not by our emotions It is true that we have an eons long dispute with Princess Tierra s people But we have no quarrel with her personally In every way that matters she is the same as we are Come now what are you waiting for Finish me off now and you shall have your victory Immolate both of us in your fire and you shall be free to do as you wish
