Zondervan NIV Matthew Henry Commentary Matthew Henry,2010-09-21 Time has sealed the reputation of Matthew Henry s classic commentary as a rich source of insight into God s word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry s day have taken on different meanings today In addition Henry s often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry s incomparable writings in a style that is easy to read and understand Dr Leslie Church s meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry s style Use of the New International Version NIV instead of the King

James Version makes this edition fully compatible with today's most widely used Bible translation. In one volume here is a wealth of exposition, metaphors, analogies, and illustrations ideal for Personal devotions, Bible study, Sermon, and lesson preparation. *People's Commentary on the Gospel According to Luke* Edwin Wilbur Rice, 1889

Portrait of an American Rabbi: In His Own Words Rabbi Lance J. Sussman Ph.D., 2023-06-14. It is important to bear in mind that Sussman has also been a true credit to the Reform rabbinate. He has taught thousands of congregants over the decades. He imparted his love for the Jewish people and its past from the pulpit under the marriage canopy and even at the funeral bier. These attainments must never be minimized or overlooked. One of Isaac Mayer Wise's students memorialized a noteworthy incident that occurred during a class that Wise was teaching. Wise suddenly began to feel ill and decided to end the class early. As Wise began to step down from his teaching platform, a well-meaning rabbinical student jumped up from his seat, grabbed his teacher's arm, and said, "May I help you down, Doctor?" The famous rabbi shifted his glance and said in a voice loud enough for the rest of the class to hear, "Never help a person down, my boy; a rabbi must always help people up." This is how Rabbi Dr. Sussman has led in the various communities he served over the past four decades. He has been a learned rabbi who never lost sight of his obligation to help people up. Rabbi Dr. Gary P. Zola, Executive Director Emeritus, American Jewish Archives, Ackerman Family Distinguished Professor, HUC JIR, wrote to the readers of the AJA Festschrift in honor of Rabbi Dr. Lance J. Sussman, 2024.
