Temple Tiger:

The Temple Tiger Jim Corbett, 2024-11-18 The Temple Tiger offers a unique perspective on Jim Corbett's life and work showcasing the mysterious and sacred aspect of the wild in India. This collection of stories revolves around the elusive Temple Tigers, tigers that roam near or within the grounds of ancient temples in the foothills of the Himalayas where superstition and reverence intertwine with the reality of life in the jungle. These tigers are often seen as spiritual beings and Corbett's deep respect for their majestic presence is palpable in every page. Through vivid descriptions he takes readers on thrilling hunts sharing stories of the creatures that both frightened and fascinated the local people. Corbett weaves together the mystical and the practical exploring how these tigers became both feared predators and revered protectors in local folklore. With a mix of adventure philosophy and reverence for both the human and animal worlds The Temple Tiger also touches on Corbett's personal journey from hunter to conservationist. As he learns to understand the deeper complexities of human-animal interactions Corbett reveals a side of the jungle that is not only wild but sacred. The stories in The Temple Tiger highlight his evolving respect for the natural world making it a powerful meditation on the delicate balance between mankind and nature as well as the untamed spirit of India's forests.

The Tiger CEO Sharad Kumar Vats, 2020-12-10 It is better to be a tiger for one day than a sheep for a thousand years. Tibetan Proverb. Tigers walk alone. They are not shepherded through life and are entirely self-sufficient. Confident, capable, charismatic, they are masters of their own destiny in the jungle. As a keystone species, they are catalysts for creation. Would you rather be a tiger or a sheep? The Tiger CEO is a book that hones your leadership skills with the wiles and wisdom of a tiger's tactics in the wild. Many leadership books allude to the idea of the tiger in you. This book draws parallels between feline traits and those of great leaders ranging from Gandhi to Elon Musk. It not only highlights the manner in which iconic biodiversity conservation leaders such as Jim Corbett have protected and studied the species but also how their own behaviour has been impacted by it. Broken down into eleven distinct sections, this book attempts to adapt the lessons learnt from a tiger's day-to-day behaviour consciously into our work and our lives. Master the skills, strategy and strength of a tiger to become the king of your own jungle.

The Inhuman Empire Sadhana Naithani, 2024-05-20 This book is a study of selected texts of British writings on Indian wildlife published between 1860 and 1960. Set in the context of British colonial rule in India, this book also reflects on similar situations across the British Empire and other colonial empires. The destruction of wildlife in the making of empires is a subject not yet fully explored in scholarship. This book aims to speak to global concerns regarding the extinction of several species and shows that the crisis has international roots. The Inhuman Empire breaks new grounds as it juxtaposes colonial narratives to folk narratives. These two types of narratives treat nonhuman animals very differently. Folk narrative considers them sentient beings while colonial narratives see them as game and do not care for their sentience. Both types of narratives are further evaluated with reference to the contemporary position of natural sciences regarding animal sentience and of anthropologists and philosophers.

regarding the relationship between nature and culture Analyzing colonial accounts of hunting the author looks at the pain and suffering of nonhuman animals and combines statistics alongside narratives of British writers Indian populace and nonhuman animals in order to show narratives reflect and impact reality This book will be of great value to those interested in Animal Studies Folkloristics the history of Colonialism and India *Wildlife Tourism, Environmental Learning and Ethical Encounters* Ismar Borges de Lima, Ronda J.
