Temples Of The Last Pharaohs:

Temples of the Last Pharaohs Dieter Arnold, 1999 These reconstructions along with superb photographs of extant temple buildings are included in this book on the formal and stylistic development of Egyptian temple architecture BOOK JACKET

The Last Pharaohs J. G. Manning, 2009-11-02 Manning's book is one of the most thought provoking studies on the Hellenistic world to have appeared for quite some time essential reading John Ray Times Literary Supplement The history of Ptolemaic Egypt has usually been doubly isolated separated both from the history of other Hellenistic states and from the history of ancient Egypt The Last Pharaohs the first detailed history of Ptolemaic Egypt as a state departs radically from previous studies by putting the Ptolemaic state firmly in the context of both Hellenistic and Egyptian history More broadly still J G Manning examines the Ptolemaic dynasty in the context of the study of authoritarian and premodern states shifting the focus of study away from modern European nation states and toward ancient Asian ones By analyzing Ptolemaic reforms of Egyptian economic and legal structures The Last Pharaohs gauges the impact of Ptolemaic rule on Egypt and the relationships that the Ptolemaic kings formed with Egyptian society Manning argues that the Ptolemies sought to rule through rather than over Egyptian society He tells how the Ptolemies adopting a pharaonic model of governance shaped Egyptian society and in turn were shaped by it Neither fully Greek nor wholly Egyptian the Ptolemaic state within its core Egyptian territory was a hybrid that departed from but did not break with Egyptian history Integrating the latest research on archaeology papyrology theories of the state and legal history as well as Hellenistic and Egyptian history The Last Pharaohs draws a dramatically new picture of Egypt's last ancient state Manning has produced a deep and meaningful study of the social and political relationships inherent in the Ptolemaic economy Timothy Howe Bryn Mawr Classical Review *Ptolemy I and the Transformation of Egypt, 404-282 BCE* Paul McKechnie, Jennifer A. Cromwell, 2018-05-23 Amyrtaeus only pharaoh of the Twenty eighth Dynasty shook off the shackles of Persian rule in 404 BCE a little over seventy years later Ptolemy son of Lagus started the Greek millennium J G Manning's phrase in Egypt living long enough to leave a powerful kingdom to his youngest son Ptolemy II in 282 In this book expert studies document the transformation of Egypt through the dynamic fourth century and the inauguration of the Ptolemaic state Ptolemy built up his position as ruler subtly and steadily Continuity and change marked the Egyptian Greek encounter The calendar the economy and coinage the temples all took on new directions In the great new city of Alexandria the settlers burial customs had their own story to tell *The Oxford Handbook of Roman Egypt* Christina Riggs, 2012-06-21 Roman Egypt is a critical area of interdisciplinary research which has steadily expanded since the 1970s and continues to grow Egypt played a pivotal role in the Roman empire not only in terms of political economic and military strategies but also as part of an intricate cultural discourse involving themes that resonate today east and west old world and new acculturation and shifting identities patterns of language use and religious belief and the management of agriculture and trade Roman Egypt was a literal and figurative crossroads shaped by the movement of people

goods and ideas and framed by permeable boundaries of self and space This handbook is unique in drawing together many different strands of research on Roman Egypt in order to suggest both the state of knowledge in the field and the possibilities for collaborative synthetic and interpretive research Arranged in seven thematic sections each of which includes essays from a variety of disciplinary vantage points and multiple sources of information it offers new perspectives from both established and younger scholars featuring individual essay topics themes and intellectual juxtapositions

Gods in Dwellings Michael B. Hundley, 2013-11-10 In this book devoted exclusively to temples and perceptions of the divine presences that inhabit them Michael B Hundley focuses on the official religions of the ancient Near East and explores the interface between the human and the divine within temple environs Hundley identifies common ancient Near Eastern temple systems and examines issues that include what temple structures communicate how temples were understood to function temple ideology the installation of divine presence in a temple the connection between presence and physical representation and human service to the deity Drawing on architectural and spatial theory ritual theory theories of language art history archaeology sociocultural anthropology and comparative studies Hundley offers a single interpretive lens through which to view temple worship Features A close examination of temples in Egypt Mesopotamia Hittite Anatolia and Syria Palestine An interdisciplinary treatment of architecture language ritual and art A dual focus on how a deity's divine presence connects to space and art and how human service to the deity maintains the deity's active presence

The Journey of Theophanes John Matthews, 2006-01-01 At the outset of the twentieth century malaria was Italy's major public health problem It was the cause of low productivity poverty and economic backwardness while it also stunted literacy limited political participation and undermined the army In this book Frank Snowden recounts how Italy became the world centre for the development of malariology as a medical discipline and launched the first national campaign to eradicate the disease Snowden traces the early advances the setbacks of world wars and Fascist dictatorship and the final victory against malaria after World War II He shows how the medical and teaching professions helped educate people in their own self defence and in the process expanded trade unionism women's consciousness and civil liberties He also discusses the antimalarial effort under Mussolini's regime and reveals the shocking details of the German army's intentional release of malaria among Italian civilians the first and only known example of bioterror in twentieth century Europe Comprehensive and enlightening this history offers important lessons for today's global malaria emergency

Hieratic, Demotic and Greek Studies and Text Editions Cary J. Martin, Francisca A.J. Hoogendijk, Koenraad Donker van Heel, 2018-06-12 This volume is a Festschrift in honour of Sven Vleeming containing the contributions of thirty eight friends and colleagues often renowned specialists in their respective fields It includes the editions of fifty four new texts from Ancient Egypt that date from the 7th century BCE to the 2nd century CE and covers a very wide range of subjects in Abnormal Hieratic Demotic and Greek papyrology As such it reflects the equally wide range of knowledge of the scholar to whom this book is dedicated

Ancient Nubia Marjorie M.

Fisher, Peter Lacovara, Salima Ikram, Sue D'Auria, 2012-09-06 A lushly illustrated gazetteer of the archaeological sites of southern Egypt and northern Sudan and named a 2012 American Publishers PROSE Awards winner for Best Archaeology Anthropology Book For most of the modern world ancient Nubia seems an unknown and enigmatic land Only a handful of archaeologists have studied its history or unearthed the Nubian cities temples and cemeteries that once dotted the landscape of southern Egypt and northern Sudan Nubia's remote setting in the midst of an inhospitable desert with access by river blocked by impassable rapids has lent it not only an air of mystery but also isolated it from exploration Over the past century particularly during this last generation scholars have begun to focus more attention on the fascinating cultures of ancient Nubia ironically prompted by the construction of large dams that have flooded vast tracts of the ancient land This book attempts to document some of what has recently been discovered about ancient Nubia with its remarkable history

architecture and culture and thereby to give us a picture of this rich but unfamiliar African legacy **Christianizing Egypt** David Frankfurter, 2024-11-01 How does a culture become Christian especially one that is heir to such ancient traditions and spectacular monuments as Egypt This book offers a new model for envisioning the process of Christianization by looking at the construction of Christianity in the various social and creative worlds active in Egyptian culture during late antiquity As David Frankfurter shows members of these different social and creative worlds came to create different forms of Christianity according to their specific interests their traditional idioms and their sense of what the religion could offer Reintroducing the term syncretism for the inevitable and continuous process by which a religion is acculturated the book addresses the various formations of Egyptian Christianity that developed in the domestic sphere the worlds of holy men and saints shrines the work of craftsmen and artisans the culture of monastic scribes and the reimagination of the landscape itself through processions architecture and the potent remains of the past Drawing on sermons and magical texts saints lives and figurines letters and amulets and comparisons with Christianization elsewhere in the Roman empire and beyond Christianizing Egypt reconceives religious change from the conversion of hearts and minds to the selective incorporation and application of strategies for protection authority and efficacy and for imagining the environment **Mammisis of Egypt** Ali Abdelhalim Ali, Dagmar Budde, 2023-12-04 Birth Houses Mammisis are important components of late Egyptian temple complexes but have not been

investigated in detail since the fundamental study of Francois Daumas published in 1958 In the meantime new archaeological findings as well as re evaluations of theology and piety in Greco Roman Egypt have considerably expanded our traditional understanding of these extraordinary buildings Therefore reassessment of phenomena and expanded research approaches need to be undertaken This book presents the printed versions of the lectures given by international Egyptologists at the IFAO in Cairo on March 27 28 2019 as part of the 1st Colloquium on Mammisis of Egypt In the publication criteria and reconsiderations are put up for discussion that can be decisive for the identification and definition of Mammisis The spectrum of topics ranges from theological basics including the significant birth cycle and typical features through historical

development and cultic events to the architecture of these temple buildings Special motifs theoretical and iconographic concepts and finally the persistence of certain rites in modern Egypt are also covered One chapter introduces current scientific projects and their methods that are dedicated to selected mammisis or chapels Coptos Deir el Medina Edfu Kom Ombo Philae Bahariya Kellis Jebel Barkal Numerous illustrations complement the contributions They contain new material from excavations that is being published for the first time *Tombs of the South Asasif Necropolis* Elena Pischikova, 2014 Thebes Egypt Extinct city history *All Things Ancient Egypt* Lisa K. Sabbahy, 2019-04-24 Written by specialists in the field of Egyptology this book is a readable introduction to ancient Egypt covering all anticipated subjects and stressing the monuments and material culture of this remarkable ancient civilization The rich natural resources of ancient Egypt provided a wealth of raw material for its structures sculptures and art while its geographic isolation helped to ensure the survival of its rich culture for centuries While other references focus on the people and battles central to Egyptian history this reference explores the material culture and social institutions of ancient Egypt The book focuses on pharaonic Egypt covering the period from roughly 5000 BCE to the beginning of the Greco Roman Period in 320 BCE At the front of the work a timeline provides a quick look at the major events in Egyptian history and an introduction surveys ancient Egypt's physical geography and history Alphabetically arranged reference entries written by expert contributors then provide fundamental information about the buildings jewelry social practices and other topics related to the material culture and institutions that made up the Egyptian world Excerpts from primary source historical documents provide evidence for what we know about ancient Egyptian culture and suggestions for further reading direct users to additional sources of information **Tradition and Transformation. Egypt under Roman Rule** Katja Lembke, Martina Minas-Nerpel, Stefan Pfeiffer, 2010-05-03 In 30 BCE Egypt became a province of the Roman empire Alongside unbroken traditions especially of the indigenous Egyptian population but also among the Greek elite major changes and slow processes of transformation can be observed The multi ethnical population was situated between new patterns of rule and traditional lifeways This tension between change and permanence was investigated during the conference The last decades have seen an increase in the interest in Roman Egypt with new research from different disciplines Egyptology Ancient History Classical Archaeology Epigraphy and Papyrology providing new insights into the written and archaeological sources especially into settlement archaeology Well known scholars analysed the Egyptian temples the structure and development of the administration beside archaeological papyrological art historical and cult related questions **Thebes in the First Millennium BC** Julia Budka, Kenneth Griffin, Elena Pischikova, 2014-04-23 Thebes in the First Millennium BC is a collection of articles based mostly but not entirely on the talks given at the conference of the same name organised by the team of the South Asasif Conservation Project an Egyptian American Mission working under the auspices of the Ministry of State for Antiquities Egypt in Luxor in 2012 The organisers of the conference and editors of the volume Elena Pischikova Julia Budka and Kenneth Griffin brought together a

group of prominent scholars to share and discuss the results of their recent field research in the tombs and temples of the Twenty fifth Twenty sixth Dynasties in Thebes Abydos and Saqqara This volume assembles current studies on royal and elite monuments of the Libyan Kushite and Saite Periods and places them in a wider context This volume investigates such aspects of research as tomb and temple architecture burial assemblages religious texts paleography artistic styles iconography local workshops and archaism providing a new perspective to the current scholarship and future exploration of these topics The volume is further enriched by the inclusion of chapters on the conservation and preservation of monuments representing the present day approach to the development of archaeological sites

Karnak Elizabeth Blyth,2006-10-04 The first publication in English to provide an in depth examination including illustrations of the historical developments of the famous temple site Karnak from its early shrine to the greatest state temple of Ancient Egypt s mighty empire **Eos CVI (2019), fasc. 1**

Jakub Pigoń,Krzysztof Nawotka,2019-06-30 **Discourses of Travel, Exploration, and European Power in Egypt from 1750 to 1956** Valerie Kennedy,2022-12-08 This collection focuses on representations of Egypt between 1750 and 1956 Napoleon s Egyptian expedition of 1798 1801 failed in military terms but succeeded in focusing Western attention on the country The nation fascinated travellers because of its antiquity its monuments and its bazaars In the nineteenth century the typical itinerary for travellers included Alexandria Cairo the Pyramids and a journey by boat up the Nile to the temples of Luxor and others Some of the essays included in this volume focus on fiction by writers like Samuel Johnson and Charles Dickens or travel works by Florence Nightingale Lucie Duff Gordon and Gerard de Nerval Others analyse representations of Egypt by explorers American ex soldiers French painters British colonial administrators and sociologists and a Russian doctor investigating the efficacy of Muhammad Ali s reforms in relation to the plague There is also a discussion of the changes in nineteenth century Egyptian dress

Art of Empire Michael Jones (Archaeologist),Susanna McFadden,2015-01-01 This publication is made possible by the generous support of the American people through the United States Agency for International Development USAID Page v

Excavations at Mendes Donald Bruce Redford,Susan Redford,2019-09-16 The second volume of Excavations at Mendes furthers the publication of our archaeological work at the site of Tel er Rub a ancient Mendes in the east central Delta Mendes is proving to be one of the most exciting sites in the Nile Delta Occupied from prehistoric times until the Roman Period Mendes reveals the nature of a typical Late Egyptian city its distribution of economy and demography The discoveries reported on in this volume were wholly unexpected and bear meaning fully on Ancient Egyptian history these include the prosperity and size of the original Old Kingdom city the major contributions of Ramesses II and Amasis to the monumental nature of the city and the role of the city in the period c 600 100 B C as an entrepot for Mediterranean trade

The Priest and the Great King Lisbeth S. Fried,2004-01-01 The wars that periodically engulfed the Levant in the fourth century temporarily pulled the ruling governors and satraps away from Judah and during these times the Judaeen priesthood may have capitalized on the brief absence of Persian officials to mint coins but

they achieved their longed for independence only much later under the Maccabees BOOK JACKET

While this might not be the Temples Of The Last Pharaohs full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Temples Of The Last Pharaohs eBooks, including some popular titles.

FAQs About Temples Of The Last Pharaohs Books

What is a Temples Of The Last Pharaohs PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Temples Of The Last Pharaohs PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Temples Of The Last Pharaohs PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Temples Of The Last Pharaohs PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Temples Of The Last Pharaohs PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
