Shewing the Excellencies, Temptations, Graces, Duties, Etc. of the Christian Husbandman. Being the Substance of XII. Sermons ... Second Edition, Corrected, Etc** Richard STEELE (M.A.),1672 James Martha L. Moore-Keish,2019-09-24 The Letter of James is the focus of the latest commentary in the Belief series In the Letter of James the writer sends encouragement to the early church in the midst of the struggles and strife that marked its early days Theologian Martha L Moore Keish guides the reader through the brief but important letter most known for its discussion of the importance of actions to make a true life of faith The volumes in the Belief series offer a fresh and invigorating approach to all the books of the Bible Building on a wide range of sources from biblical studies and the Christian tradition noted scholars focus less on traditional historical and literary angles in favor of a theologically focused commentary that considers the contemporary relevance of the text **Previous Convictions at Sentencing** Julian V Roberts,Andreas von Hirsch,2014-10-01 This latest volume in the Penal Theory and Penal Ethics series addresses one of the oldest questions in the field of criminal sentencing should an offender s previous convictions affect the sentence Although there is an extensive literature on the definition and use of criminal history information the emphasis here is on the theoretical and normative aspects of considering previous convictions at sentencing Several authors explore the theory underlying the practice of mitigating the punishments for first offenders while others put forth arguments for enhancing sentences for recidivists **Silent War** Henry J. Rogers,2000-02 It is the world that author Henry Rogers reveals to us in a book that has too few peers The Silent War through interviews statistics and other facts traces the unraveling of American men by the claws of pornography Rogers chaplain for Interstate Batteries discusses his own battle with this terrible addiction then builds concrete steps for helping others climb out of the pit The Silent War is a lifeline in a world in love with evil **The Imitation of Christ; by Thomas À Kempis. Translated from the Latin, by John Payne. With an Introductory Essay, by Thomas Chalmers** ,1839 **The End of The Search** Marchette Chute,2016-10-27 With elegant simple language Ms Chute sets the tone for the entire book with her interpretation of the Act of the Apostles in everyday terms She describes the rest of the Letters and their authors showing how of the move from the shadow of truth into the light of full understanding led by their desire in search of an encounter with the Divine Chute unlock the mystery of the Book of Revelation by giving the reader a sense of John s view of God and His relationship to man John s summation of the Book of Revelation can be said in nine words God is Light God is Love Rather like a mathematician with a single idea John s writings are about the destruction of the darkness by the light The Book of Revelation is a record of the destruction of darkness now the search is ended and we may encounter the Divine In plain language John writes a story of mental warfare light which is full knowledge of God and darkness which is the ignorance of God When the mental warfare is

Beyond the Call of Duty Gregory Mellema, 1991-01-01 A surprisingly large number of people have

denied that it is possible for human moral agents to act in such a way as to go beyond or transcend what moral duty or obligation requires of them Some of this opposition to the possibility of supererogation as it is called has been motivated by theological concerns This book surveys the concerns of Luther Calvin and Melanchthon as they react to certain teachings of the Roman Catholic Church as well as the concerns of several contemporary theologians It also examines some contemporary philosophers whose concerns have grown out of a commitment to a Kantian utilitarian or prescriptive type of ethics and urges that there are valuable lessons to be learned from these theologians and philosophers At the same time it is argued that some of their concerns are the result of a mistaken idea of what it means to perform an act of supererogation In addition it is argued that some of their concerns can be addressed in ways that do not require a denial of the possibility of going beyond the call of duty in human life This stage of the argument involves a discussion of virtue ethics and an examination of the concept of vocation particularly as it has developed in Protestant thought and illustrates the relevance of virtue and vocation to the problem of supererogation
