Poems Siddharth Shrivastav,2020-12-02 Ever had coffee at 3 AM while staring at the rain and wondered about the person you loved or the fact that randomness is omnipresent like God but we never saw it or spent time on a bench and enjoyed the view of lonely path Read about all these and much more in this book **Psychotic Temptation** Liliane

Abensour,2013-02-11 How can we understand the pull towards that which we fear psychosis In this thought provoking book Abensour proposes the idea of a temptation towards psychosis rather than a regression as a response to the hatred or denial

of the subject's origins. She shares her reflections on her psychoanalytic work with psychotic patients focusing on their struggle to achieve a coherent sense of a self that can inhabit a shared world. Abensour locates this struggle within the universal human struggle to achieve a balance between what we can and cannot allow ourselves to know about the reality of death and of our insignificance in the world.
