**Understanding** John Gagaoudakis, 2017-06-16 Always loved to think about everything I could think about If I had to believe in something I had to prove it was the wise and correct thing and also it had to work out perfectly with everything else just as in math Anything we believe in math we had to prove it before I notice that there are a lot of problems in the world because there is not enough understanding Love for example disappears in front of our eyes if there is not enough understanding I thought that love and understanding are a great pair They will never get divorced You guessed it because there is understanding My aim is to help people think more and try to understand more and more before we say or do something that can hurt others
