Hide & Seek Suman Sharma,2019-02-25 All of us involuntarily play hide and seek in our emotional lives We tend to hide love jealousy anger or sadness for some valid reasons and seek inside and outside something beyond our reach and lost in this vast world Hide and Seek is a collection of poems that reflect on relationships mundane affairs dreams aspirations and sweet and sour chance meetings in the life A few poems are a fusion of engineering and literature As always two prominent emotions of love and hatred are often portrayed Can love be programmed Can envy be flow charted Can anger be modelled Can a lie hide the truth Ready or not here I come with my poems Play a humble game and enter the realm of poetry to put reins to your wandering mind Ride the roller coaster of life and have chance encounters of different kind Bridge the gap between dream and reality No bar on day dreaming No complicated tough words and rules Hear no evil Beware of myths dark web and the delusion of charlatans You will also like to splash in puddles of humour sometimes but not always Finally your conscience will be free from robotic control So enjoy my maiden and modest effort
