Commandments breaks the 10 Commandments into two main divisions commandments about our relationship to God and commandments about our relationship to other people This pamphlet is also a great resource on the history of the commandments and why The Ten Commandments were revolutionary for their time     **Ten Commandments** John C. Williams,2012-11 God has given us ten simple rules to follow that we may have life and have it more abundantly From the time He unveiled the Ten Commandments to the children of Israel at Mount Sinai until now God s people have been identified by the fact that they follow His commandments The Ten Commandments are the Christian s code of conduct that separates us from the rest of the world and serves as a barometer of our allegiance to the Creator of the universe Ten Commandments The Christian Code of Conduct examines the commandments of God and how they apply to the Christian life The book also addresses one of the most misunderstood commandments the fourth commandment and the call to observe the biblical Sabbath Many Christians differ on their interpretation of this commandment but through a clear study of the Bible this book points to the truth of the Sabbath and the importance for Christians to follow all ten commandments As the end of the world draws near those who will be ready for Christ s return are those who keep the commandments of God and the faith of Jesus Rev 14 12 May God s followers be found keeping all ten of His commandments     Jesus Wrote the Ten (10) Commandments. Metusela F. Albert,2021-01-22 Metusela F Albert says When you know the truth you will easily know the error s But if you don t know the truth you will not know the error s This book is going to blow your mind with exclusive truth that has been hidden for decades because it was not understood by the mainline Christian Protestant Churches and denominations Read it for yourself and stop being deceived by your own church You are going to learn something that you had not known before about JESUS in the Old and New Testaments and his two natures during his incarnation on earth Did you not know yet that the Almighty God of Abraham did not have a Son in heaven called Jesus Did you Really Of course JESUS was the Almighty God of Abraham before his incarnation through Mary at Bethlehem HE alone created the heaven and the earth There is no other God besides him None before him and after him Worship is due to JESUS alone He was the Father who became the Son of God through Mary at Bethlehem by the incarnation process While JEHOVAH was in human flesh called Jesus he did not cease from being God the Father As an immortal God from eternity Jesus Christ s divinity cannot die Therefore only his humanity died at Calvary I am the author of these three Books Book 1 15 Reasons Why Babies Aren t Born Sinners Book 2 JESUS was the Almighty God of Abraham HE alone created heaven and earth Book 3 JESUS wrote the Ten Commandments He abolished none at Calvary     **The 10 Commandments Then and Now** Robert M. West,2013-05-01 Most everyone s heard of the Ten Commandments but what are they really all about Find out with The Ten Commandments Then and Now This new study views God s ancient law handed down to Moses at Mount Sinai from the perspective of twenty first century Christian faith The Ten Commandments contain both timeless moral laws and rules that help us understand and relate to God The apostle Paul said We know that the law is good if a man uses it properly 1 Timothy 1 8 niv and since Jesus

came to fulfill the law Matthew 5:17 a study of the Ten Commandments can reveal truths to encourage challenge and build us up in our faith     The Ten Commandments Henry Sloane Coffin, 1915     **A Doubter's Guide to the Ten**

**Commandments** John Dickson, 2016-06-07 The Ten Commandments have influenced non religious Western culture more than it might imagine This guide to the famous rules does more than explain what they are or what they say but why we need them This moral code in the Old Testament of the Bible from which sprang ideas of justice compassion human rights and freedom has had such a strong impact on our society that it seems to represent what most of us think of as basic ethical reasoning Even atheists like Richard Dawkins have offered up their own version of the Ten Commandments and the strange thing is that many of them don't stray very far from the ethical teachings of Moses and Jesus Bestselling author and apologist John Dickson explores how these ten rules have changed our world and how they show us what the Good as Socrates called it looks like in practice Whether or not one believes in the Bible these ten ancient instructions open a window to Western thought and civilization and to our own souls In each chapter Dickson unpacks one of the ten famous commandments to show how they're not simply outdated rules but apply directly to our lives today Along the way he discusses broader philosophical implications such as Why do humans try to be good at all What's the point of ethics and why do we systematically seek them out Why the Ten Commandments have outlived the moral codes of the ancient world such as the Code of Hammurabi and the Maxims of Delphi What does the Bible actually say about punishment and reward How the teachings of Jesus relate to the much older instructions of Moses     The Ten Commandments Billy Graham, Billy Graham Evangelistic Association, 2005
