# Ten Minutes To Buffalo The Story Of Germanys Great Escaper

**Arthur James Wells**

## **Ten Minutes To Buffalo The Story Of Germanys Great Escaper:**

**Ten Minutes to Buffalo** Ulrich Steinhilper, Peter Osborne, 1991 Sequel to Spitfire On My Tail the courageous story of Steinhilper's experiences as a German Prisoner Of War POW in Canada and the USA and his three escape attempts *Axis Prisoners of War in Kentucky* Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky's crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory

*Axis Prisoners of War in Tennessee* Antonio S. Thompson, 2023-03-09 During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee's role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee *Prisoners of War* Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war

Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy Men in German Uniform Antonio Thompson, 2010-11-16 Examining the largest prisoner of war handling operation in U S history this book offers a meticulous account of the myriad history this book offers a meticulous account of the myriad problems as well as the impressive successes that came with problems as well as the impressive successes that came with housing 371 000 German POWs on American soil during World War II Antonio Thompson draws on extensive archival research to probe the various ways in which the U S government strove to comply with the Geneva Convention s mandate that enemy prisoners be moved from the war zone and given food shelter and clothing equal to that provided for American soldiers While the prisoners became a ready source of manpower for the labor starved American home front and received small wages in return their stay in the United States generated more than a few difficulties which included not only daunting logistics but also violence within the camps Such violence was often blamed on Nazi influence and control however as Thompson points out only a few of the prisoners were actually Nazis Because the Germans had cobbled together military forces that included convicts their own POWs volunteers from neutral nations and conscripts from occupied countries the bonds that held these soldiers together amid the pressures of combat dissolved once they were placed behind barbed wire When these men in German uniform who were not always Germans donned POW garb their former social racial religious and ethnic tensions quickly reemerged To counter such troubles American authorities organized various activities including sports arts education and religion within the POW camps some prisoners even participated in an illegal denazification program created by the U S government Despite the problems Thompson argues the POW housing program proved largely successful as Americans maintained their reputation for fairness and humane treatment during a time of widespread turmoil The Gilded Cage Cecil J. Porter, 2003

Whitaker's Book List ,1991      **German Jackboots on Kentucky Bluegrass** Antonio Scott Thompson,2008 German Jackboots on Kentucky Bluegrass tells Kentucky s story of housing working and entertaining German Prisoners during the Second World War It is a must read for anyone interested in the Geneva Convention and humane treatment during a time of great conflict      The British National Bibliography Arthur James Wells,1992      **Whitaker's Books in Print** ,1998      **The Great Escaper** Simon Pearson,2021-05-04 A Sunday Times bestseller the real story behind the mastermind of the most famous breakout in history The Great Escape While the most famous images from the 1963 film The Great Escape include either a motorcycle or a ball but definitely Steve McQueen Richard Attenborough played the part of Big X the British mastermind behind the greatest escape in history Like the subject of the film Big X was a real person Roger Bushell was the mastermind of the mass breakout from Stalag Luft III in March 1944 Very little was known about Bushell until 2011 when his family donated his private papers to the Imperial War Museum Through exclusive access to this material as well as new research from other sources Simon Pearson has written the first biography of this iconic figure Born in South Africa in 1910 Roger Bushell was the son of a British mining engineer On May 23 1940 his Spitfire was shot down during a dogfight over Boulogne after destroying two German fighters Over the next four years he made three escapes coming within one hundred yards of the Swiss border during his first attempt His third and last escape destabilized the Nazi leadership and captured the imagination of the world forever immortalized by Hollywood Simon Pearson s revealing biography is a vivid account of war and love triumph and tragedy and one man s attempt to challenge remorseless tyranny in the face of impossible odds      *The Great Escaper* Simon Pearson,2013-08-21

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Ten Minutes To Buffalo The Story Of Germanys Great Escaper full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Ten Minutes To Buffalo The Story Of Germanys Great Escaper eBooks, including some popular titles.

## **FAQs About Ten Minutes To Buffalo The Story Of Germanys Great Escaper Books**

**What is a Ten Minutes To Buffalo The Story Of Germanys Great Escaper PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ten Minutes To Buffalo The Story Of Germanys Great Escaper PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ten Minutes To Buffalo The Story Of Germanys Great Escaper PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ten Minutes To Buffalo The Story Of Germanys Great Escaper PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ten Minutes To Buffalo The Story Of Germanys Great Escaper PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
