12 Steps of Relationship and Freedom Candidus Nwadike, 2018-12-14. The book *12 Steps of Relationship and Freedom* explains the history of the fall of man after the coup d'état in heaven. At Eden, God won the redemption of humanity by the prototype garment, Genesis 3:21, for protection. The incident continues onward to provide a piece of advice about why we should be on alert and vigilant and what to do about an abusive relationship and depression. This is a true story. Each chapter is filled with inspiration on the journey to freedom. Along the way is an in-depth explanation of some biblical truth and ways to overcome it all for instance, grudge and unforgiveness. Abraham had been applauded for having great faith. Where did his faith come from? Religion must have a substance. Abraham's faith has an element from a city. Find out the name. Can a negative past have a stronghold on you? The book explains how it should not. The promise is much easier to obtain than some may think or do.

The Rebuilt Field Guide Michael White, Tom Corcoran, 2016-10-10. You know your Catholic parish needs to change its focus but you're not sure where or how to begin. In *The Rebuilt Field Guide*, award-winning authors Rev Michael White and Tom Corcoran walk you through ten essential steps for getting started with your church's reawakening. After publishing their groundbreaking book *Rebuilt* in 2013 about the rebirth of the Church of the Nativity in Timonium, Maryland, Fr Michael White and Tom Corcoran were inundated with requests for help from other Catholic parishes about where to start. Subsequent books in the *Rebuilt Parish* series, *Tools for Rebuilding*, *Rebuilding Youth Ministry*, and *Rebuilding Your Message* offer additional means to reach the end goal of making church matter and growing disciples by challenging the faithful and reaching the lost with the life-changing message of Jesus Christ. In the newest book in the *Rebuilt Parish* series, White and Corcoran lead you and your leadership team through assessment and goal setting exercises and provide meeting templates that include prayer, scripture reflection, storytelling, and rally cries that become reminders of the change the team is striving toward. This workbook offers practical steps that will help your team set change in motion with tools including a checklist that helps identify the real problems facing your parish and seven questions to help you prioritize them. A seven-part exercise to help you decide which parish activities do not support your disciple making.

mission and then make a plan to stop doing them A simple focused demographic assessment to help you identify your own Timonium Tim A discussion and planning guide for moving toward great liturgical music Seven conversation starters to help your team set a course for dealing with the conflict that inevitably comes with change The exercises are adapted from those used at Church of the Nativity and correlate to the chapters of Rebuilt The book will show you how to stop everything you are doing rethink your purpose and focus your attention on discipleship and evangelization **Divine Intention** Larry Shallenberger,2010-01-01 When a group of people practice something for two thousand years the expectation is that they d eventually get whatever it was they were committed to doing right But the fact is that we as individuals and as a corporate community are still struggling with many of the issues that plagued the early church Larry Shallenberger takes a fresh look at the book of Acts to help you gain a deeper understanding of how God moved in the early church and what that means for you today **Above All** J.D. Greear,2019-06-01 Is gospel Christianity dead Pundits are writing the obituary of historic orthodox Christianity but pastor and author J D Greear Gospel Stop Asking Jesus into Your Heart believes the postmortems are premature Jesus promised to build his church He said that the gates of hell would not prevail against it The church is not going away Along with this promise Jesus gave clear instructions for how the church would prevail He promised to build it on the rock of the gospel The most pressing need for Christianity today is not a new strategy It is not an updated message It is a return to keeping the gospel above all *10 Great Ideas from Church History* Mark R. Shaw,2013-09-07 Mark Shaw offers ideas from the most significant Christian leaders of the last five hundred years including Martin Luther John Calvin Jonathan Edwards William Carey John Wesley Richard Baxter and Dietrich Bonhoeffer
