## **Tenants Revenge:**

*Tenant's Revenge* Andy Kane, 1982-10 Now Andy Kane evens the score in the battle of tenants vs landlords When Kane wrote *Care get more heat break a foolproof lease beat a landlord in court wipe out cockroaches and order repairs and redecorations at the landlord's expense* *The Bodyguards of Lies* Christopher Whelan, 2022-10-20 This book uses real world examples case studies and commentary from practitioners to reveal the many and varied strategies American and English lawyers use to protect truth It shows how they tackle their conflicting duties and highlights the tragic choices lawyers everywhere routinely make through their power of decision What emerges are new ways of understanding the critical role lawyers play in society and their professional responsibilities Truth is so precious it should always be protected by a bodyguard of lies Churchill said this about wartime deception plans but lawyers clients may think their truth especially an inconvenient truth is so precious it too should be protected Lawyers are bodyguards of lies when they use so called tricks of the trade not only to keep clients secrets but to construct a reality that is far from real But should they Lawyers have a divided loyalty The book presents a unique and fascinating account of what happens when lawyers duties to clients conflict with their duties to the legal system and looks in detail at the ethical codes and laws that regulate their conduct [How to Buy and Manage Rental Properties](#) Mike Milin, Irene Milin, 1988-06-15 Devoted to the beginning or small real estate owner or manager this guide offers a complete program in which tenants self manage the property and explains how to attract and keep good tenants obtain maximum rent and simplify bookkeeping **The Tenants** Bernard Malamud, 2024-09-04 With a new introduction by Aleksandar Hemon In *The Tenants* 1971 Bernard Malamud brought his unerring sense of modern urban life to bear on the conflict between blacks and Jews then inflaming his native Brooklyn The sole tenant in a rundown tenement Henry Lesser is struggling to finish a novel but his solitary pursuit of the sublime grows complicated when Willie Spearmint a black writer ambivalent toward Jews moves into the building Henry and Willie are artistic rivals and unwilling neighbors and their uneasy peace is disturbed by the presence of Willie's white girlfriend Irene and the landlord Levenspiel's attempts to evict both men and demolish the building This novel's conflict current then is perennial now it reveals the slippery nature of the human condition and the human capacity for violence and undoing **Housing Betterment**, 1924 **Defying the Law of the Land** Brian Casey, 2013-08-01 This history of Ireland is inextricably linked with our relationship with the land In this book based on extensive research and investigation the authors examine some of the key figures in Irish agrarian agitation and change Looking at the Land League the Knights of the Plough the perception and reality of the Irish Landlords this is an important book which makes a significant contribution to our understanding of the nature of the land question in Irish history **Against Landlords** Nick Bano, 2024-03-26 Housing means prosperity and security for some poverty precarity and sickness for others More people live in private rented accommodation than ever before and rents rise without apparent reason Homes are smaller every year and nearly 20 per cent of tenants live in hazardous conditions

Homelessness is at a new high Yet the government s only solution is to promote homeownership Against Landlords shows that this crisis is not the product of happenstance or political incompetence Government policy has intentionally split British citizens into homeowners and renters two classes set on very different financial paths In the UK one out of every twenty one adults is a landlord and it is this group and those who aspire to join it represented by the political class In his radical new interpretation of the housing crisis lawyer Nick Bano explains how this environment set the conditions for the Grenfell Tower fire and how it means a life of anxiety for the nation s renters It is a problem that stretches far beyond London and one inherently racist in nature Building more housing is not the solution It is firstly a problem of the law Bano argues and reforms must sweep away the landlordism at the heart of the housing crisis and British political life **Violence as a Generative**

**Force** Max Bergholz,2016-11-29 During two terrifying days and nights in early September 1941 the lives of nearly two thousand men women and children were taken savagely by their neighbors in Kulen Vakuf a small rural community straddling today s border between northwest Bosnia and Croatia This frenzy in which victims were butchered with farm tools drowned in rivers and thrown into deep vertical caves was the culmination of a chain of local massacres that began earlier in the summer In Violence as a Generative Force Max Bergholz tells the story of the sudden and perplexing descent of this once peaceful multiethnic community into extreme violence This deeply researched microhistory provides provocative insights to questions of global significance What causes intercommunal violence How does such violence between neighbors affect their identities and relations Contrary to a widely held view that sees nationalism leading to violence Bergholz reveals how the upheavals wrought by local killing actually created dramatically new perceptions of ethnicity of oneself supposed brothers and those perceived as others As a consequence the violence forged new communities new forms and configurations of power and new practices of nationalism The history of this community was marked by an unexpected explosion of locally executed violence by the few which functioned as a generative force in transforming the identities relations and lives of the many The story of this largely unknown Balkan community in 1941 provides a powerful means through which to rethink fundamental assumptions about the interrelationships among ethnicity nationalism and violence both during World War II and more broadly throughout the world *Streetwise Landlording & Property Management* Mark B Weiss,Dan
