

Right of First Refusal Agreement

This is an agreement that grants its holder the right to accept or decline an offer for certain property before it can be offered to third parties. The holder does not have an obligation to accept the offer, they simply have the right to be the first party that gets the opportunity to enter into the specific transaction. This agreement defines the property subject to the agreement as well as providing the holder with a grace period when they can accept or decline the offer. This agreement can be used by small businesses or other entities that want to have the option to enter into a business transaction before it is offered to the general public.
