Tennessee A Celebration Of 200 Years Of The University:

Tennessee Betsey Beeler Creekmore,1994-01-01 **University of Tennessee** Aaron D. Purcell,2007-10-31 In 1794 two years before Tennessee became a state the legislature of the Southwest Territory chartered Blount College in Knoxville as one of the first three colleges established west of the Appalachian Mountains In 1807 the school changed its name to East Tennessee College The school relocated to a 40 acre tract known today as the Hill in 1828 and was renamed East Tennessee University in 1840 The Civil War literally shut down the university Students and faculty were recruited to serve on battlefields and troops used campus facilities as hospitals and barracks In 1869 East Tennessee University became the states land grant institution under the auspices of the 1862 Morrill Act In 1879 the state legislature changed the name of the institution to the University of Tennessee By the early 20th century the university admitted women hosted teacher institutes and constructed new buildings Since that time the University of Tennessee has established campuses and programs across the state Today in addition to a rich sports tradition the University of Tennessee provides Tennesseans with unparalleled opportunities **Ency of Library and Inform Sci 2e V4 (Print)** Miriam A. Mattingly,Earl C. Hudson,2013-02-21 The band blares Rocky Top and the crowd roars as the University of Tennessee football team storms out of the tunnel and onto the field through the giant T their beloved mascot Smokey leading the way The iconic Bluetick Coonhound has been part of the pageantry and tradition at the University of Tennessee since 1953 delighting fans both young and old For this entertaining and enlightening book UT sports historian Thomas J Mattingly has teamed up with longtime Smokey owner Earl C Hudson to tell the stories of the nine hounds that have been top dog on campus for more than half a century It was the Rev Bill Brooks Hudson s brother in law whose prize winning dog Brooks Blue Smokey became the first mascot by winning a student body led contest at a home football game in 1953 The Coonhound breed was selected because it was native to the state and several no one remembers exactly how many were brought onto the field at halftime to compete But Smokey stole the show when he threw back his head and howled The crowd cheered and Smokey howled again The raucous applause and barking built to a frenzy The enthusiastic hound won the hearts of the Volunteer faithful that day and he and the dogs that followed have remained among the University of Tennessee s most popular symbols ever since The authors have interviewed Smokey s former handlers university archivists sports journalists and local historians as well as legions of longtime fans Their

recollections provide not only the background of the mascot but a history of UT athletics as well Vol fans will enjoy reading about Smokey's adventures throughout the years from his kidnapping in 1955 by mischievous Kentucky students to his confrontation with the Baylor Bear at the 1957 Sugar Bowl to the time he suffered heat exhaustion at the 1991 UCLA game and was listed on the Vols injury report until his return later in the season Filled with photographs and memorabilia including vintage game programs football schedules letters cartoons and more this book brings to life the magic of UT football and the endearing canines that have become such an indispensable part of the experience THOMAS J MATTINGLY is the author of Tennessee Football The Peyton Manning Years The University of Tennessee Football Vault The Story of the Tennessee Volunteers 1891 2006 The University of Tennessee All Access Football Vault and The University of Tennessee Trivia Book He writes about Vol history on his Knoxville News Sentinel blog The Vol Historian EARL C HUDSON's family have cared for the Smokeys since 1994 *Bearing the Torch* T.R.C. Hutton, 2023-08-18 *Bearing the Torch* stands as a comprehensive history of the University of Tennessee replete with anecdotes and vignettes of interest to anyone interested in UT from the administrators and chancellors to students and alums and even to the Vols fans whose familiarity with the school comes mainly from the sports page It is also a biography of a school whose history reflects that of its state and its nation The institution that began as Blount College in 1794 in a frontier village called Knoxville exemplifies the relationship between education and American history This is the first scholarly history of UT since 1984 T R C Hutton not only provides a much needed update but also seeks to present a social history of the university fully integrating historical context and showing how the volume's central character the university itself reflects historical themes and concerns For example Hutton shows how the school's development was hampered in the early nineteenth century by stingy state funding a theme that also appears in subsequent decades and Jacksonian fears that publicly funded higher education equaled elite privilege The institution nearly disappeared as the Civil War raged in a divided region but then it flourished thanks to policies that never could have happened without the war In the twentieth century students embraced dramatic social changes as the university wrestled with race gender and other important issues In the Cold War era UT became a successful research institution and entered into a deep partnership with Oak Ridge National Laboratories that persists to this day All the while UT athletics experienced the highs of national championships and the lows of lawsuits and losing seasons UT is a university with a universe of historical experiences The University of Tennessee's story has always been defined by inclusion and exclusion and the school has triumphed when it practiced the former and failed when it took part in the latter *Bearing the Torch* traces that ongoing process richly detailing the University's contributions to what one president Joseph Estabrook called the diffusion of knowledge among the people **Rural Life and Culture in the Upper Cumberland** Michael Birdwell, W.
