*Brief History Of Economics, A: Artful Approaches To The Dismal Science (2nd Edition)* E Ray Canterbury,2010-12-02 Blending past and present this brief history of economics is the perfect book for introducing students to the field A Brief History of Economics illustrates how the ideas of the great economists not only influenced societies but were themselves shaped by their cultural milieu Understanding the economists visions lucidly and vividly unveiled by Canterbury allows readers to place economics within a broader community of ideas Magically the author links Adam Smith to Isaac Newton s idea of an orderly universe F Scott Fitzgerald s The Great Gatsby to Thorstein Veblen John Steinbeck s Grapes of Wrath to the Great Depression and Tom Wolfe s The Bonfire of the Vanities to Reaganomics The second edition is right up to date with a lively discussion of the economic crises of 2007 2010 Often humorous Canterbury s easy style will make the student s first foray into economics lively and relevant Readers will dismiss dismal from the science

*Civil War Flags of Tennessee* Stephen Douglas Cox,2024-01-12 Civil War Flags of Tennessee provides information on all known Confederate and Union flags of the state and showcases the Civil War flag collection of the Tennessee State Museum This

volume is organized into three parts Part 1 includes interpretive essays by scholars such as Greg Biggs Robert B Bradley Howard Michael Madaus and Fonda Ghiardi Thomsen that address how flags were used in the Civil War their general history their makers and preservation issues among other themes Part 2 is a catalogue of Tennessee Confederate flags Part 3 is a catalogue of Tennessee Union flags The catalogues present a collection of some 200 identified extant Civil War flags and another 300 flags that are known through secondary and archival sources all of which are exhaustively documented Appendices follow the two catalogue sections and include detailed information on several Confederate and Union flags associated with the states of Mississippi North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them Civil War Flags of Tennessee is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what can be found in its pages Unprecedented in its variety and depth Cox's work fills an important historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered

Sorting Out the New South City, Second Edition Tom Hanchett, 2020-01-08 One of the largest and fastest growing cities in the South Charlotte North Carolina came of age in the New South decades of the late nineteenth and early twentieth centuries transforming itself from a rural courthouse village to the trading and financial hub of America's premier textile manufacturing region In this book Thomas W Hanchett traces the city's spatial evolution over the course of a century exploring the interplay of national trends and local forces that shaped Charlotte and by extension other New South urban centers Hanchett argues that racial and economic segregation are not age old givens but products of a decades long process Well after the Civil War Charlotte's whites and blacks workers and business owners lived in intermingled neighborhoods The rise of large manufacturing enterprises in the 1880s and 1890s brought social and political upheaval however and the city began to sort out into a checkerboard of distinct neighborhoods segregated by both race and class When urban renewal and other federal funds became available in the mid twentieth century local leaders used the money to complete the sorting out process creating a sector pattern in which wealthy whites increasingly lived on one side of town and blacks on the other A new preface by the author confronts the contemporary implications of Charlotte's resegregation and prospects for its reversal

*Lincolmites and Rebels* Robert Tracy McKenzie, 2006-11-09 This text presents the story of the Civil War in Knoxville Tennessee a perpetually occupied bitterly divided southern town It documents the loyalties of more than half of the

townspeople identifies complex patterns of individual decisions and explores the agonizing personal decisions that the war made inescapable

**Brothers and Friends** Natalie Rishay Inman, 2017 By following key families in Cherokee Chickasaw and Anglo American societies from the Seven Years War through 1845 this study illustrates how kinship networks forged out of natal marital or fictive kinship relationships enabled and directed the actions of their members as they decided the futures of their nations Natalie R Inman focuses in particular on the Chickasaw Colbert family the Anglo American Donelson family and the Cherokee families of Attakullakulla Little Carpenter and Major Ridge Her research shows how kinship facilitated actions and goals for people in early America across cultures even if the definitions and constructions of family were different in each society To open new perspectives on intercultural relations in the colonial and early republic eras Inman describes the formation and extension of these networks their intersection with other types of personal and professional networks their effect on crucial events and their mutability over time The Anglo American patrilineal kinship system shaped patterns of descent inheritance and migration The matrilineal native system was an avenue to political voice connections between towns and protection from enemies In the volatile trans Appalachian South Inman shows kinship networks helped to further political and economic agendas at both personal and national levels even through wars revolutions fiscal change and removals Comparative analysis of family case studies advances the historiography of early America by revealing connections between the social institution of family and national politics and economies Beyond the British Atlantic world these case studies can be compared to other colonial scenarios in which the cultures and families of Europeans collided with native peoples in the Americas Africa Australia and other contexts
