The Road to Miami Martha Cobo M.S. M.H.C.,2020-06-04 The Road to Miami is a metaphor for the journey that you travel through life in achieving your life s purpose or goal Miami is the destination in which we strive to achieve either in our personal professional or spiritual life The Road to Miami is the result or the product of my experiences as an athlete of high competitive level coach and counselor Additionally the experiences of my clients that have been a life schooling of what works and does not work in the development of the fullest potential of an athlete My system consists of three keys which gives you a solid foundation for your mental game to achieve your highest potential not only in golf but also in life in general In addition to these three keys there are seven tools that allow you to improve each area of your mental game Enjoy your experience on the road that you choose towards your final destination as a golfer      **Authentic Tennis** Bill Lefko,Daniel Baird, Authentic Tennis uses a holistic feel based approach to tennis This Authentic approach makes the feel of the swing primary while the mechanical method tends to make body mechanics primary The mechanical method to the tennis swing emphasizes the form of the swing over the feel of the swing Feel is something that cannot be seen Each person s feel is completely unique and personal and the mechanical method does not recognize its immeasurable value For Authentic Tennis feel is its cornerstone and serves as the foundation of swing mastery Feel is an individual process that makes it un teachable through a mechanical system which separates the mind from the body However through mindfulness and awareness centered consciousness feel becomes an integrating process that allows for natural mind body Authentic Tennis was written to help the millions of coaches instructors and tennis players unlock their unlimited potential and to tap into one s natural state of learning No matter what your skill level this revolutionary approach to tennis is perfect for anyone who strives to reach their personal best on and off the court      *Engineering Entrepreneurship from Idea to Business Plan* Paul Swamidass,2016-10-26 This book shows engineers and scientists how to create new products that are income producing for themselves and for investors      **Addicted Customers How to Get Them Hooked on Your Company ,      Tennis Mental Game Secrets** Jan Stanski,2018-05-24 The role of psychology in tennis and how to advocate its use are practiced by world class specialists in mental preparation coaches and tennis players This book presents a passionate look at tennis people who are aware of this People who constantly search for ways to work with players even as the sport continuously evolves These include Jim Taylor Antoni Girod Lan Bale Jack Broudy Tom Veneziano Ed Tseng Andy Dowsett Johan Kriek Mark Holdstock Allistair McCaw and Patrick Mouratoglou The tennis coaches former players mental coaches and life coach have different perspective different point of views and opinions different attitude towards key and fundamental things in sport of tennis and mental aspects but also the evolving issues This book is also dedicated to the journey of world tennis not only for fans but for the psychology of sports enthusiasts and those who want to be a combination of these two disciplines seeking to know more      **CRM Project Management** Michael Gentle,2005-12-03 Once you have bought into the concepts

of customer relationship management and it is hard not to how do you separate the practically useful from the pie in the sky and then actually implement a project This handbook addresses implementation advocating an approach that is based in the real world and stressing the measurable goals and tactical uses of CRM The areas covered include building a realistic foundation for CRM critical success factors risk factors full risk analysis and case studies

**The Exceptionals** Kumar Mehta PhD,2021-01-05 What does it take to be the best To become an exceptional The exceptionals are the few individuals who have achieved an unparalleled mastery in their field They are the 1% of the 1% They have reached seemingly unreachable heights They may be athletes or entertainers who are household names or they may be people who have invented life saving drugs or won a Nobel Prize by making fundamental advances in knowledge Or they may have changed the world through science or music or business by influencing millions or perhaps billions of lives They are the people who have succeeded in being able to draw out the best talents they have within themselves and have maximized the physical mental and social potential available to them The Exceptionals is their story and it provides you with the blueprint to advance yourself from good to great and from outstanding to elite
