Tenth Month:

Command the Month @ the Midnight Gate Anthony O. Akerele, 2014-01-03 Every month is peculiar and unique So is the gate of every month a midnight gate by western calendar system The name of the month numerical position and ordinal character in the calendar system are very important in advanced spiritual warfare My times are in your hands O Lord Employ these qualities and characteristics to speak by apostolic decrees to every month and the month shall yield you your portion Every month of the western world calendar has spiritual characteristics pointing to a definitely idolatrous background and origin This is not without consequence when it comes to the battle for the control of time Some spiritual powers are struggling to be in control of your time They pretend they have the time dedicated to themselves and can only release it for the use of man in exchange for worship Command the Month The Midnight Gate gives you the spiritual tools to take back the control and administration of time that the adversary has arrogated to himself Shall we war *The Englishman's Hebrew and Chaldee Concordance of the Old Testament* George Vicesimus Wigram, 1843 **Bureau Publication**, 1923

Friends' Weekly Intelligencer, 1871 **Infant Mortality** Elizabeth Ann Hughes, United States. Children's Bureau, 1922 *Infant Mortality* Anna Elizabeth Rude, Glenn Steele, Martha Travilla Speakman, United States. Children's Bureau, Anna Rochester, Nettie Pauline McGill, Elizabeth Ann Hughes, 1922 **A Severe Mercy** Mark J. Boda, 2009-06-30 The biblical theological approach Boda takes in this work is canonical thematic tracing the presentation of the theology of sin and its remedy in the canonical form and shape of the Old Testament The hermeneutical foundations for this enterprise have been laid by others in past decades especially by Brevard Childs in his groundbreaking work But *A Severe Mercy* also reflects recent approaches to integrating biblical understanding with other methodologies in addition to Childs's Thus it enters the imaginative space of the ancient canon of the Old Testament in order to highlight the word views and literary shapes of the texts taken individually and as a whole collection For the literary shape of the individual texts it places the word views of the dominant expressions and images as well as various passages in the larger context of the biblical books in which they are found For the literary shape of the texts as a collection it identifies key subthemes and traces their development through the Old Testament canon The breadth of Boda's study is both challenging and courageous resulting in the first comprehensive

examination of the topic in the 21st century The Life of Jamgon Kongtrul the Great Alexander Gardner, 2019-07-30 The first ever extensive biography of Tibet's most famous nonsectarian Buddhist lama Known as the king of renunciates Jamgon Kongtrul Lodro Taye 1813-1899 forever changed the face of Buddhism through collecting, arranging and disseminating the various lineage traditions of Tibet across sectarian lines His extensive treasury collections of profound Buddhist teachings continue to be taught and transmitted throughout the Himalayas by all major traditions and represent the breadth and profundity of Tibetan Buddhist philosophy and practice Jamgon Kongtrul was a polymath, dedicated retreatant, ritual expert, writer and teacher from the eastern Tibetan kingdom of Derge During the nineteenth century while central Tibet experienced extreme sectarian divides Jamgon Kongtrul along with Jamyang Khyentse Wangpo and Chokgyur Lingpa set about collecting teaching and transmitting the major practice traditions found in Tibet Their activity, much of which did not adhere to the traditional divides of the Tibetan schools and included both tantric lineages coming from India as well as Tibetan treasure (terma) lineages is one of the finest examples of Tibetan ecumenism or Rimay and Jamgon Kongtrul is perhaps the most famous among Tibet's Rimay masters This is the most accessible work available on Jamgon Kongtrul's life, writings and influence written as a truly engaging historical biography Alexander Gardner provides an intimate glimpse into the life of one of the most important Tibetan Buddhist teachers to have ever lived *Bucolicorum ecolgas decem* Virgil, 1749 **A Year in Seventeenth-Century Kyoto** Gerald Groemer, 2022-12-31 Before the twentieth century Japanese religious and cultural life was shaped by a variety of yearly ceremonies, festivals and customs These annual events, *nenju gyoji*, included Shinto festivals in which participants danced through the night to boisterous music and Buddhist temple practices that honored deities, great priests or temple founders with solemn rituals and prayers and sometimes when the Buddha was invoked, raucous dancing Temples also hosted popular fairs where holy objects and artwork were displayed to the faithful and curious Countless other celebrations were held annually at the residences of the nobility and military elite and at commoner domiciles Kyoto, the imperial and cultural capital since the eighth century, was the center of many of these events From Kyoto, festivals, rituals and celebrations diffused to other parts of the land, ultimately shaping religious, artistic and everyday life as a whole By the seventeenth century the Kyoto public wished to inform itself more accurately about *nenju gyoji* and their dates and meanings As a result, a growing number of guidebooks and almanacs were written and published for the urban populace This volume is the first to present translations of two such publications Introductory chapters explain Japanese conceptions of time and space within which annual celebrations took place and outline how ceremonies and festivals in and about Kyoto were chronicled, described and interpreted from the earliest times to the seventeenth century The final two chapters offer annotated translations of writings from the seventeenth century that catalogue and describe the dates, sites, meanings and histories of many Kyoto annual events The two works, one largely historical, the other more ethnographic in nature, indicate not only when and where observances and commemorations took place but also how their authors understood the

significance of each Both translations feature a large number of illustrations depicting events as they appeared in Kyoto at the time A Critical Guide to the Kwangtung Provincial Archives Deposited at the Public Record Office of London David Pong,2020-03-17 Catalogues approximately 2 000 documents from the Kwangtung Provincial Archives that are now deposited at the Public Record Office of London These documents were captured at Canton on January 5 1858 when the city fell to British and French forces Topics include military matters finance education and government administration
