**Ad30-ad2200 (hb)** ,2001      **En pos del tercer milenio.Apocalíptica, mesianismo, milenarismo e historia** Adeline (et al.) Rucquoi,2000      *A Visible Witness* Jules A. Martinez-Olivieri,2016-06-03 *A Visible Witness* presents a fresh innovative perspective on a vital movement in twentieth century theology Protestant theology in Latin America emerged over fifty years ago side by side with the initial development of Roman Catholic liberation theology Both traditions have common theological interests the praxical nature of theology Christology and soteriology Protestants also share some of the fundamental intuitions of liberation theology the centrality of praxis in Christian life and the priority of opting for the suffering masses Key Protestant theologians like Jos M guez Bonino Nancy Bedford and Guillermo Hansen challenged Protestant theology in Latin America to develop a Trinitarian hermeneutic for Christology in order to see the work of salvation as the work of the triune God and to relate Christology and pneumatology in ways that fundamentally shape the praxis of the church This dissertation takes on this challenge and proposes a theodramatic Christology that serves to ground the Christian notion of salvation as historical liberation and the church s participation in the present experience of redemption in the Trinitarian and economic work of Jesus Christ The ecclesia of believers participates in God s communicative activity via union with Christ the community of disciples becomes a theater of liberation      **Remembering Oscar Romero and the Martyrs of El Salvador** John Thiede,2017-05-25 With the Beatification of Monse or Oscar Romero our current Pope Francis has asked theologians to consider how we might allow for an expanded definition for martyrdom in the 21st century *Remembering Oscar Romero and the Martyrs of El Salvador* responds to that challenge How do we name Oscar Romero Rutilio Grande the U S churchwomen and the Jesuits and two laywomen killed at the UCA as martyrs Is it a new category with a new definition Or is it simply an amplification of what we have long considered Christian witness While there is a long history of martyrdom in Latin America this book elaborates on four case studies for martyrdom focusing on the reality in El Salvador Rutilio Grande S J killed in 1977 Archbishop Oscar Romero killed in 1980 the U S churchwomen killed in 1980 and the six members of the UCA Jesuit community and their two female collaborators killed in 1989 Insights from the work of Jon Sobrino illuminate these case studies First his Christological insights from Jesus the Liberator and Christ the Liberator are used to analyze the reality of martyrdom particularly in reference to the terms martyr crucified people and martyred people Second his more recent articles challenge a strict interpretation of the traditional definition of martyrdom especially focusing on his terms Jesuanic martyr a martyr for justice and even a more polemic suggestion of an anonymous Christian martyr Finally the book concludes by combining Sobrino s insights and the reality of martyrdom today updated with the recent scholarship in Romero s beatification process which attempts to show Romero as a martyr In the end the book hopes to offer some suggestions for an

expanded definition of martyrdom in the 21st century By responding to the call of Pope Francis for an expanded definition the reality of martyrdom in Latin America might be better understood and applied to the universal church **Diálogos**
