Palmer, Stanley M. Burgess, 2020-04-13 The Wiley Blackwell Companion to Religion and Social Justice brings together a team of distinguished scholars to provide a comprehensive and comparative account of social justice in the major religious traditions The first publication to offer a comparative study of social justice for each of the major world religions exploring viewpoints within Christianity Islam Judaism Hinduism Buddhism and Confucianism Offers a unique and enlightening volume for those studying religion and social justice a crucially important subject within the history of religion and a significant area

of academic study in the field Brings together the beliefs of individual traditions in a comprehensive explanatory and informative style All essays are newly commissioned and written by eminent scholars in the field Benefits from a distinctive four part organization with sections on major religions religious movements and themes indigenous people and issues of social justice from colonialism to civil rights and AIDS through to environmental concerns *Six Stages on the Spiritual Path* Ruth Whitney,2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe **The World's Religions** Peter B. Clarke,Peter Beyer,2009-05-07 This comprehensive volume focuses on the world's religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent

Death, Religion and Law Peter Hutton,Ravi Mahajan,Allan Kellehear,2019-11-01 This practical guide summarizes the principles of working with dying patients and their families as influenced by the commoner world religions and secular philosophies It also outlines the main legal requirements to be followed by those who care for the dying following the death of the patient The first part of the book provides a reflective introduction to the general influences of world religions on matters to do with dying death and grief It considers the sometimes conflicting relationships between ethics religion culture and personal philosophies and how these differences impact on individual cases of dying death and loss The second part describes the general customs and beliefs of the major religions that are encountered in hospitals hospices care homes and home care settings It also includes discussion of non religious spirituality humanism agnosticism and atheism The final part outlines key socio legal aspects of death across the UK *Death Religion and Law* provides key knowledge discussion and reflection for dealing with the diversity of the everyday care of dying and death in different religious secular and cultural

contexts It is an important reference for practitioners working with dying patients their families and the bereaved *Sin* Gregory Mellema,2021-08-15 This book brings clarification to our understanding of the nature of sin and will be of interest to nonphilosophers as well as philosophers Most of the scholarly literature on sin has focused on theological issues making book length philosophical treatments of the topic hard to find *Sin* the newest contribution by Gregory Mellema fills the gap by providing a short and lively summary of what contemporary philosophers are saying about the relationship between the traditional theological category of sin and contemporary philosophical ethics Mellema brings together contributions by a number of philosophers including Marilyn Adams Robert Adams Rebecca DeYoung Alvin Plantinga Michael Rea Eleonore Stump and Richard Swinburne into a coherent discussion that clarifies our understanding of the nature of sin The topics covered include the doctrine of original sin accessory sins mortal or cardinal sins and venial sins Mellema also examines Islamic codes of ethics which include a category of acts that are discouraged some of which qualify as sins and the final chapter surveys the teachings of six major world religions concerning sin The overarching link between the chapters is that sin is fundamentally connected to the subject matter of morality Analyzing the points of connection is profitable not just to enhance our theoretical understanding of sin but to provide a greater depth of knowledge as to how the moral choices we make can more effectively help us avoid sin and contribute to lives that are satisfying and authentically worthwhile This concise introduction to sin and moral wrongdoing will have a wide readership and is intended for use in introductory level philosophy philosophy of religion or theological ethics courses *Politics and Religion: The Basics* Jeffrey

Haynes,2025-07-31 *Politics and Religion The Basics* provides a concise introduction to the complex interactions between politics and religion in both domestic and international contexts This book examines the role of religion in shaping political systems behaviours and debates worldwide By introducing some of the most prominent religions it explores their impact on contemporary politics and sheds light on key topics such as religious nationalism gender inequality religious terrorism and the struggle for religious freedom Using case studies from countries including Iran the USA France China and Turkey it highlights pivotal events such as Iran s 1979 revolution and addresses modern controversies such as the rise of religious nationalism Broader discussions on democratisation globalisation and secularisation are integrated with theoretical insights and practical examples offering a comprehensive overview of the field Aimed at undergraduate students in political science international relations and religious studies this book is also a valuable resource for scholars With its clear structure and real world relevance it provides an ideal starting point for understanding the dynamic relationship between politics and religion

The Global History of Childhood Reader provides an essential collection of chapters and articles on the global history of childhood. The Reader is structured thematically so as to provide both a representative sampling of the historiography as well as an overview of the key issues of the field such as childhood as a social construct, commonalities and differences globally, and why the twentieth century was not the century of the child for most of the world's children. The Reader is divided into four parts: Theories and methodologies of the history of childhood; Constructions of childhood in different times and places; Children's experiences in different times and places; and Usage of the past to articulate solutions to problems facing children today. Topics covered include theories and methodologies in the global history of childhood; sources for writing a global history of childhood; education; gender; disability; race; class; and religion; the individual in history; and emotions, violence, labour, and illiteracy. With introductions that contextualize each of the four parts and the articles, further reading sections, and questions, this is the perfect guide for all students of the history of childhood.
