**Negotiations in ELF from a Cultural Linguistic Perspective** Milene Mendes de Oliveira, 2019-11-18 Some of the most frequent questions surrounding business negotiations address not only the nature of such negotiations but also how they should be conducted The answers given by business people from different cultural backgrounds to these questions are likely to differ from the standard answers found in business manuals In her book Milene Mendes de Oliveira investigates how Brazilian and German business people conceptualize and act out business negotiations using English as a Lingua Franca The frameworks of Cultural Linguistics English as a Lingua Franca World Englishes and Business Discourse offer the theoretical and methodological grounding for the analysis of interviews with high ranking Brazilian and German business people Moreover a side study on e mail exchanges between Brazilian and German employees of a healthcare company serves as a test case for the results arising from the interviews and helps understand other facets of authentic intercultural business communication Offering new insights on English as a Lingua Franca in international business contexts Business Negotiations in ELF from a Cultural Linguistic Perspective simultaneously provides a detailed cultural conceptual account of business negotiations from the viewpoint of Brazilian and German business people and a secondary analysis of their pragmatic aspects

**Language and Culture** David Nunan, Julie Choi, 2010-05-07 This state of the art exploration of language culture and identity is orchestrated through prominent scholars and teachers narratives each weaving together three elements a personal account based on one or more memorable or critical incidents that occurred in the course of learning or using a second or foreign language an interpretation of the incidents highlighting their impact in terms of culture identity and language the connections between the experiences and observations of the author and existing literature on language culture and identity What makes this book stand out is the way in which authors meld traditional academic approaches to inquiry

with their own personalized voices This opens a window on different ways of viewing and doing research in Applied Linguistics and TESOL What gives the book its power is the compelling nature of the narratives themselves Telling stories is a fundamental way of representing and making sense of the human condition These stories unpack in an accessible but rigorous fashion complex socio cultural constructs of culture identity the self and other and reflexivity and offer a way into these constructs for teachers teachers in preparation and neophyte researchers Contributors from around the world give the book broad and international appeal

*The church as sacred space in Middle English literature and culture* Laura Varnam, 2018-01-11 This book presents an exciting new approach to the medieval church by examining the role of literary texts visual decorations ritual performance and lived experience in the production of sanctity The meaning of the church was intensely debated in the fourteenth and fifteenth centuries This book explores what was at stake not only for the church s sanctity but for the identity of the parish community as a result Focusing on pastoral material used to teach the laity it shows how the church s status as a sacred space at the heart of the congregation was dangerously but profitably dependent on lay practice The sacred and profane were inextricably linked and paradoxically the church is shown to thrive on the sacrilegious challenge of lay misbehaviour and sin

*Anglophone Literature in Second-Language Teacher Education* Justin Quinn, Gabriela Kleckova, 2021-03-15 Anglophone Literature in Second Language Teacher Education proposes new ways that literature and more generally culture can be used to educate future teachers of English as a second language Arguing that the way literature is used in language teacher education can be transformed the book foregrounds transnational approaches and shows how these can be applied in literature and cultural instruction to encourage intercultural awareness in future language educators It draws on theoretical discussions from literary and cultural studies as well as applied linguistics and is an example how these cross discipline conversations can take place and thus help make Second language teacher education SLTE programs more responsive to the challenges faced by future English language teachers Written in the idiom of literary scholarship the book uses ideas of intercultural studies that have gained widespread support at research level yet have not affected literature cultural curricula in SLTE As the first interdisciplinary study to suggest how SLTE programs can respond with curricula this book will be of great interest for academics scholars and post graduate students in the fields of applied linguistics L2 and foreign language education teacher education and post graduate TESOL It has universal appeal addressing teaching faculty in any third level institution that prepares language teachers and includes literary studies in their curriculum as well as administrators in such organizations

*Language Learning, Discourse and Cognition* Lucy Pickering, Vyvyan Evans, 2018-12-15 Language Learning Discourse and Cognition Studies in the tradition of Andrea Tyler comprises a collection of original empirically and

theoretically motivated studies at the nexus of discourse analysis cognitive linguistics and second language learning The thematic relationships between these subfields and links between the studies are laid out in introductory and concluding chapters This edited volume is intended for both researchers and graduate students in linguistics and second language learning and teaching     **Technology and Tradition in Mesoamerica After the Spanish Invasion** Rani T.

Alexander,2019-03-15 This impressive collection features the work of archaeologists who systematically explore the material and social consequences of new technological systems introduced after the sixteenth century Spanish invasion in Mesoamerica It is the first collection to present case studies that show how both commonplace and capital intensive technologies were intertwined with indigenous knowledge systems to reshape local regional and transoceanic ecologies commodity chains and political social and religious institutions across Mexico and Central America     **Identity and**

**Pragmatic Language Use** Yoko Nogami,2020-06-22 ELF English as a lingua franca research counters the monocentric view of English based on norms of native speakers of English and supports any usages reflecting sociopragmatic and pragmalinguistic reality of ELF communication Such an approach empowers any speakers of English to contemplate their own varieties of English as legitimate providing them greater options for positive self identification Based on qualitative and interpretive methodology this book illustrates how Japanese L2 English users establish identities related to L2 English as part of their multiple identities and how they explore new identity options through ELF Moreover the author demonstrates how power relations relating to English language are constructed through the participants experiences in ELF interactions Also analysis of the data reveals that to what degree the Japanese L2 English users wish to affiliate with particular groups in ELF interactions with people from diverse cultural background Because of the multidisciplinary nature of the study this book will appeal to a broad audience such as scholars and students who are interested in further understanding of identity and sociocultural issues involved in intercultural communication     *Interdisciplinary Studies in Pragmatics, Culture and Society*

Alessandro Capone,Jacob L. Mey,2015-07-31 This volume is part of the series Pragmatics Philosophy and Psychology edited for Springer by Alessandro Capone It is intended for an audience of undergraduate and graduate students as well as postgraduate and advanced researchers This volume focuses on societal pragmatics One of the main concerns of societal pragmatics is the world of language users We are interested in the investigation of linguistic practices in the context of societal practices praxis to use a term used in the Wittgensteinian and other traditions It is clear that the world of users including their practices their culture and their social aims has to be taken into account and seriously investigated when we deal with the pragmatics of language It is not enough to discuss principles of language use solely in the guise of abstract theoretical tools Consequently the present volume focuses explicitly on the interplay of abstract theoretical principles and the necessities imposed by societal contexts often requiring a more flexible use of such theoretical tools The volume includes articles on pragmemes politeness and anti politeness dialogue joint utterances discourse markers pragmatics and the law

institutional discourse critical discourse analysis pragmatics and culture cultural scripts argumentation theory connectives and argumentation language games and psychotherapy slurs the analysis of funerary rites as well as an authoritative chapter by Jacob L Mey on societal pragmatics      **Language Across Disciplinary Boundaries** Miguel Mantero,Paul Chamness Miller,John L Watzke,2022-01-01 The International Society for Language Studies ISLS inaugurates its first volume in the series Readings in Language Studies with Language Across Disciplinary Boundaries a text that represents international perspectives on language and identity critical pedagogy language and power perspectives on second language acquisition and teacher education Founded in 2002 ISLS is a world wide organization of volunteers scholars and practitioners committed to critical interdisciplinary and emergent approaches to language studies      **Moving Beyond Barriers** Sandra Seubert,Marcel Hoogenboom,Trudie Knijn,Sybe de Vries,Frans van Waarden,2018 This book identifies analyses and compares a variety of possible barriers to the exercise of European citizenship and discusses ways to move beyond these barriers It contributes in a multi disciplinary way to a highly topical issue and offers new perspectives on EU citizenship in the sense that it critically analyses concepts of citizenship the way EU citizenship is politically legally and socially institutionalized and elaborates alternatives to the current paths of realizing EU citizenship
