# The Hidden Christ

**Martien E. Brinkman**

## **The Hidden Christ:**

The Hidden Christ James L. Ferrell, 2009 SUB TITLE Beneath the Surface of the Old Testament **Christ, B.C.** Bill Myers, 1990 Examines the specific references to Jesus Christ found in the Old Testament and includes devotional readings

**The Hidden Christ** Richard Kieninger, 1989-01-01 **Christ B. C.** Bill Myers, Nancy J. Collins, 2019-04-15 **The Hidden Christ** Alan Robinson, 2000 **Christ B. C.** Bill Myers, Nancy J. Collins, 2019-04-15 Christ B C is a 14 lesson study Each lesson contains a commentary and a week s daily study questions except for the final lesson which contains the final commentary only Jesus Christ is eternal He is present throughout the Old Testament from Genesis through Malachi just as certainly as He is present throughout the New Testament Often as people read through the Old Testament they are not aware of the symbolism that points to Jesus Christ Christ B C does not explore every pre incarnate reference or allusion to Christ Instead each lesson takes a look at some aspect of Jesus Christ in the Old Testament examines how it relates to Him in the New Testament and explores how it applies to us today It is an exploration that will make Him more personal in your day to day living and lead you deeper into His great love for you **The Hidden Christ** Laurence Housman, 1937 *The Hidden Christ* Beverly Carradine, 2008 **Jesus Incognito** Martien E. Brinkman, 2013 In this book Martien Brinkman explores the Jesus incognito as found in Western film literature and the visual arts since 1960 His interest here is focused primarily on indirect references to the Jesus figure To his surprise he found an abundance of allusions to Jesus in key figures in modern art This confirmed his view that film literature and the visual arts make a substantial contribution even in secular Western culture to continuing reflection on Jesus significance Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel Ingmar Bergman Krzysztof Kieslowski and Lars von Trier novels by Peter De Vries J M Coetzee and Arnon Grunberg poems by Les Murray and Czeslaw Milosz and paintings by Andy Warhol Harald Duwe and Frans Franciscus He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus The hidden Christ is therefore a contemporized Jesus figure This book will be of interest for everyone who shares Brinkman s quest for this Jesus incognito *A Critical Reading of the Development of Raimon Panikkar's Thought on the Trinity* Camilia Gangasingh MacPherson, 1996 This book traces the Trinitarian thought of Raimon Panikkar in his attempt to bridge the gap between Christianity and the world religions The viewpoints of the early and later Panikkar show continuity and shifts in his Trinitarian theology The early Panikkar provides a Trinitarian theology and reaches the heart of the world religions especially the Advaita Vedanta experience in Hinduism and the Nirvana experience of Buddhism The later Panikkar still using many of the probing concepts of his earlier thought departs significantly from traditional Christian theology His thoughts still continue the attempt at bridge building between Christianity on the one hand and the world religions and even the secular world on the other Although several dimensions of Panikkar s Trinitarian theology are open to severe criticism nevertheless it serves as an effective tool for furthering

awareness of and dialogue between the world religions

## **The Hidden Christ** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **The Hidden Christ**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
