The Investigative Journalist Folk Heroes Of A New Era

James L. Aucoin

The Investigative Journalist Folk Heroes Of A New Era:

The Investigative Journalist James H. Dygert, 1976 *The Evolution of American Investigative Journalism* James L. Aucoin, 2007-01-31 Beginning with America's first newspaper investigative reporting has provided journalism with its most significant achievements and challenging controversies Yet it was an ill defined practice until the 1960s when it emerged as a potent voice in newspapers and on television news programs In *The Evolution of American Investigative Journalism* James L. Aucoin provides readers with the first comprehensive history of investigative journalism including a thorough account of the founding and achievements of Investigative Reporters and Editors IRE Aucoin begins by discussing in detail the tradition of investigative journalism from the colonial era through the golden age of muckraking in the 1900s and into the 1960s Subsequent chapters examine the genre's critical period from 1960 to 1975 and the founding of IRE by a group of journalists in the 1970s to promote investigative journalism and training methods Through the organization's efforts investigative journalism has evolved into a distinct practice with defined standards and values Aucoin applies the social moral development theory of Alasdair MacIntyre who has explored the function development and value of social practices to explain how IRE contributed to the evolution of American investigative journalism Also included is a thorough account of IRE's role in the controversial Arizona Project After Arizona Republic reporter Don Bolles a founding member of IRE was murdered while investigating land fraud scores of reporters from around the country descended on the area to continue his work The Arizona Project brought national attention and stature to the fledgling IRE and was integral to its continuing survival Emerging investigative reporters and editors as well as students and scholars of journalism history will benefit from the detailed presentation and insightful discussion provided in this book **American Muckraker** James O'Keefe, 2022-01-25

ON POWER They do have tremendous power But in part it is because we give it to them We are nothing but we are not alone Awe cannot live in fear The moment you stop caring about what the media establishment thinks of you is the moment you become truly free

ON INSIDERS The USPS whistleblower a Marine Corps combat veteran said I would rather be back in Afghanistan getting shot at by Afghans honest to God than be interrogated by federal agent Russell Strasser who coerced him by saying I am trying to twist you a little bit because your mind will kick in I am not scaring you but I am scaring you

ON PRIVACY The right to record is closely tied to the right to speak or even to take contemporaneous notes about what one sees and hears As 60 Minutes producer Don Hewitt quipped People committing malfeasance don't have any right to privacy What are we saying that Upton Sinclair shouldn't have smuggled his pencil in

ON MEANS it is only that which makes you feel better than you would otherwise

ON LITIGATION Polling does not decide the truth nor speak to evidence The New York Times have not met their burden to prove that Veritas is deceptive claiming protections from an upstart competitor armed with a cell phone and a website There is a substantial basis in law to proceed to permit Project Veritas to conduct discovery into The New York Times Project Veritas v New York Times Company New York Supreme Court March 18 2021 **Taking**

on the Trust: How Ida Tarbell Brought Down John D. Rockefeller and Standard Oil Steve Weinberg, 2009-08-10 This dual biography tells the story of how Ida Minerva Tarbell an ambitious reporter brought down John D Rockefeller the tycoon at the head of Standard Oil Adapted from back cover Encyclopedia of Journalism Christopher H. Sterling, 2009-09-23 Written in a clear and accessible style that would suit the needs of journalists and scholars alike this encyclopedia is highly recommended for large news organizations and all schools of journalism Starred Review Library Journal Journalism permeates our lives and shapes our thoughts in ways we've long taken for granted Whether we listen to National Public Radio in the morning view the lead story on the Today show read the morning newspaper headlines stay up to the minute with Internet news browse grocery store tabloids receive Time magazine in our mailbox or watch the nightly news on television journalism pervades our daily activities The six volume Encyclopedia of Journalism covers all significant dimensions of journalism including print broadcast and Internet journalism U S and international perspectives history technology legal issues and court cases ownership and economics The set contains more than 350 signed entries under the direction of leading journalism scholar Christopher H Sterling of The George Washington University In the A to Z volumes 1 through 4 both scholars and journalists contribute articles that span the field's wide spectrum of topics from design editing advertising and marketing to libel censorship First Amendment rights and bias to digital manipulation media hoaxes political cartoonists and secrecy and leaks Also covered are recently emerging media such as podcasting blogs and chat rooms The last two volumes contain a thorough listing of journalism awards and prizes a lengthy section on journalism freedom around the world an annotated bibliography and key documents The latter edited by Glenn Lewis of CUNY Graduate School of Journalism and York College CUNY comprises dozens of primary documents involving codes of ethics media and the law and future changes in store for journalism education Key Themes Consumers and Audiences Criticism and Education Economics Ethnic and Minority Journalism Issues and Controversies Journalist Organizations Journalists Law and Policy Magazine Types Motion Pictures Networks News Agencies and Services News Categories News Media U S News Media World Newspaper Types News Program Types Online Journalism Political Communications Processes and Routines of Journalism Radio and Television Technology Reporting from Washington Donald A. Ritchie, 2005-03-15 Donald Ritchie offers a vibrant chronicle of news coverage in our nation's capital from the early days of radio and print reporting and the heyday of the wire services to the brave new world of the Internet Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists including Walter Lippmann Joseph Alsop and Drew Pearson as well as the great investigative reporters from Paul Y Anderson to the two green Washington Post reporters who launched the political story of the decade Woodward and Bernstein We read of the rise of radio news fought tooth and nail by the print barons and of such pioneers as Edward R Murrow H V Kaltenborn and Elmer Davis Ritchie also offers a vivid history of TV news from the early days of Meet the Press to Huntley and Brinkley

and Walter Cronkite to the cable revolution led by C SPAN and CNN In addition he compares political news on the Internet to the alternative press of the 60s and 70s describes how black reporters slowly broke into the white press corps helped mightily by FDR s White House discusses path breaking woman reporters such as Sarah McClendon and Helen Thomas and much more From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news Reporting from Washington offers an unforgettable portrait of these figures as well as of the dramatic changes in American journalism in the twentieth century

Poisoning the Press Mark Feldstein, 2010-09-28 It is March 1972 and the Nixon White House wants Jack Anderson dead The syndicated columnist Jack Anderson the most famous and feared investigative reporter in the nation has exposed yet another of the President s dirty secrets Nixon s operatives are ordered to stop Anderson at all costs permanently Across the street from the White House they huddle in a hotel basement to conspire Should they try Aspirin Roulette and break into Anderson s home to plant a poisoned pill in one of his medicine bottles Could they smear LSD on the journalist s steering wheel so that he would absorb it through his skin lose control of his car and crash Or stage a routine looking mugging making Anderson appear to be one more fatal victim of Washington s notorious street crime Poisoning the Press Richard Nixon Jack Anderson and the Rise of Washington s Scandal Culture recounts not only the disturbing story of an unprecedented White House conspiracy to assassinate a journalist but also the larger tale of the bitter quarter century battle between the postwar era s most embattled politician and its most reviled newsman The struggle between Nixon and Anderson included bribery blackmail forgery spying and burglary as well as the White House murder plot Their vendetta symbolized and accelerated the growing conflict between the government and the press a clash that would long outlive both men Mark Feldstein traces the arc of this confrontation between a vindictive president and a flamboyant crusading muckraker who rifled through garbage and swiped classified papers in pursuit of his prey stoking the paranoia in Nixon that would ultimately lead to his ruin The White House plot to poison Anderson Feldstein argues is a metaphor for the poisoned political atmosphere that would follow and the toxic sensationalism that contaminates contemporary media discourse Melding history and biography Poisoning the Press unearths significant new information from more than two hundred interviews and thousands of declassified documents and tapes This is a chronicle of political intrigue and the true price of power for politicians and journalists alike The result Washington s modern scandal culture was Richard Nixon s ultimate revenge

American Journalism W. David Sloan, Lisa Mullikin Parcell, 2014-01-10 News consumers made cynical by sensationalist banners AMERICA STRIKES BACK THE TERROR OF ANTHRAX and lurid leads might be surprised to learn that in 1690 the newspaper Publick Occurrences gossiped about the sexual indiscretions of French royalty or seasoned the story of missing children by adding that barbarous Indians were lurking about before the disappearance Surprising too might be the media s steady adherence to if continual tugging at its philosophical and ethical moorings These 39 essays written and edited by the nation s leading professors of journalism cover the theory and practice of print radio and

TV news reporting Politics and partisanship press and the government gender and the press corps presidential coverage war reportage technology and news gathering sensationalism each subject is treated individually Appropriate for interested lay persons students professors and reporters Instructors considering this book for use in a course may request an examination copy here

History of the Mass Media in the United States Margaret A. Blanchard, 2013-12-19 The influence of the mass media on American history has been overwhelming History of the Mass Media in the United States examines the ways in which the media both affects and is affected by U S society From 1690 when the first American newspaper was founded to 1995 this encyclopedia covers more than 300 years of mass media history History of Mass Media in the United States contains more than 475 alphabetically arranged entries covering subjects ranging from key areas of newspaper history to broader topics such as media coverage of wars major conflicts over press freedom court cases and legislation and the concerns and representation of ethnic and special interest groups The editor and the 200 scholarly contributors to this work have taken particular care to examine the technological legal legislative economic and political developments that have affected the American media

Dispatches from the Front Nathaniel Lande, 1998 In *Dispatches from the Front* we have a unique and special conduit from ten American wars In the correspondents words ring the passion and drama of war from the American Revolution to the Persian Gulf The work of Thomas Paine Stephen Crane Ernest Hemingway Edward R Murrow and more than 60 other correspondents tells of America s wars as they happened on the battlefield and on the home front 66 photos

The Queen Josh Levin, 2019-05-21 Winner of the National Book Critics Circle Award in Biography In this critically acclaimed true crime tale of welfare queen Linda Taylor a Slate editor reveals a wild only in America story of political manipulation and murder Attica Locke Edgar Award winning author On the South Side of Chicago in 1974 Linda Taylor reported a phony burglary concocting a lie about stolen furs and jewelry The detective who checked it out soon discovered she was a welfare cheat who drove a Cadillac to collect ill gotten government checks And that was just the beginning Taylor it turned out was also a kidnapper and possibly a murderer A desperately ill teacher a combat traumatized Marine an elderly woman hungry for companionship after Taylor came into their lives all three ended up dead under suspicious circumstances But nobody not the journalists who touted her story not the police and not presidential candidate Ronald Reagan seemed to care about anything but her welfare thievery Growing up in the Jim Crow South Taylor was made an outcast because of the color of her skin As she rose to infamy the press and politicians manipulated her image to demonize poor black women Part social history part true crime investigation Josh Levin s mesmerizing book the product of six years of reporting and research is a fascinating account of American racism and an expos of the welfare queen myth one that fueled political debates that reverberate to this day The Queen tells for the first time the fascinating story of what was done to Linda Taylor what she did to others and what was

done in her name In the finest tradition of investigative reporting Josh Levin exposes how a story that once shaped the nation's conscience was clouded by racism and lies As he stunningly reveals in this invaluable work of nonfiction the deeper truth the messy truth tells us something much larger about who we are David Grann 1 New York Times bestselling author of *Killers of the Flower Moon* **The Publishers Weekly** ,1925 **Covering Canadian Crime** Chris Richardson,Romayne Smith Fullerton,2016-05-12 Crime reporting in one form or another is as old as crime itself Almost all young reporters have spent some time on this beat and their work affects all of us Covering Canadian Crime offers a deep and detailed look at perennial issues in crime reporting and how changes in technology business practices and professional ethics are affecting today's crime coverage Social media in the courtroom the stigmatization of mental illness the influence of police media units the practice of knocking on victims' doors the culture of masculinity in the newsroom these are among the topics of discussion explored from various disciplinary perspectives and combined with poignant interviews and thought provoking introspection from seasoned journalists such as Christie Blatchford Timothy Appleby Linden MacIntyre Kim Bolan and Peter Edwards A critical account of the challenges involved in crime reporting in ethical informed and powerful ways Covering Canadian Crime poses the questions that reporters journalism students and the public at large need to ask and to answer

American Popular Culture Larry N. Landrum,1982 Journalism Jo A. Cates,2004-05-30 Journalism A Guide to the Reference Literature is a critically annotated bibliographic guide to print and electronic sources in print and broadcast journalism The first edition was published in 1990 the second in 1997 It has been described as one of the critical reference sources in journalism today and it is a key bibliographic guide to the literature Choice magazine called it a benchmark publication for which there are no comparable sources The format is similar to the second edition What makes this edition significantly different is the separation of Commercial Databases and Internet Resources Commercial Databases includes standard fee based resources The new chapter on Internet sources features Web based resources not included in the commercial databases chapter as well as portals other online files listservs newsgroups and Web logs blogs All chapters have been revised and there are significant revisions in Directories Yearbooks and Collections Miscellaneous Sources Core Periodicals Societies and Associations and Research Centers and Archives The second edition has 789 entries The third edition contains almost 1 000 entries James Carey of Columbia University who provided the foreword for the first two editions has updated his foreword for this edition **Military Review** ,2004 *Library Journal* ,1977 *Quarterly Review of Military Literature* ,1977

As recognized, adventure as without difficulty as experience roughly lesson, amusement, as without difficulty as understanding can be gotten by just checking out a ebook **The Investigative Journalist Folk Heroes Of A New Era** furthermore it is not directly done, you could tolerate even more almost this life, on the order of the world.

We have enough money you this proper as capably as simple pretension to acquire those all. We have the funds for The Investigative Journalist Folk Heroes Of A New Era and numerous ebook collections from fictions to scientific research in any way. along with them is this The Investigative Journalist Folk Heroes Of A New Era that can be your partner.
