Third Voice Michael P. Knowles, 2021-01-14 What makes for powerful preaching Careful exegesis logical structure interesting illustrations and clear speech can all help But truly transformative preaching depends on divine power not human skill alone Those who would reduce preaching to simple systems or sure fire strategies for success will find little of interest here Instead this book appeals to those pastors and academics alike who find themselves confounded by the occasional futility of their best preaching and the unexpected success of their worst It invites readers to enter more deeply into the uncontrollable mystery that attends all efforts to speak in the name of Christ above all on the topic of resurrection Although the gospel always turns our attention to the crucified and risen Lord preaching about resurrection calls us to trust that the same God who raised Jesus from death will likewise grant life to us as preachers to our sermons and to our hearers alike Drawing on resources as diverse as Luther's understanding of the Christian gospel Speech Act theory and Bhabha's concept of Third Space *Third Voice Preaching Resurrection* argues that the true key to effective preaching is not rhetoric but spirituality

Conversations with Madeleine L'Engle Jackie C. Horne,2018-12-03 Conversations with Madeleine L Engle is the first collection of interviews with the beloved children s book author best known for her 1962 Newbery Award winning novel *A Wrinkle in Time* However Madeleine L Engle s accomplishments as a writer spread far beyond children s literature Beginning her career as a literary novelist for adults L Engle 1918 2007 continued to write fiction for both young and old long after *A Wrinkle in Time* In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children s books and the larger Christian community L Engle s books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children s author to Christian writer and attempted to craft a public persona that would speak

to each of these different audiences in meaningful yet not painfully revealing ways *Talking Book Topics* ,2003
