Oil And Water Amir Hussain, Listen to any news broadcast today and the message comes through loud and clear Islam is a religion of violence and behind every Muslim there lurks a potential terrorist Islam is a threat to values of the Christian West They are like oil and water Clearly they don't mix Oil their shared roots and scripture from the Jewish faith and the spiritual values of peace and social justice Written for Christians by Muslim world religions scholar Amir Hussain the book is divided into two parts Part 1 provides an overview of the Islamic faith and of the lives of Muslims in North America today Chapters focus on the place and identity of Muslims in society as well as on the importance and role of Muhammad the Qur'an and basic beliefs and practices The Five Pillars of Islam Having provided a foundation for understanding the book moves on in Part 2 to explore key points for dialogue today including issues of violence and jihad the roles of women and men and the mystical tradition within Islam The final two chapters look at interfaith dialogue and the practical aspects of being good neighbours In all of this the book invites the reader to a place of reconciliation to a place where the truth and value of each of these great faith traditions can be recognized and honoured by the other In the end the metaphor of oil and water is an interesting one for the reality of conflict and the hope for reconciliation between Islam and Christianity today

Biblical Figures in the Islamic Faith Stephen J. Vicchio, 2008-07-01 Vicchio believes that by understanding how much Muslim tradition overlaps with the biblical traditions of Judaism and Christianity we might begin to expose a wedge of common ground on which understanding and respect might begin to be built Vicchio begins with a brief introduction sketching some fundamentals of Muslim history and culture and clearing away some common misconceptions His main goal however is to give us a detailed look at the treatment of biblical figures in the literature of Islam The broad range of his research and presentation is startling He begins with the Qur'an but continues on to the collected writing of the roughly two hundred years after Mohammed Hadith Sunnah Akhbar that came to be regarded as authoritative in the various traditions that developed in early Islam He then traces the interest in these biblical figures on into modern treatments of the role of these figures in Muslim scholarship and how these figures are understood and used in the traditions of Islam yet today The result of Vicchio's scholarship and presentation will be a revelation to most Christian and Jewish readers It has become

somewhat commonplace to refer to Judaism Christianity and Islam as the three Abrahamic faiths This shows a beginning awareness of the beginnings of each of these three great religions birthed in the Middle East in a common ancestor Abraham Ibrahim Abraham s faithfulness and his closeness to God make him a revered figure in each of these three great faiths and for each Abraham is a beginning of the story of the particular relationship between God and the people of each of these religions from the Foreword
