The Israeli Mind

The Israeli Mind:

The Israeli Mind Alon Gratch, 2015-09-01 Israelis are bold and visionary passionate and generous But they can also be grandiose and self absorbed Emerging from the depths of Jewish history and the drama of the Zionist rebellion against it they have a deeply conflicted identity They are willing to sacrifice themselves for the collective but also to sacrifice that very collective for a higher and likely unattainable ideal Resolving these internal conflicts and coming to terms with the trauma of the Holocaust are imperative to Israel s survival as a nation and to the stability of the world Alon Gratch a clinical psychologist whose family has lived in Israel for generations is uniquely positioned to confront these issues Like the Israeli psyche that Gratch details The Israeli Mind is both intimate and universal Intelligent and forthright compassionate but sometimes maddening it is an utterly compelling read Drawing on a broad cultural and historical canvas and weaving in the author s personal and professional experience The Israeli Mind presents a provocative first hand portrait of the Israeli national character

The Israeli Mind John Laffin, 1980 The Israeli Mind John Laffin, 1979 **Between Consent and Dissent** Ephraim Yuchtman-Yaar, Yoħanan Peres, 2000 In 1948 Israel was officially established as a democratic Jewish state However the desire to protect and develop Jewishness and democracy has generated constant tensions that have been exacerbated by external threats to the stateOs national security The book examines the manifestations of these tensions and their impact on the publicOs commitment to democratic values and processes

Enemy Civilian Casualties Ofer Fridman, 2019-03-13 Civil casualties and collateral damage have been long considered as an undesired outcome of military activity that has to be reduced While most of the contemporary discourse on this topic has been primarily concentrating on three main factors the legal aspects of causing civil casualties the impact of war on local population and different factors of military professionalism required to avoid disproportional harm to civilians this book asks an entirely different question As the subject of civil casualties during military operations seems to be highly politicized this book takes this discourse out of its usual niches and suggests that the indirect responsibility rests with the politicians and the public which they represent When a society in the beginning of the 21st century sends its troops to a battle does it really care about the enemy civilian casualties To answer this question this book traces the political and cultural factors that have led to the failure of Non Lethal Weapons the great promise of the 1990s which was intended to make the war significantly less lethal than it was known before Examining three different cases this study explains that the idea of minimizing civil casualties is no more than an illusion and in fact neither politicians nor societies feel really stressed to change this situation

Voices from Israel Étan Levine, 1986 **Occupied Minds** Arthur Neslen, 2006-03-20 How are Israelis able to see themselves as victims while victimising others Israel s founders sought to create a nation of new Jews who would never again go meekly to the death camps Yet Israel s strength has become synonymous with an oppression of the Palestinians that provokes anger throughout the Muslim world and beyond Arthur Neslen explores the dynamics distortions and incredible diversity of Israeli society

From the mouths of soldiers settlers sex workers and the victims of suicide attacks Occupied Minds is the story of a national psyche that has become scarred by mental security barriers emotional checkpoints and displaced outposts of victimhood and aggression It charts the evolution of a communal self image based on cultural and religious values towards one formed around a single militaristic imperative national security

The Handbook of Israel's Political System Itzhak Galnoor, Dana Blander, 2018-07-26 There is growing interest in Israel's political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel's Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel's democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel

Realities of the Middle East George Stanley McGovern, 1975 **Hearings, Reports and Prints of the Senate Committee on Foreign Relations** United States. Congress. Senate. The Israeli Defence Forces' Representation in Israeli Cinema Fiammetta Martegani, 2017-06-23 Of all the Biblical heroes the character of King David is perhaps the most paradoxical and also the most difficult to grasp He is the Biblical Man for all seasons a warrior a lover a poet a killer and a restorer This elaborate and fascinating archetypal hero influenced and inspired the representation of the Israeli soldier in Israeli media art and cinema from the establishment of the State of Israel until the present day This book investigates whether Israeli art and film now place a focus on soldiers not as fighters but as victims and the relationship between David as an adult and the State of Israel half a century after its establishment As in gender studies it is only in the last twenty years that research on masculinities has become a prominent part of film studies Although studies of men and masculinity have gained momentum little has been published that focuses on the media and their relationship to men as men In carrying out a study on the representation of the Israeli Defense Force in Israeli cinema the matter of gender becomes fundamental especially in relation to the Motherland of Israel Eretz Israel which is feminine by definition Israeli films are also deeply concerned with territory and territoriality As such the book also carries out an ethnography of Israeli cinema with a focus on the significant relationship between gender and nation and body and space

Six Days of War Michael B. Oren, 2017-06-06 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of *Ally* now featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the

ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist's command of narrative and a historian's grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative Six Days of War is the most important book on the Middle East conflict to appear in a generation Praise for Six Days of War Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren's book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it's one of the best written books I've read this year in any genre The Jerusalem Post In Michael Oren's richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren's narrative is precise but written with great literary flair In no one else's study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News

Computerization and Controversy Rob Kling,1996 The second edition of this comprehensive reference is a collection of 78 articles that examine the social aspects of computerization from a variety of perspectives Fields represented include computer science information systems management journalism psychology law library science and sociology *The Emergence of the Modern Middle East* Asher Susser,Duygu Atlas,2017-02-01 This book discusses the emergence of the modern Middle East over the last two centuries starting with the Napoleonic invasion of Egypt in 1798 to the present It examines the Ottoman legacy in the region and the Western imperial impact on the creation of the Arab state system It then addresses rise and retreat of Arab nationalism the problems of internal cohesion of the Arab states issues of religion and state and the evolution of Islamist politics It also focuses on the evolution of the Arab Israeli conflict and its impact on the region and concludes with an in depth analysis of the Arab Spring by placing these contemporary revolutionary events in their historical context **Narrating Conflict in the Middle East** Dina Matar,Zahera Harb,2013-06-21 The term conflict has often been used broadly and uncritically to talk about diverse situations ranging from street protests to war though the many factors that give rise to any conflict and its continuation over a period of time vary greatly The starting point of this

innovative book is that it is unsatisfactory either to consider conflict within a singular concept or alternatively to consider each conflict as entirely distinct and unique Narrating Conflict in the Middle East explores another path to addressing long term conflict The contributors set out to examine the ways in which such conflicts in Palestine and Lebanon have been and are narrated imagined and remembered in diverse spaces including that of the media They examine discourses and representations of the conflicts as well as practices of memory and performance in narratives of suffering and conflict all of which suggest an embodied investment in narrating or communicating conflict In so doing they engage with local global and regional realities in Lebanon and in Palestine and they respond dynamically to these realities Scars of War, Wounds of Peace Shlomo Ben-Ami,2007 An Oxford trained historian who became Israeli Foreign Minister Shlomo Ben Ami was a key figure in the Camp David negotiations and many other peace talks He offers here an unflinching account of the Arab Israeli conflict informed by his firsthand knowledge *The Middle East in Turmoil* John V. Canfield,2001 Middle East in Turmoil Volume 1 *Glory and Agony* Yael Feldman,2010-09-01 Glory and Agony is the first history of the shifting attitudes toward national sacrifice in Hebrew culture over the last century Its point of departure is Zionism s obsessive preoccupation with its haunting primal scene of sacrifice the near sacrifice of Isaac as evidenced in wide ranging sources from the domains of literature art psychology philosophy and politics By placing these sources in conversation with twentieth century thinking on human sacrifice violence and martyrdom this study draws a complex picture that provides multiple sometimes contradictory insights into the genesis and gender of national sacrifice Extending back over two millennia this study unearths retellings of biblical and classical narratives of sacrifice both enacted and aborted voluntary and violent male and female Isaac Ishmael Jephthah s daughter Iphigenia Jesus Glory and Agony traces the birth of national sacrifice out of the ruins of religious martyrdom exposing the sacred underside of Western secularism in Israel as elsewhere **Arab-Israeli Dispute, August 1978-December 1980** Alexander R. Wieland,Adam M. Howard,2018 Description of Volume 13 China This volume is the first publication in a new subseries of the Foreign Relations series that documents the most important foreign policy issues of the Jimmy Carter presidential administration From U S Department of State Office of the Historian website

The Israeli Mind Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Israeli Mind free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Israeli Mind free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Israeli Mind free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Israeli Mind. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Israeli Mind any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Israeli Mind Books

What is a The Israeli Mind PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a The Israeli Mind PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper.
