The Israeli Palestinians An Arab Minority In The Jewish State:

The Israeli Palestinians Alexander Bligh, 2003 This edited collection offers a comprehensive analysis of the most significant factors to have contributed to the current relations between Israel's Jewish and Arab citizens **Israel and its Palestinian Citizens** Nadim N. Rouhana, Sahar S. Huneidi, 2017-02 This volume examines the status of the Palestinian citizens in Israel and explores ethnic privileging and the dynamics of social conflict Arabs in the Jewish State Ian Lustick, 1980 **The Israeli Palestinians** Alexander Bligh, 2004-08-02 One of the most crucial issues to affect national policy in the state of Israel is that of relations between its Jewish and Arab citizens This edited collection offers a comprehensive analysis of the most significant factors to have contributed to current conditions Special Issue: The Israeli Palestinians Alexander Bligh, 2003 **The Palestinian-Arab Minority in Israel, 1948-2000** As'ad Ganim, 2001-05-16 Examines the difficulties of Palestinian Arab political life in Israel The Palestinian-Arab Citizens of Israel: Towards the Internationalisation of National Aspirations Ilham Shahbari, 2021-01-28 The relations between the Israeli state and its Arab citizens have been distorted by the perception that national security concerns require the full rights of citizenship to be restricted for members of the Arab community However the national security of the state can also be affected by a poor reputation in the international community which plays a vital role in sustaining the existence of the state This created a space for Arab intelligentsia to use internationalisation as a means to promote their cause This study is designed to explore and analyse the internationalisation process and its impact regarding the Arab community in Israel It is a beneficial source to academics experts policymakers journalists and other experts and interested members of the public *Palestinian Citizens in an Ethnic Jewish State* Nadim N. Rouhana, 1997-01-01 He discusses the consequences of Israel's ideology policy and practices toward the Arab minority the effect of major developments in the Arab world particularly in the Palestinian communities in exile and in the West Bank and Gaza and the impact of changes within the Palestinian community in Israel such as demography level of education socio economic structure and political culture *Mapping the Legal Boundaries of Belonging* René Provost, 2014 This collection of essays explores the complex relationship between religion and multiculturalism and the role of the state and law in the creation of boundaries **Israel's Palestinians** Ilan Peleg, Dov Waxman, 2011-05-30 Arguing that a comprehensive and lasting solution to the Israeli Palestinian conflict depends on a resolution of the Jewish Palestinian conflict within Israel as much as it does on resolving the conflict between Israel and Palestinians in the Occupied Territories this timely book explores the causes and consequences of the growing conflict between Israel's Jewish majority and its Palestinian Arab minority It warns that if Jewish Arab relations in Israel continue to deteriorate this will pose a serious threat to the stability of Israel to the quality of Israeli democracy and to the potential for peace in the Middle East The book examines the views and attitudes of both the Palestinian minority and the Jewish majority as well as the Israeli state's historic approach to its Arab citizens Drawing upon the experience of other states with national

minorities the authors put forward specific proposals for safeguarding and enhancing the rights of the Palestinian minority while maintaining the country's Jewish identity

Palestinians in Israel after the Arab Spring Yusri Hazran

Khaizran, Muhammad Khalaily, 2025-05-01 The Arab Spring initially ignited excitement for Arab society in Israel. But following the outbreak of the uprising in Syria, Israeli Arab attitudes shifted. This book demonstrates why the Arab Spring and especially the war in Syria provoked such deep fragmentation for Palestinians in Israel. Based on governmental and public surveys, the book shows that many more Arab Palestinian citizens became supportive of instrumental integration with Israeli politics following the Arab Spring. But the momentous events convinced other Arab citizens to abandon the connection between finding a solution for the Palestinian problem if it involved integration with the state. At the same time, this book reveals that the younger generations wanted to search for alternatives to replace the existing political frameworks completely and were inspired to form a new model of political activism. This is the first study to explore how the Arab Spring affected Arab society in Israel in terms of identity, political discourse, and behaviour. In doing so, it covers the new policy adopted by the central government in Israel formed after 2011 to strengthen civic discourse amongst Arab citizens. It has been neither Israelization nor Zionization but Instrumental integration which meets the conditional citizenship offered by the state.

Routledge Handbook of Minorities in the Middle East Paul S Rowe, 2018-09-20

The Routledge Handbook of Minorities in the Middle East gathers a diverse team of international scholars, each of whom provides unique expertise into the status and prospects of minority populations in the region. The dramatic events of the past decade, from the Arab Spring protests to the rise of the Islamic state, have brought the status of these populations onto centre stage. The overturn of various long-term autocratic governments in states such as Tunisia, Egypt, Libya, and Yemen, and the ongoing threat to government stability in Syria, Iraq, and Lebanon, have all contributed to a new assertion of majoritarian politics amid demands for democratization and regime change. In the midst of these dramatic changes and latent armed conflict, minority populations have been targeted, marginalized, and victimized. Calls for social and political change have led many to contemplate the ways in which citizenship and governance may be changed to accommodate minorities or, indeed, if such change is possible. At a time when the survival of minority populations and the utility of the label 'minority' has been challenged, this handbook answers the following set of research questions: What are the unique challenges of minority populations in the Middle East? How do minority populations integrate into their host societies, both as a function of their own internal choices and as a response to majoritarian consensus on their status? Finally, given their inherent challenges and the vast sweeping changes that have taken place in the region over the past decade, what is the future of these minority populations? What impact have minority populations had on their societies, and to what extent will they remain prominent actors in their respective settings? This handbook presents leading-edge research on a wide variety of religious, ethnic, and other minority populations. By reclaiming the notion of minorities in Middle Eastern settings, we seek to highlight the agency of minority communities in

defining their past present and future **Plurality and Citizenship in Israel** Dan Avnon, Yotam Benziman, 2009-12-17 This book focuses on the Jewish Palestinian conflict within the state of Israel and the general issue of the role played by modern states in either mitigating majority minority conflict or exacerbating it A comparative study the chapters that concentrate on theoretical models and comparable historical legal or political patterns of development Arab Minority Nationalism in Israel Amal Jamal, 2011-03-17 National minorities and their behaviour have become a central topic in comparative politics in the last few decades Using the relationship between the state of Israel and the Arab national minority as a case study this book provides a thorough examination of minority nationalism and state minority relations in Israel Placing the case of the Arab national minority in Israel within a comparative framework the author analyses major debates taking place in the field of collective action social movements civil society and indigenous rights He demonstrates the impact of the state regime on the political behaviours of the minorities and sheds light on the similarities and differences between various types of minority nationalisms and the nature of the relationship such minorities could have with their states Drawing empirical and theoretical conclusions that contribute to studies of Israeli politics political minorities indigenous populations and conflict issues this book will be a valuable reference for students and those in policy working on issues around Israeli politics Palestinian politics and the broader Palestinian Israeli conflict **Institutionalizing Rights and Religion** Leora Batnitzky, Hanoch Dagan, 2017-03-23 Modern statesmen and political theorists have long struggled to design institutions that will simultaneously respect individual freedom of religion nurture religion s capacity to be a force for civic good and human rights and tame religion s illiberal tendencies Moving past the usual focus on personal free expression of religion this illuminating book written by renowned scholars of law and religion from the United States England and Israel considers how the institutional design of both religions and political regimes influences the relationship between religious practice and activity and human rights The authors examine how the organization of religious communities affects human rights and investigate the scope of a just state s authority with respect to organized religion in the name of human rights They explore the institutional challenges posed by and possible responses to the fraught relationship between religion and rights in the world today The Legal Status Of The Arabs In Israel David Kretzmer, 2019-06-26 This study examines how the Israeli legal system copes with two major issues The first is the tension between the constitutional definition of Israel as both a Jewish state and a democracy committed to equal rights for all of its citizens The second issue is the delicate position of a national minority in a state that since its establishment has been involved in a bitter conflict with the Palestinian nation to which that minority belongs *Arab-Palestinian Society in the Israeli Political System* Rami Zeedan, 2019-06-28 The Arab Palestinian community which constitutes 20 percent of Israel s population is an ethnic minority living mainly in ethnically homogeneous cities and villages Arab Palestinian Society in the Israeli Political System offers a comprehensive detailed examination of Arab Palestinian citizens of Israel within the Green Line in the twenty first century Rami Zeedan analyzes

political trends leadership and the effects on Arab Palestinian identity in Israel of recent changes especially the 2015 legislative elections The author also sheds light on the crisis and identifies the sources and relations to the local political structure in Arab localities in Israel The book discusses the implications of the integration of an ethnic minority in an ethnic state and on the definition of Israel as Jewish and Democratic *The Forgotten Palestinians* Ilan Pappé, 2011-06-28 Examines how Israeli Palestinians have fared under Jewish rule revealing both Israel's attitude toward minorities and Palestinians' attitudes toward the Jewish state and analyzes the Israeli state's policy towards its Palestinian citizens

Routledge Handbook on the Israeli-Palestinian Conflict Joel Peters, David Newman, 2013-03-05 The Israeli Palestinian conflict is one of the most prominent issues in world politics today Few other issues have dominated the world's headlines and have attracted such attention from policy makers the academic community political analysts and the world's media The Routledge Handbook on the Israeli Palestinian Conflict offers a comprehensive and accessible overview of the most contentious and protracted political issue in the Middle East Bringing together a range of top experts from Israel Palestine Europe and North America the Handbook tackles a range of topics including The historical background to the conflict peace efforts domestic politics critical issues such as displacement Jerusalem and settler movements the role of outside players such as the Arab states the US and the EU This Handbook provides the reader with an understanding of the complexity of the issues that need to be addressed in order to resolve the conflict and a detailed examination of the varied interests of the actors involved In depth analysis of the conflict is supplemented by a chronology of the conflict key documents and a range of maps The contributors are all leading authorities in their field and have published extensively on the Israeli Palestinian conflict peace process Many have played a leading role in various Track II initiatives accompanying the peace process *Routledge Companion to the Israeli-Palestinian Conflict* Asaf Siniver, 2022-10-27 This Companion explores the Israeli Palestinian conflict from its inception to the present day demonstrating the depth and breadth of the many facets of the conflict from the historical political and diplomatic to the social economic and pedagogical aspects The contributions also engage with notions of objectivity and bias and the difficulties this causes when studying the conflict in order to reflect the diversity of views and often contentious discussion surrounding this conflict The volume is organized around six parts reflecting the core aspects of the conflict historical and scholarly context of the competing narratives contemporary evolution of the conflict and its key diplomatic junctures key issues of the conflict its local dimensions international environment of the conflict the other images of the conflict as reflected in public opinion popular culture the boycott divestment and sanctions BDS movement and academia and pedagogy Providing a comprehensive approach to the Israeli Palestinian conflict this companion is designed for academics researchers and students interested in the key issues and contemporary themes of the conflict
