Rough Guides

The Japan Journals 19472004:

The Japan Journals Donald Richie, 2005-09-01 Richie should be designated a living national treasure Library Journal Wonderfully evocative and full of humor honest introspective and often poignant New York Times No one has written with more concentration about the peculiar quality of exile enjoyed by the gaijin the foreigner in Japan London Review of Books To read The Donald Richie Reader and The Japan Journals is like diving for pearls Dip into any part of them and you will surely find treasures about the cinema literature traveling writing The passages are evocative erotic playful and often profound Japanese Language and Literature Donald Richie has been observing and writing about Japan from the moment he arrived on New Year's Eve 1946 Detailing his life his lovers and his ideas on matters high and low The Japan Journals is a record of both a nation and an evolving expatriate sensibility As Japan modernizes and as the author ages the tone grows elegiac and The Japan Journals now in paperback after the critically acclaimed hardcover edition becomes a bittersweet chronicle of a complicated life well lived and captivantly told Donald Richie the eminent film historian novelist and essayist still lives in Tokyo

The Japan Journals Donald Richie, 2005-09-01 Wonderfully evocative and full of humor but also honest introspective and often poignant The New York Times

Tourism in Japan Arthur Asa Berger, 2010-02-17 This book deals with tourism popular culture and everyday life in Japan It offers some interesting statistics about Japanese life and society discusses popular kinds of tours in Japan considers images of Japan found in guidebooks about the country and discusses the pleasures people get from travel in Japan The book interprets various aspects of Japanese culture and provides an analysis of popular visitor destinations It is written in an accessible style and thus will be of interest to tourists considering visiting Japan Japanophiles social scientists and humanities scholars with interests in Japan and students taking courses in tourism Japanese culture cultural studies and consumer culture

Dissenting Japan William Andrews, 2016-08-15 Conformist mute and malleable Andrews tackles head on this absurd caricature of Japanese society in his fascinating history of its militant subcultures radical societies and well established traditions of dissent Following the March 2011 tsunami and Fukushima nuclear crisis the media remarked with surprise on how thousands of demonstrators had flocked to the streets of Tokyo But mass protest movements are nothing new in Japan and the post war period experienced years of unrest and violence on both sides of the political spectrum from demos to riots strikes campus occupations faction infighting assassinations and even international terrorism This is the first comprehensive history in English of political radicalism and counterculture in Japan as well as the artistic developments during this turbulent time It chronicles the major events and movements from 1945 to the new flowering of protests and civil dissent in the wake of Fukushima Introducing readers to often ignored aspects of Japanese society it explores the fascinating ideologies and personalities on the Right and the Left including the student movement militant groups and communes While some elements parallel developments in Europe and America much of Japan's radical recent past and present is unique and offers valuable lessons for understanding the context to the new waves of anti

government protests the nation is currently witnessing

Performativity and Event in 1960s Japan P.

Eckersall,2013-09-24 Performativity and Event in 1960s Japan considers the artists and events in 1960s Japan In response to the social upheavals of the 1960s it shows how art interacted with society in unique and transformational ways nterweaving arguments about the critical role of performance as an artistic medium and as a social dramaturgy *The Residues, Part Two* Stephen Barber,2021-02-01 Beginning in 1993 with Artaud Blows and Bombs Stephen Barber has quietly independently forged one of the most singular and enriching bodies of work in contemporary writing David Peace Over the three decades since 1990 Stephen Barber has written many essays and experimental writings around film and digital arts For the first time this collection in two parts assembles all of those writings many otherwise unavailable over seventy in all Many of those writings explore unknown elements of vital bodies of work that remain inspirational for contemporary art writing and film Others interrogate the transmutations of cities especially those of Europe and of Japan across those three decades anatomizing their urban futures These writings are often residues from or accompaniments to Stephen Barber s thirty books short writings which possess their own distinctive and accumulating presence and can display the interrogative resilience to explore preoccupations with greater intensity and pointedness than an entire book THE RESIDUES PART TWO collects 30 writings on subjects including JG Ballard Pier Paolo Pasolini Donald Richie and much more [A Hundred Years of Japanese Film](#) 田口浩二,2005-05-27 Donald Richie is one of the foremost authorities on Japanese cinema and has produced several classic works including books on the world renowned directors Kurosawa and Ozu Richie here offers a highly readable insider s look at the achievements of Japanese filmmakers Donald Richie is one of the foremost authorities on Japanese cinema and has produced several classic works including books on the world renowned directors Kurosawa and Ozu Richie here offers a highly readable insider s look at the achievements of Japanese filmmakers He begins in the late 1800s

Reinventing Japan Bill Kelly,2025-09-15 The book is a fascinating insightful tour through Japan s modern history cultural factions leaders and luminaries A thoughtful and informative book that I wish I d had before traveling to Japan Dr Kathryn Sorrells Professor Emeritus of Communication Studies California State University Northridge author of Intercultural Communication Globalization and Social Justice This book offers an inside look at Japan that will delight old hands as well as those looking for an accessible introduction to modern Japan its culture its politics and its people Kelly discussed some of the key figures that shaped contemporary Japan among them Prime Minister Kakuei Tanaka who helped make Japan an economic superpower Akio Morita the founder of Sony Inazo Nitobe author of Bushido The Soul of Japan Haruki Murakami the perennial candidate for the Nobel Prize for Literature DT Suzuki who introduced Zen to the West Hayao Miyazaki animator and co founder of Studio Ghibli What happens when a civilization is forced to measure itself against a radically different worldview In Reinventing Japan Bill Kelly examines how Japan confronted with the challenge of Western modernity undertook one of the most remarkable cultural and social transformations in history From the Meiji Restoration of the late

nineteenth century through the upheavals of the twentieth century Japan struggled not only to adopt Western science industry and institutions but also to redefine what it meant to be Japanese in a rapidly globalizing world Kelly shows how statesmen scholars artists and ordinary citizens alike wrestled with questions of identity How much of the West should be embraced What should be preserved from Japan's past And how could new forms of selfhood be created in the tension between tradition and innovation The answers to these questions reshaped education politics literature philosophy and everyday life producing a society that was at once modern and distinctly Japanese This is not simply a tale of Westernization It is the story of a nation that through acts of selective borrowing creative adaptation and conscious resistance charted its own path into modernity Sweeping in scope yet attentive to human experience *Reinventing Japan* offers an essential perspective on how cultures reinvent themselves in the face of foreign influence an issue as urgent today as it was more than a century ago

Searching for Japan Michele Monserrati, 2020 This book pursues the specific case of Italian travel narratives in the Far East through a focus on the experience of Japan in works by writers who visited the Land of the Rising Sun beginning in the Meiji period 1868-1912 and during the concomitant opening of Japan's relations with the West Drawing from the fields of Postcolonial and Transnational Studies analysis of these texts explores one central question what does it mean to imagine Japanese culture as contributing to Italian culture Each author shares in common an attempt to disrupt ideas about dichotomies and unbalanced power relationships between East and West Proposing the notion of relational Orientalism this book suggests that Italian travelogues to Japan in many cases pursued the goal of building imaginary transnational communities predicated on commonalities and integration by claiming what they perceived as Oriental as their own In contrast with a long history of Western representations of Japan as inferior and irrational *Searching for Japan* identifies a positive overarching attitude toward the Far East country in modern Italian culture Expanding the horizon of Italian transnational networks normally situated within the Southern European region this book reinstates the existence of an alternative Euro-Asian axis operating across Italian history

Drunk Japan Mark D. West, 2020-03-11 In *Drunk Japan* Mark D. West relies on an examination of thousands of Japanese court opinions to describe the role of alcohol in Japanese society He turns conventional wisdom about Japanese law on its head but focuses on alcohol and particularly intoxication in Japanese law He covers virtually every aspect of Japanese drinking life including what certain drinks mean what kinds of activity take place in a wide range of drinking establishments how drunk people are expected to behave how sober people are expected to take care of them how the drunk are punished or not why railway companies sue the heirs of drunk people who fall on the tracks to their deaths and who those people are passed out on the sidewalks

Japanese Portraits Donald Richie, 2011-12-20 Nobody has thought as widely and as concretely therefore as helpfully as Richie has about how a single distinctive culture gathers up contradictions coheres works resists change and changes Susan Sontag

through mountain traverses in the Japan Alps You ll also find a richer understanding of the country through chapters on Japan s history religions arts movies music and pressing environmental issues Make the most of your time with The Rough Guide to Japan **The Rough Guide to Japan** Rough Guides,2017-09-19 This in depth coverage of Japan s attractions sights and restaurants takes you to the most rewarding spots from the cutting edge modernism of Tokyo the history and culture of Kyoto to the heights of Mt Fuji and stunning color photography brings the nation to life The locally based Rough Guides author team introduces the best places to stop and explore and provides reliable insider tips on topics such as driving the roads taking walking tours or visiting local landmarks You ll find special coverage of history art architecture and literature and detailed information on the best markets and shopping for each area in this fascinating country The Rough Guide to Japan also unearths the best restaurants nightlife and places to stay from backpacker hostels to beachfront villas and boutique hotels and color coded maps feature every sight and listing Make the most of your time with The Rough Guide to Japan **Questions of Culture in Autoethnography** Phiona Stanley,Greg Vass,2018-05-15 Autoethnography allows researchers to make sense of the ethno the cultural by studying their own experiences the auto It links the self to the cultural allowing for an inductive grounding of theoretical insight into researchers lived experiences But what happens when the culture that we research is not conventionally or entirely our own What happens when our culture does not neatly conceptualise the auto as an individual Western self And does autoethnographic writing risk reducing cultural Others if we cannot help but see them through imperial eyes Questions of Culture in Autoethnography showcases how cross cultural autoethnographies might be done effectively ethically and reflectively Chapters include identity work among Tibetans in India and among the descendants of Spanish conquistadores in Appalachia insider outsider identities in myriad contexts from Mexico to Japan embodied gendered raced sized intercultural experiences from Samoa to Aotearoa New Zealand and from Canada to Malawi and language stories from Korea to Singapore and from Somalia to Australia It also explores cultural Otherness within a culture including researchers accounts of working with Indigenous Australians of contesting mainstream cultural narratives from a body positive perspective and as a US American man in New Zealand s bloke culture only seemingly sharing the same English language speaking Western culture For all scholars of qualitative methods and autoethnography the book has a dual purpose to show and to tell It presents evocative autoethnographies of and about culture as it is variously understood and discusses the issues inherent in autoethnographic writing **A Tractate on Japanese Aesthetics** Donald Richie,2009-02-01 Sure to be a classic Donald Richie s concise profound insights into the mysteries of Japanese This provocative book is a tractate a treatise on beauty in Japanese art written in the manner of a zuihitsu a free ranging assortment of ideas that follow the brush wherever it leads Donald Richie looks at how perceptual values in Japan were drawn from raw nature and then modified by elegant expressions of class and taste He explains aesthetic concepts like wabi sabi aware and yugen and ponders their relevance in art and cinema today Donald Richie is the

foremost explorer of Japanese culture in English and this work is the culmination of sixty years of observing and writing from his home in Tokyo

James Merrill Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents' bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet, gay liberation and AIDS Above all it is the story of a brilliantly gifted, fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W. H. Auden, Maya Deren, Truman Capote, Larry Rivers, Elizabeth Bishop and other midcentury luminaries and began publishing poems, plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty-year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one-of-a-kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self-knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love, loss and the poignant personal journey they record

A Lateral View Donald Richie, 1998-07-01 A revealing look at the Japanese through the window of their contemporary culture

Hidden Clinton Elliot, 2014-02-04 A charming, witty and wide-ranging collection of brief biographies of closeted gay men in modern and early modern history *Hidden: The Intimate Lives of Gay Men Past and Present* includes colorful snapshots of such well-known men as Horatio Alger, Thomas Eakins, King Edward II, Alfred C. Kinsey and Siegfried Wagner Readers will find joy and sorrow and pleasure and pain in these 400 biographies of men who were forced to live hidden lives All were caught in the tension between the torment of secrecy and the calamity of revelation How did they manage their difficult lives? How indeed did they survive? One who did was James Brooke He turned his inheritance into a 142-ton schooner sailed for the East Indies, seized the northern part of Borneo and proclaimed himself Rajah of Sarawak Among those who did not survive was Jan Quisthout Van der Linde a soldier in New Amsterdam not yet New York He was stripped of his arms, his sword broken at his feet He was then tied in a sack, thrown into the Hudson River and drowned until dead While illuminating individuals the book also provides rich cultural and historical content including the trial of those over the top transvestites Ernest Boulton, Stella of the Strand and Frederick Fanny Park and a delightful description of the 5th Marquess

of Anglesey as he parades along the boulevards of Paris rouged powdered and perfumed cradling an equally perfumed poodle festooned with pink ribbons Written in clear concise and lively prose Hidden offers a substantive and extensive look at men who lived their lives in conflict with their sexuality **The Rough Guide to Tokyo** Simon Richmond, Jan Dodd, 2011-03-01

The Rough Guide to Tokyo is the ultimate insider's guide to Japan's hyperactive capital All major and many off the beaten tracks sights are covered in detail from the soaring Tokyo Sky Tree the city's newest highest viewpoint to the exciting new contemporary art complex 3331 Arts Chiyoda and the reborn architectural treasure Mitsubishi Ichigokan It cuts through the hype to reveal the metropolis's best places to sleep eat drink and shop with a new chapter highlighting what a fantastic destination Tokyo is to take the kids There's all you need to know for great day trips to among other places the onsens of Hakone the tranquil temples of Kamakura and Yokohama's Chinatown Full colour sections introduce Tokyo's highlights its delicious array of cuisines and the best places to find them and the world leading design role the city has in everything from architecture to fashion Easy to read maps are provided throughout the guide plus there's handy colour subway map

The Japan Journals 19472004 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Japan Journals 19472004 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Japan Journals 19472004 has opened up a world of possibilities. Downloading The Japan Journals 19472004 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Japan Journals 19472004 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Japan Journals 19472004. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Japan Journals 19472004. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Japan Journals 19472004, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Japan Journals

19472004 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Japan Journals 19472004 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Japan Journals 19472004 is one of the best book in our library for free trial. We provide copy of The Japan Journals 19472004 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Japan Journals 19472004. Where to download The Japan Journals 19472004 online for free? Are you looking for The Japan Journals 19472004 PDF? This is definitely going to save you time and cash in something you should think about.
