The Japanese And The Haoles Of Honolulu:

Japanese and Haoles of Honolulu Frederick Samuels, 1970 This book describes and examines relations between the two largest racial groups in Hawaii the Japanese and the haoles Caucasians The study of Japanese haole interaction on the perceptual attitudinal and behavioral levels is accomplished through the use of 213 interviews two years of participant observation demographic data and historical documents Phenomena such as color sensitivity differences between the two groups oriental in groupness and the effects of socio economic and residence factors upon racial interaction are thus discovered and analyzed The construction of a universally applicable theory of durable racial ethnic or religious group interaction is then undertaken From the Honolulu empirical data a systematic theory is logically developed The attempt is then made to present viable suggestions based upon the theory for improving white black relations on the Mainland Several innovative possibilities are revealed by an application of certain hypotheses of the durable group interaction theory Dust jacket

Whittaker, 1986 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi's investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers

The Japanese Conspiracy Masayo Duus, 1999-10 A dramatic tale of how a little remembered strike in Hawaii fanned the flames of anti Japanese sentiment in the United States and the author argues ultimately led to the infamous Japanese

Haoles in Hawaii i strives to make sense of haole white person whiteness in Hawai i and the politics of haole in current debates about race in Hawai i Recognizing it as a form of American whiteness specific to Hawai i the author argues that haole was forged and reforged over two centuries of colonization and needs to be understood in that context Haole reminds us that race is about more than skin color as it identifies a certain amalgamation of attitude and behavior that is at odds with Hawaiian and local values and social norms By situating haole historically and politically the author asks readers to think about ongoing processes of colonization and possibilities for reformulating the meaning of haole For more information on Haoles in Hawaii visit <http://haolesinhawaii.blogspot.com>

Americanization, Acculturation, and Ethnic Identity Eileen Tamura, 1994 The main theme of this book is the interplay of Americanization and acculturation of the Japanese in the Hawaiian Islands By acculturation the author refers to what the Nisei wanted and actually did achieve their adaptation to American middle class life Preface *Hawaii at the Crossroads of the U.S. and Japan before the Pacific War* Jon Thares Davidann, 2008-08-20 Hawai i at the Crossroads tells the story of Hawai i s role in the emergence of Japanese cultural and political internationalism during the interwar period Following World War I Japan became an important global power and Hawai i Japanese represented its largest and most significant emigrant group During the 1920s and 1930s Hawai i s Japanese American population provided Japan with a welcome opportunity to expand its international and intercultural contacts This volume based on papers presented at the 2001 Crossroads Conference by scholars from the U S Japan and Australia explores U S Japanese conflict and cooperation in Hawai i truly the crossroads of relations between the two countries prior to the Pacific War From the 1880s to 1924 180 000 Japanese emigrants arrived in the U S A little less than half of those original arrivals settled in Hawai i by 1900 they constituted the largest ethnic group in the Islands making them of special interest to Tokyo Even after its withdrawal from the League of Nations in 1933 Japan viewed Hawai i as a largely sympathetic and supportive ally Through its influential international conferences Hawai i s Institute of Pacific Relations conducted a program that was arguably the only informal diplomatic channel of consequence left to Japan following its withdrawal from the League The Islands represented Japan s best opportunity to explain itself to the U S here American and Japanese diplomats official and unofficial could work to resolve the growing tension between their two countries College exchange programs and substantial trade and business opportunities continued between Japan and Hawai i right up until December 1941 While hopes on both sides of the Pacific were shattered by the attack on Pearl Harbor the Japan Hawai i connection underlying not a few of them remains important informative and above all compelling Its further exploration provided the rationale for the Crossroads Conference and the essays compiled here Contributors Tomoko Akami Jon Davidann Masako Gavin Paul Hooper Michiko It Nobuo Katagiri Hiromi Monobe Moriya Tomoe Shimada Noriko Mariko Takagi Kitayama Eileen H Tamura **Mixed Blood** Paul R.
