Sinclair II,2015-11-06 The American and Filipino guerrillas that fought against the Japanese occupation of the Philippines were key in providing direction to resistance efforts and in the eventual liberation of the islands The guerrillas escaped the aggressive counter guerrilla efforts of the Imperial Japanese Army The Japanese failure to deal with isolated soldiers and civilians provided the time they needed to organize into guerrilla groups and prepare for American forces liberation of the Philippines This analysis of American and Filipino insurgents covers the effectiveness of Japanese counter guerrilla efforts the intelligence structure created by General Douglas MacArthur s staff to support the guerrillas the guerrilla s contributions to the liberation of the Philippines and it examines how Americans would form guerrilla groups and fight as insurgents behind enemy lines if circumstances warranted Additionally it provides general insight as to how resistance movements form **The Japanese Occupation of the Philippines, Leyte, 1941-1945** Elmer Norton Lear,1974 *Documents on the Japanese Occupation of the Philippines* Mauro Garcia,1965 **Japanese Occupation of the Philippines** Rafaelita Hilario Soriano,1948 *A Matter of Time* Robert H. Warren,2018-10-19 This volume is devoted almost exclusively to events which transpired during the first year of the Japanese Occupation of the Philippines Occasional brief reference has been made however to events which occurred during the second third and the beginning of the fourth years of Japanese oppression While it is the true that the suffering of the Filipino people did not reach its peak until the beginning of the fourth year of the Japanese occupation their suffering was great enough during the first year I have chosen to write concerning the first year because it was during that year that I had the greatest opportunity both to witness the suffering of the people and to talk

with persons who witnessed occurrences which did not come within the range of my personal observation The first draft of this volume was written in 1942 when the events described therein transpired Immediately prior to my reinternment in Santo Tomas in December of 1942 the manuscript was concealed in the attic of my mother in law s house in Manila where it remained until I brought it to the United States The manuscript has been rewritten and occasional reference has been made to events which transpired subsequent to the writing of the first draft A Diary of the Japanese Occupation, December 7, 1941-May 7, 1945 Juan Labrador,1989 **Documents on the Japanese Occupation of the Philippines** Mauro Garcia,1965 *The Huk Rebellion* Benedict J. Kerkvliet,2002 Newly available with an updated bibliographic essay this highly acclaimed work explores the Huk rebellion a momentous peasant revolt in the Philippines Unlike prevailing top down analysis Kerkvliet seeks to understand the movement from the point of view of its participants and sympathizers He argues that seeing a peasant revolt through the eyes of those who rebelled explains and clarifies the actions of people who otherwise might appear irrational Drawing on a rich array of documents and in depth interviews with peasants and rebel leaders the author provides definitive answers to the causes of the rebellion the goals of the rebels and the process of resistance
