Fisher, 2012-06-01 This novel tells the story of the scribes who produced the book of Genesis It is narrated by Keziah the wife of Jonathan one of the scribes They collected the stories and put them together according to a detailed plan These same scribes worked in the Jerusalem Academy during the time of the Davidic monarchy about 1000 BCE The scribes understood their work to be a Royal Epic and it helped bring Judah and Israel together and legitimize the throne of David This epic was performed at the dedication of David's palace and it is interesting to note the interplay between the scribes text and the performance of the minstrels **The Jerusalem Academy of Medicine**, 1956 **The Jerusalem Academy of Jewish Studies** Yeshivat Devar Yerushalayim, 1972

Dance Spreads Its Wings Ruth Eshel, 2021-10-25 Why did dance and dancing become important to the construction of a new modern Jewish Israeli cultural identity in the newly formed nation of Israel There were questions that covered almost all spheres of daily life including What do we dance because Hebrew or Eretz Israeli dance had to be created out of none How and why did dance develop in such a way Dance Spreads Its Wings is the first and only book that looks at the whole picture of concert dance in Israel studying the growth of Israeli concert dance for 90 years starting from 1920 when there was no concert dance to speak of during the Yishuv pre Israel Jewish settlements period until 2010 when concert dance in Israel had grown to become one of the country's most prominent original artistic fields and globally recognized What drives the book is the impulse to create and the need to dance in the midst of constant political change It is the story of artists trying to be true to their art while also responding to the political social religious and ethnic complexities of a Jewish state in the Middle East
