Morvorra Anyone that foolishly wandered in or around that place is neither seen nor heard from again Then there is the far northeastern Kjolferdorn mountains Beaten weekly with snowstorms it is also home to some of the deepest ravines and crevices in all Mjornia It has openings that stretched deep beneath the surface where numerous large caverns lie Some stretched on for miles where none dare tread Others led to ruined underground fortresses made entirely from clear quartz crystals along with other precious gems and minerals Relics were formed by the most skilled enchanters and crafters in Mjornias ancient past No matter where you find yourself in Mjornia magic is inescapable and the allure of such a place mesmerizes you with beauty and wonder But for now our story starts simple It begins with the most innocent form in all Mjorniaa child However in this case its actually several children who must discover their purpose and how it affects everything that exists in this realm before all is lost

For generations, the White Monks have treated the vampire Thaddeus Dupont as a weapon in their battle against demons. However, when a prominent matron drops dead at a party, Thaddeus and his lover Sarasija are asked to find her killer. Their investigation leads them to an old southern family with connections everywhere: Louisiana politics, big business, the Church, and an organization just as secret as the White Monks. Meanwhile, an esoteric text containing spells for demon summoning has disappeared. Thaddeus is losing control of le monstre, and Sara is troubled by disturbing dreams. These nightmares could be a side effect of dating a vampire, or they could be a remnant of his brush with evil. As the nights wear on, Sara fears they are a manifestation of something darker: a secret that could destroy his relationship with Thaddeus.
