## **The Jew And The Cross:**

**The Jew and the Cross** Dagobert David Runes,1965      **Christian Attitudes Toward the Jews in the Middle Ages** Michael Frassetto,2007 Publisher description      Imagining the Jew in Anglo-Saxon Literature and Culture Samantha Zacher,2016-01-01 The thirteen essays in *Imagining the Jew in Anglo Saxon Literature and Culture* examine visual and textual representations of Jews before 1066      **Cross Purposes** Magdalena Waligórska,2022-12-22 No other symbol is as omnipresent in Poland as the cross This multilayered and contradictory icon features prominently in public spaces and state institutions It is anchored in the country s visual history inspires protest culture and dominates urban and rural landscapes The cross recalls Poland s historic struggles for independence and anti Communist dissent but it also encapsulates the country s current position in Europe as a self avowed bulwark of Christianity and a champion of conservative values It is both a national symbol defining the boundaries of Polishness in opposition to a changing constellation of the country s Others and a key object of contestation in the creative arts and political culture Despite its long history the cross has never been systematically studied as a political symbol in its capacity to mobilize for action and solidify power structures *Cross Purposes* is the first cultural history of the cross in modern Poland deconstructing this key symbol and exploring how it has been deployed in different political battles      The Jew, the Cathedral and the Medieval City Nina Rowe,2011-04-04 In the thirteenth century sculptures of Synagoga and Ecclesia paired female personifications of the Synagogue defeated and the Church triumphant became a favoured motif on cathedral façades in France and Germany Throughout the preceding centuries the Jews of northern Europe prospered financially and intellectually a trend that ran counter to the long standing Christian conception of Jews as relics of the prehistory of the Church In this book Nina Rowe examines the sculptures as defining elements in the urban Jewish Christian encounter She locates the roots of the Synagoga Ecclesia motif in antiquity and explores the theme s public manifestations at the cathedrals of Reims Bamberg and Strasbourg considering each example in relation to local politics and culture Ultimately she demonstrates that royal and ecclesiastical policies to restrain the religious social and economic lives of Jews in the early thirteenth century found a material analog in lovely renderings of a downtrodden Synagoga placed in the public arena of the city square      **Paul the Jew under Roman Rule** Neil Elliott,2024-09-24 Some of the most heated contests around the apostle Paul today concern the effort to understand him wholly within Judaism and the effort to interpret him over against the culture and ideology of the early Roman Empire In this collection of essays Neil Elliott shows that these two conversations belong together and must be resolved together by understanding Paul as a Jew living out Israel s ancient hopes under the pressures of Roman imperial power      Modern History of the Jews a Literary gentleman,Jews,1814      **The American Jewish Chronicle** ,1918      **The Jew and the Cross** Dagobert David Runes,1666      *The Jewish Veteran* ,1938      **Visualizing Jews Through the Ages** Hannah Ewence,Helen Spurling,2015-03-24 This volume explores literary and material representations of Jews Jewishness and Judaism from

antiquity to the twenty first century Gathering leading scholars from within the field of Jewish Studies it investigates how the debates surrounding literary and material images within Judaism and in Jewish life are part of an on going strategy of image management the urge to shape direct authorize and contain Jewish literary and material images and encounters with those images a strategy both consciously and unconsciously undertaken within multifarious arenas of Jewish life from early modern German lands to late twentieth century North London late Antique Byzantium to the curation of contemporary Holocaust exhibitions *Justin Martyr's Dialogue with Trypho the Jew* Saint Justin (Martyr),1745 *Dialogue Against the Jews* Petrus Alfonsi,2006-10 Petrus Alfonsi s Dialogue Against the Jews ca 1109 breaks new ground in the history of Christian anti Jewish polemics As a recent convert from Judaism Alfonsi introduced an intimate knowledge of Jewish literature and contemporary practice absent from earlier Christian sources This knowledge enabled him to attack for the first time the Talmud or more broadly post biblical Jewish literature as a source of Jewish error with arguments drawn from philosophy and theology astronomy medicine and physics Equally important Alfonsi s Dialogue contains an extensive anti Muslim polemic to explain not only why he abandoned Judaism but also why he rejected Islam and chose the Christian faith For these reasons the Dialogue has been described as the most important anti Jewish text of the Latin Middle Ages This assessment is based not only on its innovative argumentation but also on the fact that it was one of the most popular medieval anti Jewish polemics written **The Hebrew Christian Alliance Quarterly** ,1928 *The Catholic Church and the Jews* Graciela Ben-Dror,2008-01-01 The impact of events in Nazi Germany and Europe during World War II was keenly felt in neutral Argentina among its predominantly Catholic population and its significant Jewish minority The Catholic Church and the Jews Argentina 1933 1945 considers the images of Jews presented in standard Catholic teaching of that era the attitudes of the lower clergy and faithful toward the country s Jewish citizens and the response of the politically influential Church hierarchy to the national debate on accepting Jewish refugees from Europe The issue was complicated by such factors as the position taken by the Vatican Argentina s unstable political situation and the sizeable number of citizens of German origin who were Nazi sympathizers eager to promote German interests Argentina s self perception was as a Catholic country Though there were few overtly anti Jewish acts traditional stereotypes and prejudice were widespread and only a few voices in the Catholic community confronted the established attitudes **Queer Theory and the Jewish Question** Daniel Boyarin,Daniel Izkovitz,Ann Pellegrini,2003 Table of contents *The Jew in Eighteenth Century America* Marvin Lowenthal,1915 *Old Crosses and Lychgates* Aymer Vallance,2023-11-03 *Old Crosses and Lychgates* by Aymer Vallance Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **Healing the Schism** Jennifer M.
