Olawu P. J. Leigh, 2023-07-01 Set in a time and place unburdened by the devastation of colonialism Olawu is a refreshing tale about a brave girl with a bold dream Olawu is the eldest daughter of Kanakam's only physician Her strong will and compassionate nature are a constant source of conflict in her village In Kanakam there are many rules for girls and those who break them are often broken Despite Kanakam's restrictions against girls reading writing or working a trade her father

teaches her in secret Inspired by his skill and shielded by his status Olawu learns eagerly at his side hoping to one day follow in his footsteps Olawu s world is upended when the Dikebe tribe takes over Kanakam The Dikebe tribe has conquered dozens of villages west of the river as they wage a violent war against the Oloko tribe to the east When tragedy strikes Olawu and her family are left vulnerable to the harsh realities of Kanakam including the forced marriage ritual known as the Choosing As the eldest daughter Olawu s duty is to protect her family But her father instilled in her a greater purpose and the Choosing is no better than slavery Driven to desperation she seeks help from Dikembe the son of the tribal warlord who has taken over her village She hopes he will repay her father s past kindness and shield her family but hope is a fragile thing and time is running out Told in three parts Olawu is an inspiring coming of age story an immersive introduction to 19th century East Africa and a Quarter Finalist for the 2023 BookLife Prize for Fiction **House Beautiful** ,1914 **The Horological**

American Machinist ,1910 A Spy Walks into This Bar Gene Coyle,2022-08-18 It s 1990 and the Cold War is coming to an end but the game of espionage continues on as America and the West prepares for the First Gulf War with Iraq The career of longtime CIA officer William Wythe is also coming to a sad end at his final posting in Lisbon Portugal His last ten years have been spent mostly in an alcoholic blur since his wife died in a terrorist attack meant for him The Chief of Station wants to be rid of him a special counterintelligence section of the CIA suspects he may be a Russian mole and the high point of his dark weeks is anonymously playing piano at a local dive in the city two nights a week But as is often the case in the wilderness of mirrors of espionage all the facts and the people may not be as they seem An unhappily married Brazilian woman is frequenting this jazz club and growing fonder of William raising some hope that he may yet have a future worth living She joins him on a private search for missing Hungarian royal jewels which may have been hidden in Portugal towards the end of WWII A modern neo Nazi group is also on the hunt for those same jewels All the players cross paths at the Clube de Jazz which is run by an elderly Italian American who d been in America s wartime O S S the forerunner of the Central Intelligence Agency **Tares Among the Wheat Volume Two** H. Melvin James,2019-12-09 Tares among the Wheat By H Melvin James This second volume concludes the two established primary framed story lines that traverse the entirety of the novel Herein mysteries of mysticism religion and ancient legend as introduced in the previous book are granted explanation and plausibility As the story lines converge toward simultaneous conclusion at the end of the novel other mysteries arise and

are resolved Events and experiences described in this volume include extremes of sorrow horror joy and romance In this saga as in life there are those who meet more suffering than comfort but the balance of the aggregate inevitably and eventually tilts toward triumph justice peace and contentment Redemption as in reality is both compromised and realized Episodes herein expose the cruelty of humanity as the torments of warriors and the crimes of civilians Ultimately however the unconquerable collective of human decency determination and faith prevails Senseless murders punctuate the merciless decade of the horrific Dust Bowl and the Great Depression In this volume those murders as well as other crimes fraud assault and theft are brought to the justice of mortals while the non statutory transgressions of greed power vanity and selfishness are left to the infallible and certain justice of the Almighty Surprises for the reader pleasing and teasing are unveiled in this volume These story lines also reclaim the obvious axiom our predecessors often do not succeed for themselves in their own lifetimes but they plant the fields of wheat for their descendants to reap the harvest and since no soul takes anything from this earth in his departing is not one's legacy the only true tangible success
