Jewish People Joel Lurie Grishaver, 1997-11 Because thirteen year old Gabe is mentally disabled and has special needs his rabbi and family create an unconventional bar mitzvah for him one centered around the story of Noah's ark **Jean-Paul Sartre and the Jewish Question** Jonathan Judaken, 2006-12-01 Examines the image of the Jew in Sartre's work to rethink not only his oeuvre but also the role of the intellectual in France and the politics and ethics of existentialism This book

explores how French identity is defined through the abstraction and allegorization of the Jew **The Jewish Experiential Book** Bernard Reisman, 1979 The Myth of the Jewish Race Alain F. Corcos, 2005 As a youth the author who had two Jewish grandparents was defined as a Jew by Vichy France his parents however refused to register the family as Jews In March 1944 Corcos and his brother fled to Spain and joined the Allied Forces in North Africa States that antisemites consider Jewishness to be inherited and to embody inferior evil traits This view is based on two false biological premises that there are pure races of humans and that some races are superior to others Rejects these premises by considering modern biology and Jewish history The latter indicates that the Jews cannot be a race due to their lack of sexual isolation diversity among Jews is a result of both intermarriage and proselytism Sees the Spanish limpieza de sangre statutes and the Inquisition as precursors of Nazi racism Observes that sometimes Jews have joined antisemites in accepting biological determinism Intermarriage in countries such as China India and the USA has led to considerable biological diversity among Jews and to the reduction of diversity between Jews and non Jews if such diversity existed at all Stresses that if antisemites have worried about contamination of their race by the Jews they have already missed the boat since Jews have mixed with non Jews for many centuries **The Jewish Political Tradition** Michael Walzer, Menachem Lorberbaum, Noam J. Zohar, Ari Ackerman, 2006-05-15 This book launches a landmark four volume collaborative work exploring the political thought of the Jewish people from biblical times to the present The texts and commentaries in Volume I address the basic question of who ought to rule the community Descripci n del editor **Paul, the Law, and the Jewish People** E. P. Sanders, 1983-01-01 This book is devoted both to the problem of Paul's view of the law as a whole and to his thought about and relation to his fellow Jews Building upon his previous study the critically acclaimed Paul and Palestinian Judaism E P Sanders explores Paul's Jewishness by concentrating on his overall relationship to Jewish tradition and thought Sanders addresses such topics as Paul's use of scripture the degree to which he was a practicing Jew during his career as apostle to the Gentiles and his thoughts about his kin by race who did not accept Jesus as the messiah In short Paul's thoughts about the law and his own people are re-examined with new awareness and great care Sanders addresses an important chapter in the history of the emergence of Christianity Paul's role in that development specially in light of Galatians and Romans is now re-evaluated in a major way This book is in fact a significant contribution to the study of the emergent normative self definition in Judaism and Christianity during the first centuries of the common era Blacks in the Jewish Mind Seth Forman, 2000-10 Since the 1960s the relationship between Blacks and Jews has been a contentious one While others have attempted to explain or repair the break up of the Jewish alliance on civil rights Seth Forman here sets out to determine what Jewish thinking on the subject of Black Americans reveals about Jewish identity in the U S Why did American Jews get involved in Black causes in the first place What did they have to gain from it And what does that tell us about American Jews In an extremely provocative analysis Forman argues that the commitment of American Jews to liberalism and their historic definition of themselves as victims has

caused them to behave in ways that were defined as good for Blacks but which in essence were contrary to Jewish interests They have not been able to dissociate their needs religious spiritual communal political from those of African Americans and have therefore acted in ways which have threatened their own cultural vitality Avoiding the focus on Black victimization and white racism that often infuses work on Blacks and Jews Forman emphasizes the complexities inherent in one distinct white ethnic group s involvement in America s racial dilemma **Clash of Modernities** Khaldoun Samman,2015-12-03 To understand the Middle East we must also understand how the West produced a temporal narrative of world history in which westerners placed themselves on top and all others below them In a landmark reinterpretation of Middle Eastern history this book shows how Arabs Muslims Turks and Jews absorbed revised yet remained loyal to this Western vision Turkish Kemalism and Israeli Zionism in their efforts to push their people forward accepted the narrative almost wholeheartedly eradicating what they perceived as archaic characteristics of their Jewish and Turkish cultures Arab nationalists negotiated a more culturally schizophrenic approach to appeasing the colonizer s gaze But so too Samman argues did the Islamists who likewise wanted to improve their societies But in order to modernize Islamists prescribed the eradication of Western contamination and reintroduced the prophetic stage that they believe if the colonizer and their local Arab coconspirators hadn t intervened would have produced true civilization Samman s account explains why Islamists broke more radically with the colonizer s insult For all these nationalists gender would be used as the measuring device of how well they did in relation to the colonizer s gaze **Jews Against Zionism** Thomas Kolsky,2010-05-03 The first full scale history of the only organized American Jewish opposition to Zionism during the 1940s **Jewish Identities in American Feminist Art** Lisa E. Bloom,2013-09-05 Featuring sixty seven illustrations and providing an important reckoning and visualization of the previously hidden Jewish ghosts within US art Jewish Identities in American Feminist Art addresses the veiled role of Jewishness in the understanding of feminist art in the United States From New York city to Southern California Lisa E Bloom situates the art practices of Jewish feminist artists from the 1970s to the present in relation to wider cultural and historical issues Key themes are examined in depth through the work of contemporary Jewish artists including Eleanor Antin Judy Chicago Deborah Kass Rhonda Lieberman Martha Rosler and many others Crucial in any study of art visual studies women s studies and cultural studies this is a new and lively exploration into a vital component of US art *The Cambridge Companion to Jewish American Literature* Hana Wirth-Nesher,Michael P. commissioned essays by leading figures discusses Jewish American literature in relation to ethnicity religion politics race gender ideology history and ethics and places it in the contexts of both Jewish and American writing With its chronology and guides to further reading this volume will prove valuable to scholars and students alike American Judaism in Transition Gerhard Falk,1995 The American Jewish community is in transition This book describes in detail how American Jews changed from living in a religion oriented community to living a secular life Falk discusses how Jewish Americans were greatly influenced by the secularization of Western civilization in general and by the Christian community in Europe and America specifically The secularization of American Jewish institutions is analyzed by discussing changes in the Jewish religion Jewish education and Jewish organizations during this century Special consideration is given to the issue of Jewish survival in America with specific emphasis on the Jewish Christian intermarriage rate Contents Part One The Present Condition of Judaism in America The American Jewish at the End of the 20th Century Part Two The Development of Secularization in the Western World The Influence of Jewish Philosophers on the Secularization of Judaism The Influence of Christians and Other Philosophers on the Secularization of the Western World The Secularization of the U S before 1900 The Influence of Scientific Thinking on the Secularization Process The Influence of Some European and American Writers on the Secularization Process The Secularization of the United States in the 20th Century Part Three American Jewish Institutions at the End of the Century The Secularization of the Jewish Religion in America The Secularization of the American Jewish Family The Secularization of American Jewish Education Organized American Jewishness at the End of the 20th Century Part Four Jewish Continuity in a Secular Society The Secular Life in America Jewish Survival in America Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp,2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals

of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world Liberal Jewish Anti-Zionism Jack Ross,2025-06-16 To the extent Jewish historians have recalled the American Council for Judaism at all the picture they have left has been a badly distorted one Far from a marginal voice among midcentury American Jews its membership was impressive by the standards of American Jewish life in the era that followed Far from a sect of reactionary cranks it was closely allied with many champions of the prewar liberal tradition and a sturdy remnant of the historic Jewish labor movement The Council owed at least as much to the binationalist movement and its religious and cultural sources as to a stubborn allegiance to the Radical Reform tradition and its high church aesthetic In this reader the Council its forerunners and its allies are presented in their own words In face of the Israeli Palestinian conflict and as visions for non Orthodox American Jewish life grow fewer and farther between the Council s witness to its origins is as relevant as ever With an appended bibliographical essay this volume is indispensable for all researchers in American Jewish history and its connections to Israel and Palestine *Elie Wiesel* Robert McAfee Brown,1983-01-15 Upon presenting the 1986 Nobel Prize for Peace to Elie Wiesel Egil Aarvick chairman of the Norwegian Nobel Prize Committee hailed him as a messenger to mankind not with a message of hate and revenge but with one of brotherhood and atonement Elie Wiesel *Messenger to All Humanity* first published in 1983 echoes this theme and still affirms that message a call to both Christians and Jews to face the tragedy of the Holocaust and begin again **Militarism and Israeli Society** Gabriel Sheffer,Oren Barak,2010-03-12 Challenging the established view that the civilian sector in Israel has been predominant over its security sector since the state s independence in 1948 this volume critically and systematically reexamines the relationship between these sectors and provides a deeper more nuanced view of their interactions Individual chapters cast light on the formal and informal arrangements connections and dynamic relations that closely tie Israel s security sector to the country s culture civil society political system economy educational system gender relations and the media Among the issues and events discussed are Israel s separation barrier the impact of Israel s military confrontations with the Palestinians and other Middle Eastern states especially Lebanon and the impact of the wars in Iraq and Afghanistan The Israeli case offers insights about the role of the military and security in democratic nations in contemporary times
