Tigay, 1994-02-01 What is there of Jewish interest to see in Bombay In Casablanca Where are the kosher restaurants in Seattle How did the Jewish community in Hong Kong originate The Jewish Traveler Hadassah Magazine's Guide to the World's Jewish Communities and Sights provides this information and much more

Travel Resources Stephen Walker, 2009-08-28 Written for the traveler who needs information beyond what is provided in a general guidebook Travel Resources An Annotated Guide introduces the reader to comprehensive and specialized travel literature and resources In this book author Stephen Walker offers practical and accessible direction for anyone seeking detailed and valuable information on travel while also instructing readers in ways to find information that may not be included in this guide Organized by topic each topic begins with information that is useful to new travelers so that anyone can begin with any topic without any previous knowledge of it However the book also goes further so as to provide information useful to the seasoned traveler The wide variety of topics related to travel provide many new and possibly overlooked opportunities even for veteran travelers and the works included have been selected because of the depth with which each treats its subject matter in order to ensure that each resource is of the quality that today's traveler demands

Becoming Jewish Netanel Fisher, Tudor Parfitt, 2016-12-14 One of the most striking contemporary religious phenomena is the world wide fascination with Judaism Traditionally few non Jews converted to the Jewish faith but today millions of people throughout the world are converting to Judaism and are identifying as Jews or Israelites In this volume leading scholars of issues related to conversion Judaizing movements and Judaism as a New Religious Movement discuss and explain this global movement towards identification with the Jewish people from Germany and Poland to China and Nigeria

Choosing a Jewish Life, Revised and Updated Anita Diamant, 2007-08-07 As a rabbi and a convert I appreciate this book deeply for its sensitivity to the complex feelings of those who are exploring paths to becoming Jewish and for the deep love of Judaism it conveys I will give it to every interfaith couple and recommend that they give it to their parents It is wonderful Rachel Cowan co author of Mixed Blessings In the same knowledgeable reassuring and respectful style that has made her one of the most admired writers of guides to Jewish practices and rituals Anita Diamant provides advice and information that can transform the act of conversion into an extraordinary journey of self discovery and spiritual growth Married to a convert herself Diamant anticipates all the questions doubts and concerns provides a comprehensive explanation of the rules and rituals of conversion and offers practical guidance toward creating a Jewish identity Here you will learn how to choose a rabbi a synagogue a denomination a Hebrew name how to handle the difficulty of putting aside Christmas what happens at the mikvah the ritual bath or at a hatafat dam brit circumcision ritual for those already circumcised how to find your footing in a new spiritual family that is not always well prepared to receive you and how not to

lose your bonds to your family of origin Sensitive sympathetic and insightful Choosing a Jewish Life provides everything necessary to make conversion a joyful and spiritually meaningful experience **Practical Parenting** Gail Josephson Lipsitz,1997 **The Everything Judaism Book** Richard D Bank,2002-10-01 Judaism has survived for four millennia and many of its customs laws and traditions have remained exactly the same today as in the days of Abraham Isaac and Jacob The Everything Judaism Book explains the major precepts of this robust religion in language anyone can understand and appreciate From High Holy Days such as Passover and Yom Kippur to symbols and objects such as the Star of David and the tallis prayer shawl Jews and non Jews alike will gain new understanding and insights into the rich diversity and seemingly endless complexity of Jewish practices and culture Authoritative and thought provoking The Everything Judaism Book has been exhaustively reviewed for accuracy by Orthodox Rabbi Jacob Rosenthal and Reform Rabbi Robert Leib The Everything Judaism Book is a terrific introduction if you re learning the religion for the first time a great way to brush up on facts you may have forgotten from Hebrew school and the perfect mitzvah good deed gift for a friend or relative **Hong Kong In The World: Implications To Geopolitics And Competitiveness** Simon Xu Hui Shen,2016-07-21 Hong Kong in the World provides innovative insight into the role of Hong Kong as a Special Administrative Region of the People s Republic of China since 1997 in the global context This book looks into the institutional settings of Hong Kong in exercising its external relations policies and specific bilateral relations with different political entities Written as an introductory text it is specially designed for undergraduate students interested in Chinese foreign policy Hong Kong s external relations and the para diplomacy of sub national units Changing Perspectives Allison E. Schottenstein,2021-03-15 Changing Perspectives charts the pivotal period in Houston s history when Jewish and Black leadership eventually came together to work for positive change This is a story of two communities both of which struggled to claim the rights and privileges they desired Previous scholars of Southern Jewish history have argued that Black Jewish relations did not exist in the South However during the 1930s to the 1980s Jews and Blacks in Houston interacted in diverse and oftentimes surprising ways For example Houston s Jewish leaders and eventually Black political leaders forged a connection that blossomed into the creation of the Mickey Leland Kibbutzim Internship in Israel for disadvantaged Black youth Initially Houston Jewish leadership battled with their devotion to liberalism and sympathy with oppressed Blacks and their desire to acculturate The distance between Houston s Jews and Blacks diminished after changing demographics the end of segregation city redistricting and the emergence of Black political power Simultaneously Israel s victory during the Six Day War caused the city s Jews to embrace their Jewish identity and form an unexpected bond with Black political leaders over the cause of Zionism Allison Schottenstein shows that Black Jewish relations did exist during the Long Civil Rights Movement in Houston Indeed Houston played a significant role in the scope of Southern Jewish history and in expanding our understanding of Black Jewish relations in the United States
