The Jews As Custodians And Witnesses:

The Divine Unity of Scripture Adolph Saphir, 1892 These lectures of Dr Saphir were delivered in Kensington at the close of 1889 and beginning of 1890 They are in some respects the most important of all his writings as they give in connected form his matured views of the relation of the two great divisions of the Bible No preacher or writer of our day had such a clear insight into the spirit and connection of the sacred writings This was the great charm of his preaching which made it so attractive to many earnest minded Christians of all churches Preface

Augustine and the Jews Paula Fredriksen, 2010-10-12 Now in paperback with a new postscript this updated edition of Paula Fredriksen s critically acclaimed Augustine and the Jews traces the social and intellectual forces that led to the development of Christian anti Judaism and shows how and why Augustine challenged this tradition Drawing us into the life times and thought of Augustine of Hippo 396 430 Fredriksen focuses on the period of astounding creativity that led to his new understanding of Paul and to his great classic The Confessions She shows how Augustine s struggle to read the Bible led him to a new theological vision one that countered the anti Judaism not only of his Manichaean opponents but also of his own church The Christian Empire Augustine held was right to ban paganism and to coerce heretics But the source of ancient Jewish scripture and current Jewish practice he argued was the very same as that of the New Testament and of the church namely God himself Accordingly he urged Jews were to be left alone Conceived as a vividly original way to defend Christian ideas about Jesus and about the Old Testament Augustine s theological innovation survived the collapse of the Western Roman Empire and it ultimately served to protect Jewish lives against the brutality of medieval crusades Augustine and the Jews sheds new light on the origins of Christian anti Semitism and through Augustine opens a path toward better understanding between two of the world s great religions

Yours Is a Precious Witness Margherita Marchione, 2001 Mainly using untapped oral histories of Italian Jews and Catholics this book shows that Catholics in Italy who saved Jews firmly believed they were doing so in consonance with the Pope s wishes Readers will get to know these courageous individuals through their inspiring memoirs Yours Is a Precious Witness strives to redraw a common picture of Pius XII He spoke loudly not in words that would have resulted in Nazi retaliations but in actions that directly saved thousands of Jews Convents monasteries and papal buildings in Italy became havens for refugees Pius XXII did not bow to the Nazis and Fascists He also did not bow to the pressure of world opinion He took the more courageous path of direct action His example inspired Italians to respond with countless acts of individual heroism The little known result is that while 67 percent of

European Jews were killed 85 percent of Italy's Jews were saved The people who were there the people who knew best credit Pius XII for this moral victory

Islam and the Infidels David Bukay, 2017-07-12 This book discusses Islam its relationship with the world and how Muslims perceive the world and their role within it Using Islamic scriptures and the works of important Muslim clerics the author explores the Islamic notion that Muslims represent the best of humanity and as such have the duty and the right to propagate their faith throughout the world by any means including violence Islam and the Infidels warns of the dangers Muslim immigration poses to free societies Using a diplomacy of deceit Islamists immigrate to Western societies Having done so they establish closed ethnic communities that are estranged from their host countries and are breeding grounds for native born malcontents who may attack and destroy Western nations from within The author is especially critical of Western apologists who not only pretend that Islam is not inherently aggressive and dangerous but also denigrate those who point out the threat to liberal values posed by fundamentalist Islamic ideology Bukay argues that to meet the Islamic threat the West must understand Islam's true nature and the best way of doing so is by analysing its scriptures and history Bukay argues that Western societies should embrace the Judeo Christian tradition which is the root of their cultural heritage In light of the mounting Muslim threat to liberalism in Western societies citizens should resist oppressive Islamic practices and doctrines rather than accept them

Saperstein, Marc Saperstein, 1999-12-15 Harold I Saperstein served as rabbi of Temple Emanu El of Lynbrook N Y from 1933 until his retirement in 1980 The specific contours of his career reflect a sustained effort to use the pulpit of this suburban temple to communicate a Jewish perspective based on personal encounters with great issues of the day including the rise of Nazism and the Holocaust the civil rights era the McCarthy era and other turning points in American history The fifty two
