George D. Johnson,2011-10-26 George D Johnson s

What Will A Man Give In Exchange For His Soul is an extensive study of men and women who gave their lives to Christ for the sake of others Men have exchanged their souls for much power wealth and success When the envious Pharisees asked Christ which was the greatest commandment in the law in essence he told them that loving God and their fellow man are the only two laws for which men can exchange their souls Anything apart from this means they will fall short of God s

expectations And Johnson s sophisticated treatise illustrates this fact **Jim Elliot** Irene Howat,2019 Jim Elliot had a loving wife a beautiful little girl and a reason for real joy God had called him to bring the good news of Jesus Christ to the Auca Indians The love of Christ not only thrilled him but gave him peace Jim would spend the rest of his life bringing Jesus to the lost Aucas but the rest of Jim s life was only a matter of months Persecution and death are a reality for many Christians today Jim Elliot and four other young men died in the middle of doing God s work The very people they had come to rescue came out against them with machetes and clubs But Jim had realised for quite some time what serving God really meant There is nothing that is worth more than Jesus not even your life He is no fool who gives up what he cannot keep to gain what he cannot lose This is the story of Jim s love for a fighting people and of his fight for a loving God When his life ended the work went on and many of the Auca Indians today have the same reason that Jim Elliot had for real joy Includes Thinking Further Topics Timeline Map **Echoes of the Call** Jeffrey Swanson,1995-06-29 Drawing on the personal histories of one hundred evangelical missionaries in Ecuador Echoes of the Call explores the lives of missionaries as sociological strangers In a study as compelling as it is insightful Jeffrey Swanson illustrates how missionaries are distanced not only from their culture and homeland but also from their own era The work begins with Swanson s interpretation of how his own experience as a child of missionaries shaped the viewpoint of estrangement from which the book is written Swanson renders the formation of a missionary identity as the rhetorical composition of a personal testimony in which life stories of separation loss conflict and conversion are melded symbolically with historical mission themes of sacrifice heroism spiritual militancy and divine calling

Relying on his subjects own narratives he traces the missionaries personal journeys as their sense of calling first emerges and then as it must be reinterpreted to account for unexpected ambiguous and often disillusioning experiences in their host country Swanson argues that missionaries are marginal individuals who use their vocation creatively to produce a meaningful social world and who use rhetoric effectively to maintain that world for themselves and for supporters in their home countries An informative and nuanced study this book is a significant contribution to present sociological literature concerning missionaries and American evangelicals Anyone interested in the sociology of religion culture and folklore will find *Echoes of the Call* to be a valuable and intriguing work *The Great Commission* Martin I. Klauber, Scott M.

Manetsch, Erwin Lutzer, 2008 A unique book that focuses exclusively on the history of evangelical cross cultural missions from the eighteenth century through today The Great Commission will interest anyone who is passionate about the spreading of God's Word *The Revell Story* Ann Byle, 2020-06-16 Discover the history of one of the most influential Christian publishers in the world In 1870 a young man started a publishing company in a young city Fleming H Revell was just twenty one when he set up shop on Madison Street in Chicago partnering with his brother in law Dwight L Moody already a well known evangelist From the stepping stone of publishing Moody's sermons Revell launched into decades of collaboration first in Chicago and then in New York City with authors such as R A Torrey Charles H Spurgeon Hannah Whitall Smith William Jennings Bryan Catherine Marshall David Wilkerson Corrie ten Boom Charles Colson and Helen Steiner Rice So how did this East Coast publishing powerhouse end up as a division of a family owned independent publisher in humble West Michigan

Who were the owners authors and employees who carried the torch into the twenty first century This is the story of a passion for the power of the printed word A story of rises and falls triumphs and trials missteps and miracles Discover how through 150 tumultuous years of history the Revell legacy has been handed down through a series of diligent people dedicated to the work of offering hope and help to readers everywhere **The ^ALives of David Brainerd** John A Grigg, 2009-09-25 The story of the eighteenth century preacher David Brainerd has been told in dozens of popular biographies articles and short essays Almost without exception these works are celebratory even hagiographic in nature making him into a kind of Protestant saint a model for generations of missionaries This book will be the first scholarly biography of Brainerd drawing on everything from town records and published sermons to hand written fragments to tell the story not only of Brainerd's life but of his legend **The Evolution of a Pentecostal Scholar** Martin Mittelstadt, 2024-10-14 This collection of previously published essays reveals a personal journey Two decades ago I could not have anticipated the twenty first century theological and methodological shifts in biblical studies In these essays I encourage readers to observe my evolution by way of adventures in Luke Acts In so doing I invite readers to reimagine a story not simply about the past but rich with possibilities
