With Pleasure : Thoughts on the Nature of Human Sexuality Paul R. Abramson Professor of Psychology,Los Angeles Steven D. Pinkerton Post-doctoral Fellow both of the University of California,1995-11-09 Challenging everything from the mandates of the Catholic Church to the hotly debated ethics of pornography and from the controversy surrounding gay rights to issues of

gender and feminism With Pleasure explores a new theory of human sexuality that ignites every hot topic in the public domain What role authors Paul Abramson and Steven Pinkerton ask does sexual pleasure play in our lives Is the pursuit of sexual enjoyment in our blood Our brains Our very nature Regardless of the source it can be agreed that the joys of sex are widely appreciated Why then is pleasure so often overlooked in discussions of sexual behavior and why do cultural historical and religious treatises so often fail to emphasize or outright ignore this obvious aspect of human sexuality Responding to these and many other questions about our most private affairs With Pleasure provides a profoundly original challenge to the cherished truisms of human sexuality Abramson and Pinkerton proclaim the paramount importance of pleasure while at the same time overthrowing traditional ideas about gender pornography contraception homosexuality abortion and much more Supported by rigorous research and co written by one of the foremost authorities on sex With Pleasure argues that human sexuality cannot be understood if its significance is limited to reproduction alone The authors posit that in humans reproduction itself occurs as a byproduct of pleasure not the other way around and that it is the strong drive for pleasure that makes people overcome many obstacles and even life threatening dangers such as AIDS to have sex Ranging from discussions about the church to current debates about pornography and from evolutionary theory to questions about the future of sex and pleasure Abramson and Pinkerton argue persuasively that the pleasurable of sex cannot be restricted to purely reproductive behavior With Pleasure advances a startling and original new theory about human sexuality one which the authors believe will replace all existing notions about sex The book standing in direct and deliberate opposition to traditions that try to confine sexuality to procreation is sure to ignite a firestorm of controversy Human Sexuality Craig A. Hill, 2007-08-08 Although intended as a textbook this accessible book could as well serve in an academic collection as a useful source of background material for a variety of readers CHOICE Craig Hill s new text is a welcome addition to the textbooks available for undergraduate courses on human sexuality It goes beyond the standard topics found in many books and seriously integrates social psychological research and theory on human sexuality This book is just the type of serious treatment of psychological aspects of human sexuality that I have been seeking for some time for my course Irene Hanson Frieze Professor of Psychology University of Pittsburgh Human Sexuality Personality and Social Psychological Perspectives presents the topics typically covered in human sexuality courses rooting the presentation in a strong psychological perspective Author Craig Hill focuses on personality and social psychological theory to provide students with a conceptual understanding of the psychological factors involved in sexuality and he encourages students to build upon that foundation by challenging them to think critically about the material in various ways He also emphasizes the scientific investigation of sexuality offering a solid review of the research literature Key Features Focuses predominantly on the psychological aspects of sexuality The topics covered and the organization of the book are ideally suited for instructors who wish to emphasize psychological factors involved in sexuality Stresses the symbiotic relationship between research and theory The book

provides a more accurate and complete understanding of the way in which science generates sound evidence that informs theories pertaining to sexuality and how those theories in turn inform further inquiry Presents real life examples Personal anecdotes enable students to relate concepts and information to the lives of real people and to their own lives making the information clearer and more meaningful to them Integrates cultural diversity throughout Race ethnicity and sexual orientation are considered in the topics covered and the examples employed Helps develop critical thinking and analytic abilities Analyze This Looking at Different Perspectives An Opportunity for Self Reflection and An Eye Toward Research boxes as well as end of chapter questions and caption questions allow students to delve further into the material allowing them to think critically about current topics and their own lives Intended Audience This is an excellent core text for both undergraduate and graduate courses on Human Sexuality particularly those offered in departments of psychology Supplementary Material An Instructor s Resource CD provides PowerPoint presentations chapter study material classroom handouts and suggestions for course projects discussion questions and internet exercises Also included is a Computerized Test Bank with multiple choice true false and essay questions that allows for easy test creation A Student Study Web Site provides e flashcards Internet exercises and resources self quizzes and links to SAGE journal articles and video clips Also available is a link to the author s blog where students can respond to comments posted by the author and other students using the text

Human Sexuality Anne Bolin, Patricia Whelehan, Muriel Vernon, Katja Antoine, 2021 This ground breaking second edition of *Human Sexuality* continues its broad and interdisciplinary goal of providing readers with a comprehensive overview on sexuality as a core part of our individual identities and social lives Utilizing viewpoints across cultural and national boundaries and taking into account the evolution of human anatomy sexual behavior attitudes and beliefs across the globe *Human Sexuality* 2nd edition remains an essential text for educators and students who wish to understand human sexuality in all of its richness and complexity

Sexual Behavior in the Human Male Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, 2023-06-06 When first published in 1948 *Sexual Behavior in the Human Male* encountered a storm of condemnation and acclaim By unshackling sex research from flawed founding constraints Kinsey revolutionized it In this 75th anniversary edition featuring a new foreword from Judith A Allen *Sexual Behavior in the Human Male* revisits the work of Alfred C Kinsey and his fellow researchers as they sought to accumulate an objective body of facts regarding sex Originally an entomologist Kinsey applied his fieldwork taxonomy methods to human sexuality With 5 300 research subjects his undertaking was the largest sex research project of its time transforming the field With scientific exactness Kinsey describes the methodology sampling coding interviewing and statistical analyses and then examines factors and sources of sexual outlet Told through men s experiences of sexuality and reproduction *Sexual Behavior in the Human Male* Anniversary Edition is a remarkable rumination on American society and science in the early 20th century

The Journal Of Human Sexuality Paperback By George A Rekers Phd Introduction

In today's digital age, the availability of The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Journal Of Human Sexuality Paperback By George A Rekers Phd versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Journal Of Human Sexuality Paperback By George A Rekers Phd books and manuals for download and embark on your journey of knowledge?
