## **The Journey From Home:**

The Journey Home Leonard Holst, 2003-09-17      *The Journey Home* Leigh La Mura, 2012-05-25 Since I was a child I've been communicating with the angelic realm. They've revealed their presence in many ways warning me through dreams of events to come and guiding my footsteps along the way. As I grew older I learned that I could tune in to their frequency allowing me to receive their messages more clearly. Their presence led me on a journey to self-discovery allowing me to recognize and break repetitive and harmful patterns to trust in myself again and to discover my soul's purpose as a healer. It is a story of inner strength and faith and as I continue on my journey I know that I am not alone and that the angels walk with me.

**The Journey Home** Candan Y., 2014-04-07 Candan struggled with alcoholism until two ladies from Alcoholics Anonymous discovered her and helped her back to sobriety. Originally from Istanbul, Turkey, Candan went on to carry the message of recovery to her own country where alcoholism was a taboo subject and women especially were shamed into secrecy of their disease. This is the story of how she established and spread the word of Alcoholics Anonymous to those in need in her native country.

The Journey Home Olaf Olafsson, 2007-12-18 A lyrical and arresting novel by acclaimed Icelandic writer Olaf Olafsson about one woman's redemptive journey home. Disa Jonsdottir has managed an inn for years with her companion Anthony in the English countryside. Compelled by the demands of time to revisit the village of her childhood, she departs England for her native Iceland. Along the way, memories surface of the rift between her and her mother, of the fate of her German Jewish lover, of the trauma she experienced while working as a cook in a wealthy household. Skillfully weaving past and present, Olafsson builds toward an emotional climax that renders *The Journey Home* moving, suspenseful, and unforgettable.

The Journey Home Willy Nywening, 2013-05 Our childhood is an intricate part of who we become as adults. Everyone has difficulty, despair, and disappointment in their past. How we choose to overcome these challenges determines the course of our lives. Through it all, love has the potential to heal old wounds. In a time when children were meant to be seen and not heard, young lives were not always honored. Jamie and Martha, a brother and sister who were tragically orphaned at a young age, find themselves shuffled between family and friends. Stripped of their voices and choices, they endure heartbreaking circumstances that no child should ever experience. Even though disappointment seems to be the only constant in their young lives, they struggle courageously to find bits and pieces of happiness in a world that is often cruel and spiteful. Through it all, something pure and innocent within the children refuses to die. On their journey, they learn one of life's most important and powerful lessons: the healing power of love makes life and living possible. While love cannot change the past, it is the key to redeeming an unwritten future. For Martha and Jamie, it is love that creates the true refuge that is home.
