Cunningham,2009 *A Journey into Prayer* Bill Sweet,2003-10-24 Prayer is a constant mental input into our world Do we pray for what we need or what we want Do we pray to heal or to hurt Terrorists pray Healers pray Millions pray Motivations for prayer are investigated by the Spindrift researchers One discovery was that non goal directed prayer Thy will be done produced different test results than goal directed prayer A Journey Into Prayer explores the struggles triumphs and persecutions of two spiritual healers Bruce and John Klingbeil who developed scientific laboratory tests to investigate the effectiveness of prayer This father and son team added to the centuries old anecdotal evidence the modern day standard of proof demanded by science and medicine Spindrift translated some spiritual experiences and religious language into the scientific language and experiments of our times Spindrift isolated positive and negative effects of prayer Spindrift ignited spiritual dynamite by asking What can we know about prayer scientifically Author Bill Sweet weaves with a rare sense of humor this Spindrift adventure and the outrage it sparked ABOUT A JOURNEY INTO PRAYER One of the most predictable consequences of exploring the bridge between science and religion is that the simple act of questioning authority on either side of that bridge is guaranteed to evoke furious emotions in those who believe they already know the truth Bill Sweet s Journey into Prayer is the story of a father and son who courageously risked everything to explore the power of prayer an overview of what they discovered and a poignant reminder of the risks faced by all true pioneers Dean Radin Ph D Senior Scientist Institute of Noetic Sciences Author of *The Conscious Universe* and *Entangled Minds* interviewed in the movie *What the Bleep Down the Rabbit Hole* The name Spindrift is synonymous with what at first seems an oxymoron the scientific study of prayer This group s ground breaking work which has been part of an enormous shift in consciousness was brought forth at

great personal cost the apparent suicides of the father son research team Bill Sweet s meticulous account reads like a mystery one that may never be solved But regardless of the tragedy the Spindrift research is an important part of the bridge between science and Spirit May all the good these researchers have done return to them as an enduring blessing of peace
