The Joy of Grammar James D. McCawley,Diane Brentari,Gary N. Larson,Lynn A. MacLeod,1992-01-01 Two threads run through this collection of 22 papers by students and colleagues of James D McCawley

The first is a commitment to deep reflection on the direction of linguistic study sometimes resulting in challenges to the writings of major figures or new appreciations sometimes questioning our assumptions about the organization of linguistic information in the mind The second thread is a shared sense of the requirements for the rigor of a good linguistic argument that its presentation be thoroughgoing straightforward and clearly made There is a strong emphasis on testing the party line with the widest possible range of languages and the strongest possible set of linguistic tests Demonstrating bugs and strategizing over the choice between competing analyses is not enough The completion of an argument lies in constructing a better alternative

The Joy of Eating Jane K. Glenn, 2021-11-05 This volume explores our cultural celebration of food blending lobster festivals politicians roadside eats reality show chef showdowns and gravity defying cakes into a deeper exploration of why people find so much joy in eating In 1961 Julia Child introduced the American public to an entirely new joy infused approach to cooking and eating food In doing so she set in motion a food renaissance that is still in full bloom today Over the last six decades food has become an increasingly more diverse prominent and joyful point of cultural interest The Joy of Eating discusses in detail the current golden age of food in contemporary American popular culture Entries explore the proliferation of food themed television shows documentaries and networks the booming popularity of celebrity chefs unusual exotic decadent creative and even mundane food trends and cultural celebrations of food such as in festivals and music The volume provides depth and academic gravity by tying each entry into broader themes and larger contexts in relation to a food themed reality show for example discussing the show s popularity in direct relation to a significant economic event providing a brief history behind popular foods and types of cuisines and tracing the evolution of our understanding of diet and nutrition among other explications
