Lewis, 1996-06-03 Reprint Originally published New York Macmillan 1984 **The Joyful Christian** Clive Staples Lewis, 1984 **The Joyful Christian** Clive Staples Lewis, 1978 **Joyful Christian; 127 Readings** Clive Staples Lewis, 1977 *C. S. Lewis* William Griffin, 2007-04-01 A truly livable and decidedly witty lay spirituality from the most amusing Christian intellectual of our time From his autobiography *Surprised by Joy* and children's classics *The Chronicles of Narnia* from his poems and novels from his literary criticism and theological explorations C S Lewis has laid down albeit unwittingly a spirituality that the mere Christian something of an invention of Lewis's can live with from Monday through Saturday On Sunday Lewis would expect the mere Christian to be in his or her own church In this book Bill Griffin renowned Lewis scholar and biographer captures the spirituality from Lewis's own writings and presents it in a manner reminiscent of Lewis's own *C. S. Lewis* Margaret Patterson Hannay, 2009-02-02 Readers over the world delight in the Narnia tales the adult novels and the sparkling Christian apologetics of C S Lewis His literary criticism continues to provoke and enlighten Here now is an excellent map of Lewis two worlds his life and his imagination In an appealing style unhampered by academic jargon Hannay offers a biographical sketch of a man haunted by longing a man who progressed from arrogant dogmatism to gentleness concise summaries of each of the major works including tantalizing quotations to entice the reader back to the original a survey of the major themes throughout his writing which connect works as seemingly different from each other as *The Lion the Witch and the Wardrobe* *Screwtape Letters* and *A Preface to Paradise Lost* an analysis of his literary technique involving his allusive and compelling style *Elements of Christian Thought* Eugene F. Rogers (Jr.), Eugene F. Rogers, Jr., 2021 In the spring of 2020 as the coronavirus pandemic disrupted classrooms around the world Eugene Rogers transcribed the lectures that make his Introduction to Christian Thought course justly famous The result is an engaging introduction to the language Christianese that participants use to discuss God's activity in and for our world From Anselm to Wyschogrod Rogers introduces us to the most interesting speakers of Christianese enabling us to take part in the living conversation *The Living Church* , 1978 **The Real Answer to Addiction** Chris Dew, 2020-08-25 If you've been affected by addiction you're not alone More than twenty million Americans are currently battling a substance abuse disorder More than two hundred people die every day from overdoses This epidemic not only kills the addicts but it also tortures their loved ones Until 2010 author Chris Dew was one of these statistics He had tried everything medications counseling rehab mental hospitals meetings and more Nothing seemed to work until he tasted pure joy His life has been radically changed and he is now living in true freedom In *The Real Answer to Addiction* Dew shares his story and offers the real answer to addiction in a step by step guide to living in forever freedom The real answer to addiction isn't to just say no to what you really want Through his personal testimony Dew communicates that to get a better high the real answer to addiction is found in a relationship with Jesus *C.S. The Soul at Rest Tricia McCary Rhodes, 2018-11-06 Many Christians today struggle with having a consistent or life giving quiet time They are looking for a form of prayer that doesn't make them feel like they're begging God or being judged by him The Soul at Rest is a quiet time companion that introduces inward disciplines from throughout Christian history to those who hunger for greater intimacy with God The Soul at Rest is a 40 day guided experience of prayer that puts readers in the presence of God and allows them to enter and enjoy his rest It guides readers into a rhythm of quiet contemplative prayer easing them into God's presence and demonstrating how prayer is not so much a duty as it is a gift By the time someone finishes The Soul at Rest they'll not only understand prayer better they'll be engaging in it as a regular rhythm of life

Overcoming Depression (The Victory Over the Darkness Series) Neil T. Anderson, Joanne Anderson, 2004-07-02 Overcoming Depression can provide healing and freedom for millions of Christians who suffer silently from depression This Christ centered road map to recovery balances spiritual and physical symptoms leading those with depression and those in the church who must help them to both a thorough

understanding and a comprehensive treatment Now is the time to get Overcoming Depression into the hands of Christians everywhere helping those who are desperately in need of its powerful and life changing message **West Coast Review of Books** ,1979 **Beginnings** Marcus Verbrugge,2015-10-13 We all start from the beginning What if we thought about prayer that way Genesis may not be the first book that comes to mind when you think of prayer but nuggets of wisdom buried in this unlikely book can help to give you a fresh perspective on how to pray effectively Marcus Verbrugge shares his insights in Beginnings one man s personal journey of discovering how to pray from the beginning Use it for small group discussion as a devotional or just read it as a single volume This book will inspire educate and challenge you toward a richer deeper and more intimate prayer life as you dive into Genesis and find yourself growing ever closer to God *Everyone's a Genius* Alan Briggs,2017-09-19 Believe it or not everyone s a genius at something We just need to uncover and release it for the sake of the world Every member of your church comes with a unique set of God given skills and talents As a church leader you have the weighty task of uncovering and validating them Your challenge is to help your members identify and unleash their gifts to bring glory to God But in our selfie focused society this task can feel overwhelming God doesn t see two groups his gifted children and the rest of us He didn t give the Great Commission only to the extremely talented musicians writers artists pastors and church staff He gave it to all of us To each of us So how do we help our members find their sweet spots of service in the kingdom In *Everyone s a Genius* author pastor and leadership consultant Alan Briggs shares his belief that bringing out the abilities of often overlooked Christians those whose unique skill sets are not as easily identifiable remains a key component that will determine the church s impact in this and coming generations This is an inspiring look at how we can more effectively motivate Christians to leverage their personal abilities for Christ The truth is reading this book is risky It can change how you see every person you re leading It can make you see your community differently It can help you find gifts within your church family that will surprise you It can also unlock something within you that you never knew mattered to God It can expand your vision of the world deepen your appreciation for the least of these and refocus the mission of your church Perhaps God will use this book to take you on a journey toward a more appropriate theology of creativity Yes it s a risk but a risk we simply must take to impact the world for Jesus Are you in **Journey Towards Home** S. Steve Park,2017-03-14 Clives Staples Lewis 1898 1963 called his theological writings as that of a layman and an amateur who merely attempted to restate ancient and orthodox doctrines However S Steve Park argues that Lewis s theological reflections are well informed thoughtful and weighty For instance Lewis s notion of mere Christianity consistently shows his commitment to supernaturalism vs naturalism and eucatastrophic salvationism vs ethical developmentalism in sharp contrast to many prevailing theologians of his time In this book the author expounded Lewis s theological writings rather comprehensively and organized the results according to Lewis s signature literary motif of the journey towards home in four stages Away from Home Homeward Turning Home Away from Home and The Final Home Under these headings Lewis s major theological and

literary themes find illuminating treatments with rich contents and penetrating analyses In so doing the author presents to the readers probably for the first time a systematic theology of C S Lewis It turns out that Lewis more than just a storyteller was a significant participant in the world of theological reflections demonstrating himself to be a rather formidable theological mind to be reckoned with True Humility Norman H. Drummond, 2012-03-14 True Humility will lead readers to value and enjoy this virtue as one that will do far more to develop inner joy and strength than they ever expected Christians are aware of God's insistence on humility but often view it as unappealing Readers will find that it is not for the weak and feeble The humble person chooses a path of lowliness not listlessness of meekness not meaninglessness The humble person is unpretentious not unambitious reverent not irrelevant Christians seeking to build moral character that pleases God and to awaken a fresh confidence in their service to Christ and His Church may gravitate toward the subject and promise of this book
