The Juvenile Court in a Changing Society David Reifen, 1973      International Criminology and Criminal Justice Thomas R. Lagergren, Kathleen A. Pitt, 1977      *Document Retrieval Index*, 1976      The Routledge Handbook on Global Community Corrections Ioan Durnescu, James M. Byrne, Benjamin J. Mackey, Faye S. Taxman, 2024-06-25 The Routledge Handbook on Global Community Corrections assesses and analyzes the status of community corrections systems around the world highlighting inter regional and intra regional variations in their design implementation and impact on policy and practice Covering both probation and parole this handbook brings together leading international experts to examine the myriad of systems developed under the broad heading of community corrections to manage community corrections populations at the pre adjudication adjudication and post release stages Chapters are designed to consider the following questions How many offenders are placed in community corrections systems around the globe What are the key design features of these community corrections systems What do we know about the effectiveness of community corrections within and across global regions This is an essential reference text for all those engaged with community corrections probation and post release policy in criminal justice      **Criminology and the Administration of Criminal Justice** Leon Radzinowicz, Roger Hood, 1976

**International Perspectives on Child Abuse and Children's Testimony** Bette L. Bottoms, Gail S. Goodman, 1996-06-18 Child witnesses pose unique challenges to the legal system and courtrooms are daunting and alien to children Timely and truly international in scope this volume focuses on the techniques and procedures used to accommodate child witnesses in legal systems in countries around the world and on the research investigating the effectiveness and implications of those techniques Featuring the work of renowned scholars from the international psycholegal community International Perspectives on Child Abuse and Children's Testimony not only provides support for all countries seeking to broaden their approach to child psychology and law but also promotes justice where child protection is virtually unknown Special emphasis is given to techniques currently in use and under investigation in the United States as well as the U S applicability of techniques and procedures used in other countries At a time when issues surrounding children's testimony are under close scrutiny International Perspectives on Child Abuse and Children's Testimony provides outstanding findings and guidelines for researchers and practitioners in psychology medicine criminology law social policy and social work as well as advanced students in these and related fields      *Israel* Esther M. Snyder, 1985      *Drugs, Politics, and Diplomacy* Luiz R. S. Simmons, Abdul Aziz Said, 1974      Positive Criminology Natti Ronel, Dana Segev, 2015-01-30 How can we best help offenders desist from crime as well as help victims heal This book engages with this question by offering its readers a comprehensive review of positive criminology in theory research and practice Positive criminology is a concept a perspective that places emphasis on forces of integration and social inclusion that are experienced positively by target individual and groups and may contribute to a reduction in negative emotions desistance from crime and overcoming the traumatic experience of

victimization In essence positive criminology holds a more holistic view which acknowledges that thriving and disengagement from distress addiction mental illness crime deviance or victimization might be fostered more effectively by enhancing positive emotions and experiences rather than focusing on reducing negative attributes Each chapter in this book is written by key scholars in the related fields of criminology victimology and addiction and thus assembles varied and extensive approaches to rehabilitation and treatment These approaches share in common a positive criminology view thereby enriching our understanding of the concept and other strength based approaches to dealing with offenders and victims This edited book elaborates on positive criminology core ideas and assumptions discusses related theories and innovations and presents various benefits that this perspective can promote in the field of rehabilitation For this reason this book will be essential reading for those engaged in the study of criminology criminal justice and victimology and may also assist scholars and professionals to help offenders desist from crime and improve victims well being *Crime and Delinquency Literature* ,1974
