The Kafka Debate New Perspectives For Our Time:

The Kafka Debate Angel Flores,1977 **Anatomist of Power** Despiniadis Costas Despiniadis,2019-10-15 Few twentieth century writers remain as potent as Franz Kafka one of the rare figures to maintain both a major presence in the academy and on the shelves of general readers Yet remarkably no work has yet fully focused on his politics and anti authoritarian sensibilities **The Anatomist of Power** Franz Kafka and the Critique of Authority is a fascinating new look at his widely known novels and stories including *The Trial* *Metamorphosis* *In the Penal Colony* and *Amerika* portraying him as a powerful critic of authority bureaucracy capitalism law patriarchy and prisons Making deft use of Kafka s diaries his friends memoirs and his original sketches Costas Despiniadis addresses his active participation in Prague s anarchist circles his wide interest in anarchist authors his skepticism about the Russian Revolution and his ambivalent relationship with utopian Zionism The portrait of Kafka that emerges is striking and fresh rife with insights and a refusal to accept the structures of power that dominated his society **Franz Kafka** Stanley Corngold,2018-03-15 In Stanley Corngold s view the themes and strategies of Kafka s fiction are generated by a tension between his concern for writing and his growing sense of its arbitrary character Analyzing Kafka s work in light of the necessity of form which is also a merely formal necessity Corngold uncovers the fundamental paradox of Kafka s art and life The first section of the book shows how Kafka s rhetoric may be understood as the daring project of a man compelled to live his life as literature In the central part of the book Corngold reflects on the place of Kafka within the modern tradition discussing such influential precursors of Cervantes Flaubert and Nietzsche whose works display a comparable narrative disruption Kafka s distinctive narrative strategies Corngold points out demand interpretation at the same time they resist it Critics of Kafka he says must be aware that their approaches are guided by the principles that Kafka s fiction identifies dramatizes and rejects **Kafka's Italian Progeny** Saskia Elizabeth Ziolkowski,2020-01-06 This book explores Kafka s sometimes surprising connections with key Italian writers from Italo Calvino to Elena Ferrante who shaped Italy s modern literary landscape **Transforming Kafka** Patrick O'Neill,2014-11-21 Lyrical mysterious and laden with symbolism Franz Kafka s novels and stories have been translated into more than forty languages ranging from Icelandic to Japanese In *Transforming Kafka* Patrick O'Neill approaches these texts through the method he pioneered in *Polyglot Joyce* and *Impossible Joyce* considering the many translations of each work as a single multilingual macrotext Examining three novels *The Trial* *The Castle* and *America* and two short stories *The Judgment* and *The Metamorphosis* O'Neill offers comparative readings that consider both intertextual and intratextual themes His innovative approach shows how comparing translations extends and expands the potential meanings of the text and reveals the subtle differences among the hundreds of translations of Kafka s work A sophisticated analysis of the ways in which translation shapes rearranges and expands our understanding of literary works *Transforming Kafka* is a unique approach to reading the works of a literary giant **Kafka's Stereoscopes** Isak Winkel Holm,2019-09-19 In 1911 Franz Kafka

encountered the Kaiser Panorama a stereoscopic peep show offering an illusion of three dimensional depth After the experience he began to emulate the apparatus in his literary sketches developing a style we might call stereoscopic juxtaposing like the optical stereoscope two images of the same object seen from slightly different perspectives Isak Winkel Holm argues that Kafka s stereoscopic style is crucial to an understanding of the relation between literature and politics in Kafka s work At the level of content the stereoscopic style offers a representation of the basic order of a specific community At the level of form the stereoscopic style is structured as the juxtaposition of two dissimilar images of the same community At the level of function finally the style provokes a reconsideration and perhaps even a reconfiguration of the social order itself With insights from literary studies philosophical aesthetics and political theory Kafka s Stereoscopes offers a detailed but highly readable argument for the relevance of Kafka s literary works in today s political reality

What Is World Literature? David Damrosch, 2018-06-05 World literature was long defined in North America as an established canon of European masterpieces but an emerging global perspective has challenged both this European focus and the very category of the masterpiece The first book to look broadly at the contemporary scope and purposes of world literature What Is World Literature probes the uses and abuses of world literature in a rapidly changing world In case studies ranging from the Sumerians to the Aztecs and from medieval mysticism to postmodern metafiction David Damrosch looks at the ways works change as they move from national to global contexts Presenting world literature not as a canon of texts but as a mode of circulation and of reading Damrosch argues that world literature is work that gains in translation When it is effectively presented a work of world literature moves into an elliptical space created between the source and receiving cultures shaped by both but circumscribed by neither alone Established classics and new discoveries alike participate in this mode of circulation but they can be seriously mishandled in the process From the rediscovered Epic of Gilgamesh in the nineteenth century to Rigoberta Mench s writing today foreign works have often been distorted by the immediate needs of their own editors and translators Eloquently written argued largely by example and replete with insightful close readings this book is both an essay in definition and a series of cautionary tales

The Metamorphosis (SparkNotes Literature Guide) SparkNotes, Franz Kafka, 2014-08-12 Literature Guides Created by Harvard students for students everywhere SparkNotes is a new breed of study guide smarter better faster Geared to what todays students need to know SparkNotes provides Chapter by chapter analysis Explanations of key themes motifs and symbols A review quiz and essay topics Lively and accessible these guides are perfect for late night studying and writing papers

The Dark Landscape of Modern Fiction Patrick Reilly, 2018-05-08 This title was first published in 2003 This text explores the dark pessimistic truth that pervades the pages of modern texts setting a theme of Dante s Inferno against the work of modern authors including Dostoyevsky Hardy Conrad Wharton Kafka Camus Waugh and Flannery O Connor The author s thesis is that these writers exhibit a hostility towards the reader an anger that the reader should continue to be so deludedly happy when the writer has become so mortifyingly

enlightened At its most characteristic Reilly demonstrates modern fiction seems to achieve a savage satisfaction in inflicting this pain to an extent that could be described as sadistic Reilly traces what he calls this punitive spirit to a character in the Inferno Vanni Fucci who suffering himself does his best to make Dante suffer too Through the study he uses the Inferno as a guide to the prevailing attitudes in modern fiction revealing a parallel between the prohibition of pity within the medieval poem and in the pages of modern texts [The Trial \(SparkNotes Literature Guide\)](#) SparkNotes,2014-08-12 The Trial SparkNotes Literature Guide by Franz Kafka Making the reading experience fun Created by Harvard students for students everywhere SparkNotes is a new breed of study guide smarter better faster Geared to what today s students need to know SparkNotes provides Chapter by chapter analysis Explanations of key themes motifs and symbols A review quiz and essay topics Lively and accessible these guides are perfect for late night studying and writing papers [Weighing Hearts](#) Stuart Lasine,2012-04-19 Shows how readers evaluate characters in biblical narrative by integrating approaches native to social psychology literary theory and moral philosophy **Lambent Traces** Stanley Corngold,2009-01-10 On the night of September 22 1912 Franz Kafka wrote his story The Judgment which came out of him like a regular birth This act of creation struck him as an unmistakable sign of his literary destiny Thereafter the search of many of his characters for the Law for a home for artistic fulfillment can be understood as a figure for Kafka s own search to reproduce the ecstasy of a single night In Lambent Traces Franz Kafka the preeminent American critic and translator of Franz Kafka traces the implications of Kafka s literary breakthrough Kafka s first concern was not his responsibility to his culture but to his fate as literature which he pursued by exploring the limits of the human At the same time he kept his transcendental longings sober by noting with incomparable irony their virtual impossibility At times Kafka s passion for personal transcendence as a writer entered into a torturous and witty conflict with his desire for another sort of transcendence one driven by a modern Gnosticism This struggle prompted him continually to scrutinize different kinds of mediation such as confessional writing the dream the media the idea of marriage skepticism asceticism and the imitation of death Lambent Traces Franz Kafka concludes with a reconstruction and critique of the approaches to Kafka by such major critics as Adorno Gilman and Deleuze and Guattari

The Cambridge Companion to Kafka Julian Preece,2002-02-21 Franz Kafka s writing has had a wide reaching influence on European literature culture and thought The Cambridge Companion to Kafka offers a comprehensive account of his life and work providing a rounded contemporary appraisal of Central Europe s most distinctive Modernist Contributions cover all the key texts and discuss Kafka s writing in a variety of critical contexts such as feminism deconstruction psychoanalysis Marxism Jewish studies Other chapters discuss his impact on popular culture and film The essays are well supported by supplementary material including a chronology of the period and detailed guides to further reading and will be of interest to students of German European and Comparative Literature Jewish Studies [The Telephone Book](#) Avital Ronell,1989-01-01 The telephone marks the place of an absence Affiliated with discontinuity alarm and silence it raises

fundamental questions about the constitution of self and other the stability of location systems of transfer and the destination of speech Profoundly changing our concept of long distance it is constantly transmitting effects of real and evocative power To the extent that it always relates us to the absent other the telephone and the massive switchboard attending it plugs into a hermeneutics of mourning The Telephone Book itself organized by a telephonic logic fields calls from philosophy history literature and psychoanalysis It installs a switchboard that hooks up diverse types of knowledge while rerouting and jamming the codes of the disciplines in daring ways Avital Ronell has done nothing less than consider the impact of the telephone on modern thought Her highly original multifaceted inquiry into the nature of communication in a technological age will excite everyone who listens in The book begins by calling close attention to the importance of the telephone in Nazi organization and propaganda with special regard to the philosophy of Martin Heidegger In the Third Reich the telephone became a weapon a means of state surveillance an open accomplice to lies Heidegger in Being and Time and elsewhere elaborates on the significance of the call In a tour de force response Ronell mobilizes the history and terminology of the telephone to explicate his difficult philosophy Ronell also speaks of the appearance of the telephone in the literary works of Duras Joyce Kafka Rilke and Strindberg She examines its role in psychoanalysis Freud said that the unconscious is structured like a telephone and Jung and R D Laing saw it as a powerful new body part She traces its historical development from Bell s famous first call Watson come here Thomas A Watson his assistant who used to communicate with spirits was eager to get the telephone to talk and thus to link technology with phantoms and phantasms In many ways a meditation on the technologically constituted state The Telephone Book opens a new field becoming the first political deconstruction of technology state terrorism and schizophrenia And it offers a fresh reading of the American and European addiction to technology in which the telephone emerges as the crucial figure of this age Farewell to the Horse Ulrich

Raulff, 2017-05-25 THE SUNDAY TIMES HISTORY BOOK OF THE YEAR 2017 A beautiful and thoughtful exploration of the role of the horse in creating our world James Rebanks Scintillating exhilarating you have never read a book like it a new way of considering history Observer The relationship between horses and humans is an ancient profound and complex one For millennia horses provided the strength and speed that humans lacked How we travelled farmed and fought was dictated by the needs of this extraordinary animal And then suddenly in the 20th century the links were broken and the millions of horses that shared our existence almost vanished eking out a marginal existence on race tracks and pony clubs Farewell to the Horse is an engaging brilliantly written and moving discussion of what horses once meant to us Cities farmland entire industries were once shaped as much by the needs of horses as humans The intervention of horses was fundamental in countless historical events They were sculpted painted cherished admired they were thrashed abused and exposed to terrible danger From the Roman Empire to the Napoleonic Empire every world conqueror needed to be shown on a horse Tolstoy once reckoned that he had cumulatively spent some nine years of his life on horseback Ulrich Raulff s book a bestseller in

Germany is a superb monument to the endlessly various creature who has so often shared and shaped our fate **Someone Like K** Herbert Kraft,2023-12-21 Herausgegeben von Cola Minis und Arend Quak in Verbindung mit Peter Boerner Hugo Dyserinck Ferdinand van Ingen Friedrich Maurer und Oskar Reichmann As of Volume 158 published by Weidler Buchverlag Berlin **Repetition and Creation** Radosvet Kolarov,2020-12-29 This book advances the notion of autotextuality the dialogue between works in an author's oeuvre and the ways in which new texts are created in self repetition through the tracing and revisiting of past texts and the subsequent uncovering of undisclosed meanings unexhausted constructive principles and alternative versions Kolarov draws on cognitive models such as dual coding theory and conceptual blending to substantiate a theory of autotextuality and build on previous work on self repetition and difference to highlight the notion of discursive desire in which new meanings are generated through repetition and its distinct relationship to creativity Drawing on analyses of well established works in Bulgarian as well as the established oeuvres of such authors as Gogol Dostoevsky Kafka and Baudelaire the volume explores key themes in autotextuality such as the functions of creative memory the connections between word and image and the hermeneutic relationships and steps of transformation between texts This innovative work addresses topical questions of importance in literary theory today and will be of interest to students and scholars in literary studies and related areas of study within such fields as cognitive science quantum mechanics and psychology Franz Kafka Harold Bloom,2010 A collection of critical essays on Kafka and his work arranged in chronological order of publication The Myth of Power and the Self Walter Herbert Sokel,2002 The Myth of Power and the Self brings together Walter Sokel's most significant essays on Kafka written over a period of thirty one years 1966 1997 Franz Kafka 1883 1924 has come to be one of the most influential writers of the twentieth century The Myth of Power and the Self brings together Walter Sokel's most significant essays on Kafka written over a period of thirty one years 1966 1997 This volume begins with a discussion of Sokel's 1966 pamphlet on Kafka and a summary of his 1964 book Tragik und Ironie Tragedy and Irony which has never been translated into English and includes several essays published in English for the first time Sokel places Kafka's writings in a very large cultural context by fusing Freudian and Expressionist perspectives and incorporating more theoretical approaches linguistic theory Gnosticism and aspects of Derrida into his synthesis This superb collection of essays by one of the most qualified Kafka scholars today will bring new understanding to Kafka's work and will be of interest to literary critics intellectual historians and students and scholars of German literature and Kafka *Die Verwandlung* Franz Kafka,2006-04-07 Franz Kafka is one of the most important figures in twentieth century culture The fascination of his work has long since reached international proportions and the concept Kafkaesque has entered the English Language as an everyday part of speech This new edition of Kafka's famous story contains a critical introduction and notes which help to explain how the author achieves his particular effects The editors are concerned less with what the story means than with how it blocks and baffles its reader provoking them into an interpretation through its combination of clues

and counter clues its questions and its uncertainties Careful attention is therefore paid to the openness of the text to point of view and to Kafka s use of language The editors also consider the important biographical and cultural influences which shaped the writing of the story and they outline some of the very different ways in which it has been interpreted biographically socially and psychologically A select vocabulary aimed at the demands of the sixth form pupil is also included and the text itself is taken from the original hardback edition
