The Kennedy Wit The Humor And Wisdom Of John F Kennedy:

Kennedy Wit Bill Adler,1991-02-01 *The Wit and Wisdom of John F. Kennedy* Alex Ayres,1996-11-01 Though he did not live long enough to write his memoirs John Fitzgerald Kennedy left behind a legacy of wit and wisdom that still informs the lives and hopes of the American people today Known for his courage and charisma he embodied the youthful optimistic spirit of the mid 20th century American Yet he could also be irreverent When questioned as to how he became a hero in World War II he replied it was involuntary they sank my boat **Humor in the White House** Arthur A. Sloane,2001-03-23 I heard one presidential candidate say that what this country needed was a president for the 90s Ronald Reagan once said I was set to run again I thought he said a president in his 90s Abraham Lincoln in one instance was able to put a serious injury in a humorous light in response to a young woman s question about where a soldier was wounded Lincoln replied Ma am the bullet that wounded him would not have wounded you Presidents often bring a sense of humor to the White House with them allowing the American public to catch a glimpse of their not so serious sides This book examines how five of the nation s funniest chief executives Abraham Lincoln Calvin Coolidge Franklin D Roosevelt John F Kennedy and Ronald Reagan used wit and humor to their advantage during their terms as president and how their management of the Executive Branch was thereby enhanced As a bonus the effective use of humor by several unsuccessful presidential candidates is surveyed

Presidential Maxims Raymond Roberson,2021-03-11 POTUS does the name give you a positive or negative reaction In a time where our country is extremely divided about the current Presidential role those reactions are mixed but it is certain that this role has shaped our past is still relevant to our day and will affect our future With his power limited by the checks and balances of the federal branches and his duty as commander in chief aside a President s influence can be felt most keenly in the attitudes his demeanor fosters among his nation s citizens it is that influence that drives this book s focus Forty five men in our history have defined this role and their contributions establish a pattern of leadership that we can benefit from now and reap rewards from their influence as individuals to bring change to our communities and ultimately to our country Leadership traits are identified herein for the first nineteen Presidents with birthdays from January to June chronologically their life experiences summarized with brevity to show learned behaviors that can foster a successful life along with quotations that reflect their personal philosophies For instance the well respected George Washington said of his personal standard I hope I shall always possess firmness and virtue enough to maintain what I consider the most enviable title the character of an honest man Through study and personal application of the maxims like these and traits manifest in these men we can each enrich our own domain [Praeger Handbook of Political Campaigning in the United States](#) William L. Benoit,2016-02-22 This work peels back the curtain on how political campaigns influence America covering everything from social media to getting to the Oval Office This comprehensive handbook reveals essentially everything the American public wants to know about political campaigns The two volume set begins with a historical overview then goes on to

investigate campaigns from a variety of perspectives that shed light on how they work and why Readers will discover how campaigns are run how they are covered by the media how they influence government and how various interest groups and demographics play a part in the system The contributors who include academics elected officials journalists and campaign professionals offer new data interviews and analysis in a style that will prove fresh accessible and engaging for everyone from college students to political junkies They offer the inside scoop on types of campaign media for example TV spots debates and social media and on message variables such as language humor and evidence Groups of voters like women and youth are examined and the work also discusses theories of campaigning such as agenda setting issue ownership the Elaboration Likelihood Model and the Theory of Reasoned Action Scandal in American political campaigns always a subject of interest is addressed as well JFK and His Enemies Thomas J. Whalen,2014-05-23 The famed 19th century humorist Finely Peter Dunne once commented that life would not be worth living if we didn't keep our enemies Certainly John F Kennedy could appreciate the wisdom behind this observation At nearly every stage of his noteworthy political career which stretched from the dank run down tenement houses of Charlestown Massachusetts in 1946 to the gleaming downtown skyscrapers of Dallas Texas in 1963 Kennedy had collected his fair share of enemies Some like Henry Cabot Lodge Jr in 1952 and Lyndon Johnson in 1960 presented formidable political obstacles to his attaining higher office Others like Nikita Khrushchev during the Cuban Missile Crisis of 1962 threatened the very survival of the human race itself Regardless of the stakes Kennedy always seemed to rise to the level of the domestic or international challenge presented Our problems are man made therefore they may be solved by man he said To those who knew him best this single mindedness was not surprising He clearly wanted to establish a place in history insisted Robert McNamara Kennedy's Secretary of Defense But being an historian himself Kennedy realized that political success did not come easily or cheaply It required individual strength of character clarity of thought and the ability to act decisively There are risks and costs to action he allowed But they are far less than the long range risks of comfortable inaction **The Quotable Giuliani** Bill Adler,2002-04-02 If you've got a problem with New York City being the capital of the world take it up with the Pope As the mayor of New York City Rudolph Giuliani was as controversial as he was determined to revitalize the greatest city in the world Never one to pull punches he did things the way they had to be done not the way everyone else thought they should be done But during the chaotic aftermath of the Sept 11 2001 terrorist attack on the World Trade Center Giuliani's courageous actions and bold decisiveness propelled him from his place as the leader of a city under siege to the beloved Mayor of America On that day and for many days afterward he stood up and spoke with strength and compassion and for that he will be remembered by not only New Yorkers but all Americans Now in his own words readers can experience the wisdom inspiration and genuine New York attitude that have brought Rudolph Giuliani from the tough streets of Brooklyn to the carnage of Ground Zero and into the annals of history The Afterlife of John Fitzgerald Kennedy Michael J.
