The Phenomenology Of Astral Magic A Guide To Combating Astral Oppression Through Directed Projection:

The Phenomenology of Astral Magic G. Travels, 2002 The purpose of The Phenomenology of Astral Magic is not to instruct the student in the practice of astral magic for this would be irresponsible but rather to teach the student what the practice of astral magic means and why the practice of all forms of magic are inherently destructive This understanding will be of use to all but will be of particular importance to those who are training in the skills of astral combat with the express purpose of defending themselves and their loved ones against the perpetual onslaught of negative energy we now all face
