The Phoenix Factor Surviving And Growing Through Personal Crisis:

The Phoenix Factor Karl A. Slaikeu, Stephen R. Lawhead, Steve Lawhead, 1985 We wrote this book for anyone who has been devastated by a major crisis the death of a loved one the loss of an important relationship a financial setback serious illness traumatic injury or any of a host of personal catastrophes We aim for more than simple repair or recovery Crisis theory points to a remarkable fact of human growth and development a crisis does not have to end in total loss but can mark the beginning of newer more satisfying and more productive ways of living A crisis can be conquered If you are hurting trying to cope with perhaps the worst ordeal you have ever experienced this book is for you How To Go On Living When Someone You Love Dies Therese A. Rando, 1991-07-18 An inspiring guide to help you through the mourning process including a comprehensive resource listing and a chapter on finding professional help and support groups The most comprehensive insightful and helpful volume on loss and survival Rabbi Dr Earl A Grollman author of *Living When a Loved One Has Died* Mourning the death of a loved one is a process all of us will go through at one time or another But wherever the death is sudden or anticipated few of us are prepared for it or for the grief it brings There is no right or wrong way to grieve each person's response to loss will be different Now in this compassionate comprehensive guide previously published as *Grieving* Therese A Rando PhD bereavement specialist and author of *Loss and Anticipatory Grief* leads you gently through the painful but necessary process of grieving and helps you find the best way for yourself Whether the death was sudden or expected from accident illness suicide homicide or natural causes Dr Rando will help you learn to Understand and resolve your grief Talk to children about death Resolve unfinished business Take care of yourself Accept the help and support of others Get through holidays and other difficult times of the year Plan funerals and personal bereavement rituals There is no way around the pain of loss but there is a way through it Dr Rando offers the solace comfort and guidance to help you accept your loss and move into your new life without forgetting your treasured past **How to Go On Living When Someone You Loves Dies** Therese A. Rando, 2023-12-20 *Living Life While Navigating the Death of a Loved One* If you recently lost a loved one *How To Go On Living When Someone You Love Dies* is the lifeline you are seeking Dr Therese A Rando's compassionate and comprehensive guide will help you navigate the storm and find your way back to solid ground Whether dealing with sudden loss or mourning a long anticipated passing this book acknowledges that each person's journey through grief is unique It equips its listeners with the tools to understand and address their grief communicate with children about death attend to any unfinished business and find support and other resources to help them move forward with their lives Dr Rando emphasizes the importance of self care and encourages the acceptance of appropriate help and support from others She provides practical strategies for managing grief during difficult times like the holidays for planning funerals and for creating meaningful personal rituals First published in the late 1980s Dr Rando's book is an enduring guide to the psychological social physical spiritual and practical aspects of loss With decades of clinical experience and international acclaim she is a leading

expert on the grieving process While this guide is intended for people who have lost a loved one it is also a resource for carers or anyone else who wish to support someone navigating the path of bereavement In the face of loss this book is not just about surviving but about living truly and fully *Dyslexia in Adults* Kathleen Nosek,1997-04-01 Author Kathleen Nosek offers dyslexic adults a unique approach that gets to the heart of the biggest problem they face the shame and battered self esteem resulting from decades of struggling with this frustrating and often misunderstood learning disability The Rape Victim Mary P. Koss,Mary R. Harvey,1987 **Jim Kobak's Kirkus Reviews** ,1985 Your Healing Journey Through Grief Stanley Cornils,2002-09 This book enables readers to translate knowledge into action Grief is not a disease that needs to be cured but an experience that can be worked through by following a normal natural mourning process which if properly dealt with and completed can result in a resourceful and constructive outcome so that a person can recover from loss and life can go on The loss of a spouse or other special loved one is the most difficult and challenging experience of a person s life and unresolved grief can last a lifetime This book is a tool that can be used to learn how to survive loss Stanley Cornils believes a person can do more than just survive a loss he believes they can go on to lead a fulfilling life During the course of his studies Stanley Cornils discovered that grieving people go through similar phases and have certain problems in common The shock and numbness that stunned them when they learned of their loved one s death the denial of what happened the dreadful and horrendous suffering during the first few months the inability to accept the loss the loneliness of having to adjust to life without their loved one dealing with anger and guilt the dread that comes with the approach of a holiday season a birthday or anniversary dealing with money matters and trying to get their lives back on a normal track This book will help people understand that what they are experiencing is normal and it s okay to cry and be angry even with God People do not drown because they fall into the water they drown because they do not fight back in an effort to save themselves After many years of performing funeral services and observing the suffering of grieving families Stanley Cornils asked himself Isn t there something more I can do for these people As a result he developed his Grief Recovery Seminars and has presented them for the past twenty years Your Healing Journey Through Grief represents the culmination of *Up from the Ashes* Karl A. Slaikeu,Stephen R. Lawhead,1987 Combining the knowledge of a psychologist and an author of fantasy and science fiction this book looks at how to overcome personal crisis A crisis can take the form of a loss of job serious illness or death of a loved one but does not have to end in tragedy Up From the Ashes provides help when every other solution has failed In this book you can learn how to manage painful feelings take care of your body change harmful behaviour thoughts and attitudes
