Hearts D.K. Hood, 2025-09-09 Lightning flashes overhead as she walks along the isolated path out of town. She listens to the rumble of thunder until she hears the unmistakable sound of heavy boots on the path behind her. She starts to run but he's faster and she already knows there is no one for miles to hear her screams. It's Halloween in Black Rock Falls and among the small town's annual festivities Sheriff Jenna Alton and her deputy David Kane are called to a gruesome discovery. Where there was once a plastic mannequin in a coffin now stands the lifeless body of a young woman, her pale skin illuminated under the heavy, stormy sky. Taking in the victim's long dark hair and still blue eyes, it's the bite marks on her neck that have Jenna's fears. What kind of monster could have inflicted such wounds? Could this be the most sick and twisted murderer Black Rock Falls has ever seen? Days later, Jenna's heart breaks when another vulnerable young woman is found at another Halloween attraction in the centre of Black Rock Falls. As Jenna surveys the scene, she instantly notices the familiar deep red bite marks on her neck. With the whole town gripped with fear that a vampire-like killer is on the loose, Jenna works around the clock to hunt down the fiend who is stalking vulnerable young women. When she links the bodies to a cold case, it's clear he has taken many victims. As Jenna finally gets a breakthrough, a violent storm shuts off the small town, giving the murderer the perfect chance to kill again. But Jenna puts herself in unthinkable danger to catch him. Will she stop him before he can take another life, or has Jenna finally met her match? Fans of Lisa Regan, Melinda Leigh, and Kendra Elliot will absolutely devour this gripping and unputdownable crime thriller from USA Today and Wall Street Journal bestselling author D.K. Hood. Excerpt from *The Haunted Heart*: The glen lies shimmering in the hot August sunshine, clothed in the purple of heather as in a royal mantle. The airs are full of aromatic pungency for down yonder in the ferny hollows the silver gray bracken has a scent of its own to mingle with the honey sweetness of the higher heather and where the moor slopes abruptly toward the dark

frontier of the woodland and the burn runs more lazily spreading into pools the bog myrtle grows thick amid the rank grass and sends up wild incomparable incense to the sky About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The haunted heart** David B.
