The Interns:

The Internship, Practicum, and Field Placement Handbook Brian N. Baird, Debra Mollen, 2023-04-18 The Internship Practicum and Field Placement Handbook offers real world knowledge of the skills interns in the helping professions need through every phase of their internship practicum or field placement The focus is on topics that may not have been addressed or fully developed through regular academic coursework meeting clients fees for service supervision ethics legal issues diversity clinical writing case notes and clinical records personal safety self care advocacy technology termination and planning for the future Every phase of the internship is discussed sequentially from finding and preparing for placements to concluding relationships with clients and supervisors Drawing from the fields of psychology counseling social work school counseling and psychiatry this edition has been thoroughly updated with the latest research and clinical literature ethical codes of the leading professions and legal and regulatory developments at federal and state levels This edition also features up to date coverage of remote education training supervision and practice as impacted by Covid 19 and technological changes Diversity awareness and insights are woven through every element of the text taking into account recent developments such as Black Lives Matter the MeToo movement gender identity awareness Other emerging issues are also addressed including the impact of the opioid epidemic and substance abuse deaths and the ethical legal issues that may arise relating to reproductive health and abortion related legislation In text exercises and thought problems are incorporated into each chapter for students to develop insights and skills Eleven online appendices are also included containing learning plans supervision agreements evaluation forms and ethical guidelines that students will need in preparation for the next phase of their training The Internship Practicum and Field Placement Handbook is an invaluable resource for students faculty and supervisors engaged in the challenging experience of transitioning from academia into clinical training in the field

The Human Services Internship Experience Marianne Woodside, 2016-03-09 The Human Services Internship Experience Helping Students Find Their Way aims to help students in field based courses bridge theory and practice during their internships The goal is to show students how to apply their academic work in a real world setting and to confirm and expand their identity as human service professionals

Demystifying the School Psychology Internship Daniel S. Newman, 2013-03-05 If you are a doctoral or non doctoral student about to begin your internship in school psychology you may have several questions about the process and what it will involve and you may even be facing some anxiety about it If you are a site or university supervisor preparing for the beginning of the internship year you may be looking for ways to improve the internship experience for your students or for yourself and your fellow supervisors Newman has used his many years of experience working with interns and field supervisors to create this guide to the school psychology internship process to address these common concerns He provides a comprehensive overview of the school psychology internship process from start to finish describing actions that can be taken to promote a high quality dynamic internship experience Emphasis is placed on the idea

that the internship year is a dynamic and formative experience not a static event and that interns and supervisors both must be active planners coordinators and shapers of the experience Each part of the book explores a different phase of the internship from the first days through job applications and interviews Helpful and pragmatic tools are included throughout such as evaluation tools best practice guidelines and sample forms Online resources are also available to complement the book and include reproducible material from the book videos students can use to practice their interviewing skills and links to helpful resources

The Internship Bible Mark Oldman, Samer Hamadeh, 2005-01-25 Lists internship opportunities in a variety of fields giving information about selectivity compensation deadlines and duration

The Intern Files Jamie Fedorko, 2006-03-08 In today's highly competitive job market an internship at the right company can be the first step to building a career But how do you get the gig of your dreams And once in the door how do you figure out what to wear whether it's okay to hook up with a coworker and how to suck it up when you're smarter than your boss
